County Ticket. For Sheriff, HENRY E. FAWCETT, Elkland township.

EDWARD N. WILLARD.

For Prothonotary Etc., W. J. LAWRENCE, Dushore.

Past Record of the Republican Candidates, Mr. Henry E. Faw-cett for Sheriff, and W. J. Lawrence for Proth. etc.

HENRY E. FAWCETT for Sheriff. Henry E. Fawcett the People's candidate for the office of Sheriff of Sullivan county, was born in Elkland township in 1857, hence is 38 years of age. Henry obtained his education in the common schools of our county and at the age of 21 started out in life for himself. He was a farmer boy and chose this vocation at his maturity and purchased a small farm near the old homestead. Henry worked early and late and it was only a short time until the last payment due on the farm was cancelled. He purchased the Homestead recently, and now owns one of the largest and best farms in Sullivan county. This is ample proof that our candidate is a thorough business man and just the fellow to fill the office of Sheriff satisfactory to all. Should he be elected, the deserving poor can depend upon it, he will not distress them because of his position. but to the contrary will help them in their troubles. A man of this reputation would be most heartly wel-

Mr. Fawcett has served two terms as constable of Elkland twp. and has made a judicious and competent officer. He was chosen by the people of Elkland to fill this office. It was unsolicited by him. Neither did he solicit the nomination of Sheriff. He was chosen by the convention and there was no opposition. When his name was first mentioned in caucus, he declined, but was persuaded by voters of both political faith to accept of the nomination. He is thoroughly competent to attend to the duties of this office and is honest and upright in all of his dealings. Mr. Fawcett bears the neighbors and will carry almost a solid vote in Elkland where he is for our nominee.

comed in this office by our people.

It is alleged by some people that most any Tom, Dick and Harry can fill this office. This is true, so far as the name is concerned, but when the Docket, the Sheriff's Deed Book and other office work is brought into consideration, it requires more than an ordinary business man to fill the

We can, unhesitatingly reccommend Mr. Fawcett equal to all business matters pertaining to the Sheriff's office and should the peo hind wheel passed over his face, ple elect him Sheriff he will execute all business left in his care with neat ness and dispatch.

Remember he is a farmer boy and worthy of your support.

W. J. LAWRENCE, for Prothonotary &c. Wm J. Lawrence or Will Lawrence as he is usually called is a Sullivan county boy in the strictest sense of the word. His grandfather (Wm. Lawrence) was one of the first settlers in this county removing from Northumberland county when he was a young man and buying a farm in Cherry twp. in the year 1825. Win Lawrence took an active part in the organ zation of Sullivan county and was one of the three Commissioners first elected. John H. Lawrence was lorn on his father's farm in this county in 1833 his life has all been He was educated in the common capacity. schools of Sullivan county and at

ed to Sullivan county and engaged in business as a carpenter and build-er in association with his brother Charles T. Lawrence. Among the prominent buildings in this county which Lawrence Bros. have erected pal church at Laporte the Catholic church at Wilmot and Laporte the Court House at Troy and Laporte and they are now finishing the handsome church and parsonage at Bernice and the residence of Geo. H. Welles at Wyalusing.

Mr. Lawrence has been a school director in Dushore boro. for a number of years and is a director of the First Nat. Bank of Dushore. He was the candidate of the Republican party for sheriff in '89 against the not attested by the signature of the well known and popular ex-Sheriff officer who administered the oath. John Utz and made a brilliant fight though defeated.

Mr. Lawrence is one of the best business men of the county, well known and well liked, he is a man of Die the highest honor, careful in making engagements, but when made he carries them out to the letter. He has a pleasant word for all, attends strictly o his own affairs and is careful and being true to his friends, honest in his dealings and ready at all times to

lend a helping hand to his fellows. Recognizing this as true, the Republicans have nominated him as heir candidate for the office of Prothonotary Register and Recorder at their convention held in Dushore September 3, 1895. For this office he has excellent qualifications in his thorough education, his long famils iarity with business which has brought him into contact with the Prothonotary's office, and more than all by his thorough honesty and reliability if elected, it will be an honor worthily bestowed and the people of the county will have a kind, courteous, honest and efficient officer.
