Our Exposed Lake Front.

Columbus, O., Jan. 24.—Captain James M. Burns, of the seventeenth United States Infantry, in a paper read before the lyceum of the officers of his regiment, points out the forces which England would be able to marshal upon short notice along the lakes. He says Chicago or Cleveland would be the first place assaulted. The seizure of Chicago would cut off northwestern flour, grain and meat from the East.

The capture of Cleveland would be followed by an effort to cut rail communication between the East and West, at Columbus, Chillicothe and Portsmouth, which would blockade everything from the west, including freight for the Chesepeake & Ohio, Captain Burns says the capture of Columbus would be of more importance to a British army than the capture of any port south of Fortress Monroe, and argues for better lake defenses.

One suggestion is a canal 100 feet wide at the bottom and twenty feet deep across the State of New York to use for commerce in time of peace and to admit our smaller naval vessels to the lakes in time of war.

A LEGAL BATTLE IS ON.

Case that will Attract Attention the World Over.

Cincinnati, Jan. 26,—A legal fight which will attract the attention of Roman Catholics the world over, will be instituted this week. Attys. Stephens, Lincoln and Smith, who represent this diocese, have been notified to appear before the County Auditor to hear an application made upon behalf of some persons whose identity is not at present established, for the placing on the tax duplicate of all the property in this county owned by the Roman Catholic church and not used as a place of worship. Auditor Hagerly will refuse as he did privately some time ago, and a suit in mandamus will be filed against him in the Supreme Court. The property in question is valued at one million dollars and an effort will be made to have it charged for the last six years on an increased valuation of six million dollars. The contract for doing this work was signed late Friday afternoon. The move is said to have originated with the American Protective Association.

Valentines.

Any boy or girl sending me 35c to pay for packing and mailing, I will send them a large box containing a large assortment of comic and fancy valentines, worth ten times the amount. Send early to get good assortment. Address, Harry Bubb, 83, Fourth Ave., New York city.

Y. Social.

The Y. W. C. T. U. will hold a parlor meeting at the home of Miss Harriet E. Grimm, Friday evening, Jan. 31. Recitations, readings, and social games will occupy the evening. A cordial welcome to all. A contribution for the organization will be asked.

Everyone is invited to the special "Endeavor Day Service" in the M. E. church, Sunday evening, Feb. 2.

Sued for Libel.

John J. Becker and Albert F. Becker, cigar manufacturers in Scranton, have begun a libel suit against the Elmira *Telegram*, $50,000 damages being claimed. In the West Side department of the Scranton edition of the Telegram there appeared an article about a building owned by these gentlemen.

It was claimed that the structure was a disgrace to the city, being the place of many drunken scenes. The plaintiff claims that the article has brought them into public scandal, infamy and disgrace.

What are we to believe? One dispatch from the Transvaal says, that Jameson, the freebooter and invader, has been released from the Johannesburg prison, and another says that he is still in jail, and will be given a taste of Boer justice at the proper time. It would appear a rather strange thing to do to release this English land-grabber after he had put the Transvaal government to the expense of recruiting an army to hault him in his raid. While his crime desirves death, and in almost any civilized country would be punished with death, yet it is said that the kind old Boers are going to let Jameson and his freebooters off with imprisonment, but for how long they do not say. They ought to be immured for the balance of their natural lives. They were bent on murder when arrested, in fact, had engaged in a murderous battle, in which several of the Boers were killed, and their offense is on a par with the crime of murder.

ESTELLA ITEMS.

The recent warm wave has had quite a demoralizing effect upon our roads.

C. B. Jennings, our enterprising merchant, filled his ice house last week with a fine lot of ice.

S. C. Vargerson made a business trip to Dushore last Thursday.

J. J. Webster filled his ice house last week. John is preparing for a hot summer.

S. C. & C. A. Vargarson are cutting feed on Bear Mountain this week.

The old adage that a green christmas makes a fat grave yard is beyond contradiction the present year, there is the most sickness and the greatest number of deaths that has been known in this section for many years, and the end is not yet.

Mr. and Mrs. Thomas Tompkins, mourn the loss of their only child about one year old. Interment at Sugar Ridge cemetery last week.

Uncle Joseph McCarty one of the oldest and most respected citizens of Elkland twp, was buried last Thursday; interment in the Friends cemetery. He was a man greatly beloved and respected by all; he never married. In the same house a grandneice of his died, Thursday morning she was between eight and ten years old; oldest daughter of Ernest Beeby who died about three months ago, two other children are seriously ill with the gripe and pneumonia with very little hopes of recovery. This terribly afflicted family have the sympathy of the whole community.

Charles Brown who has been seriously ill with lagrippe at the home of his father, John S. Brown, of Lincoln Falls, is much better.

Mrs. John McGuire, widow of the late John McGuire, is quite seriously ill with hemorage of the lungs.

Frese Hess, son of John W. Hess of Lincoln Falls, is quite seriously ill with lagrippe.

Mrs. H. W. Osler, is in very poor health.

Garden Warburton, son of widow Warburton of Lincoln Falls, who has been very sick with pneumonia, at the home of his brother-in-law, Nelson McCarty, is much better.

William E. Wheatley with his wife are visiting his brother John, a railroan engineer at Sayre.

The Estella literary society gave an entertainment here Friday evening; the program was a good one and was well rendered; the paper was well written, the dialogues were good and the music was first class and was well received by a full house although the weather was very stormy and the roads muddy.
