#### The Windy Fight is Declared Off

Hot Springs, Oct. 21.-The Corbett-Fitzsimmons fight has been declared off by the Florida Athletic Club. Corbett and Brady were willing to postpone the fight to November 11, but Julian, as Fitzsimmons' representative, was not and the club then declared the match off. The negotiations were brie and not in the best temper. Each side charged the other with an attempt to either to get the better of the bargain or to kill the fight altogether. At the conclusion of the talk Martin Julian, Fitzsimmons manager said:

"I did all I could to make a satis factory arrangement, but the Corbett people would not listen to reason I offered to let Fitzsimmons figh Corbett in private for a side bet, but they would not agree to it. They wanted a postponement to November 11, which was merely another way of saying that they did not want to fight at all. Of course I declined to fight at all. Of course I declined to listen to the proposition. Vendig J. W. Ballard. and his crowd tride their best to job us, but we would not have it "

Brady on the other hand, charged that Julian flunked, and that he would not have agreed to anything. "except a title to the whole State of

Brady later announced that Corbett was prepared to fight any man in the world on November 11, Robt. Fitzsimmons preferred, the man to be named within twenty-four hours.

Vendig announced that he would match Peter Mahar against Corbett for \$5,000.

The out come of the Muddle cannot be foretold, but it looks as though there will be a fight of some kind on November 11.

#### Manufacturers Protest.

The Manufacturers' Club last evening adopted resolutions protesting against the policy of the National Government, and ordered that copies be sent to President Cleveland, every Senator and Congressman. Robt Dornan, the president of the club, was in the chair, and the resolution was offered by Charles H. Clarke the secretary. Mr. Clarke did not preface his resolution by the extended remarks. These resolutions were

thrown after having demonstrated its great value to this country; "We call upon the representatives of the people in Congress, steadfast-ly to refuse to make any concessions to the demand for legislation con-trary to the principles here enunciat ed."

The resolutions were adopted without debate.—Ex.
