Ayer's Asthma Cure

better known as Ayer's Cherry Pectoral, has made a record for its remarkable cures of asthma. Cases that have been considered beyond hope or help have been cured by this remedy. We give two examples of such cures out of the many on record:—

"My mother has been a great sufferer from asthma for the past ten years, and her recovery is almost without a parallel. On account of her advanced age—over seventy—we had but little hopes of ever seeing her well again; but we are sincerely grateful to inform you that she has been entirely cured by the use of Ayer's Cherry Pectoral."

INGLIS BANKS, Tar Brook, N. S.

"I was a sufferer for a long time from asthma, vainly endeavoring to procure relief in the use of ordinary remedies. At length I was induced to try a bottle of Ayer's Cherry Pectoral. The first bottle afforded me so much benefit that I continued the use of the remedy until entirely cured."

You have tried iron and other tonics. But she keeps pale and thin. Her sallow complexion worries you. Perhaps she has a little hacking cough also. Her head aches; and she cannot study. Give her

Scott's Emulsion

The oil will feed her wasting body; the glycerine will soothe her cough, and the hypophosphites will give new power and vigor to her nerves and brain.

Never say you "cannot take cod-liver oil" until you have tried Scott's Emulsion. You will be obliged to change your opinion at once. Children especially become very fond of it; and infants do not know when it is added to their food.
