

Official vote of SULLIVAN COUNTY, PA. TUESDAY NOVEMBER 5, '95.

The Result is not Pleading to All But That Was Impossible. W. J. Lawrence Wins by 174 Majority, Ellis Swank by 64 Majority.

The weather on Tuesday was just right for hard work, neither too warm or cold and the workers on either side took advantage of the kind providence and put in their best licks. The result was a victory for both parties, so far as the county ticket was concerned.

It will be noticed that the county only gives a Democratic majority of 90 votes.

RESULT OF STATE ELECTIONS. The old Keystone state is in the advance as usual. She rolls up a majority of 175,000. Maryland is not far in the rear with a majority for the Republican ticket of 100,000.

Massachusetts is not behind the times and elected a Republican Governor—Greenhalge, for a third term by 65,000 plurality.

Ohio, where our famous Governor McKinley resides, gave a Republican majority of about 100,000.

Kentucky in the Republican column. It is predicted that the "moonshine" state where pure rye whisky is manufactured by twilight has come over to the good old party by a majority of 15,000.

New Jersey goes Republican by 15,000.

Iowa gives the Republican ticket a majority of 50,000.

Mississippi stands by her old doctrine and give the Democratic ticket a majority of 50,000.

BERNICE, PA., Oct. 17, 1895.

To EDITOR: Dear Sir—As quite a number of Sullivan county people has been inquiring about the history of the I. O. of Red Men, a tribe started in Bernice with a membership of 42, in March 17th 1893. The primary object of our order is to promote among men the exercise and practice of benevolence and charity, the care and protection of the widows and orphans of its members and the cultivation of friendly relations with those who enter its circle the democratic influences which attended its birth, the idea that all men are equal, are the tenets of the order and what he possesses constitutes his claim for recognition among the brotherhood, it is in the beautiful spirit of friendship that the red men enjoys the social and brotherly intercourse in our council chamber which broadens his character, enlarges his heart, helps him to be a sober, upright, intelligent citizen a better husband, father, son or brother, friendship, fraternity and hospitality are exemplified as cardinal virtues and no where are hearts brought closer together than around the council fires of the red men. In sickness or distress a brother visited, comforted and assisted and when the arrow of death has removed him from his trials on earth, he is buried by his brothers who continue a watchful, protective care for his widow and orphans. We pay for sickness every week and funeral benefits at death of a member or wife of a member.

To Charge for Wheels.

The great increase in the number of bicycles carried by passengers on the Pennsylvania railroad has led to the issuance of an order that after Friday the railroad will no longer carry bicycles free as passengers' baggage. They will be rated the same as excess baggage, except that the minimum charge will be but fifteen cents. The baggage men on the main lines say that of late eight or nine bicycles is nothing unusual on one trip, and that goes to show the increase in baggage heretofore seldom carried.
