Fatality of Newstead Abbey. Another link in the chain of ill for-Another link in the chain of ill for-tune which has followed the famous Newstead Abbey was forged the other week. It seems that a curse rests on the Abbey, and that the eldest son of its owner has never succeeded to the estate. Byron sold it to Colonel Wildman, in 1808, who died child-less. The trustees sold it to Webb, the famous sportsman whose eldest less. The trustee's sold it to Webb, the famous sportsman, whose eldest son died that week. Byron had the skull which was reported to have belonged to the ghost which haunted the Abboy, and he used it as a punch-bowl. Webb buried the skull, hoping to lay the ghost.—London Correspon-dence in New York Tribune.

A Human Nature Pastel

the third. But the little boy said nothing. He had no seeds to plant. And presently his mother noticed that he took no part in the chatter and her heart smote her. "And what is Georgie going to yrow?" she asked. "Perhaps Georgie's lip trembled, but his voice didn't. "Oh," he said stontly, "I expect I can raise a worm or two."—Pearson's Weekly. Stylish Blouse Waist.

vet bertha, flaring cuffs and collar portions are in a darker shade of grey edged with fancy satin ribbon ruch-ing in the same shade, showing a white border. The bertha has scalloped edges biole protein entry here artition edged by narrow thus of emotodery that is applied over the right front edge. The stock collar is joined to the edge of the plastron, and closes in centre back. The plastron is sewed to the right front, and closes under the collar on left, with buttons and buttonboles ings that close in centre front, the yoke plastron closing with the stand-ing collar at the left shoulder. buttonholes

Pretty fulness at the waistline is gathered and stitched to position over

S

STYLISH WAIST FOR A YOUNG GIRL.

Smooth-faced cloth in dove gray, as shown in the large engraving by May Manton, is attractively trimmed with rows of bebe satin ribbon in a pretty shade of burnt orange, that on the outer edge being gathered and applied in scroll design. The yoke and collar are covered with white tucked taffeta, bonght aready tucked for this purpose. The arrangement of this dressy waist is made over fitted linings that close in centre front. The yoke and collar faced th in dove grav made over fitted limings that close in centre front. The yoke and collar close together at the left shoulder. The right front laps over on the left and closes invisibly with hooks and eyes. The whole back fits smoothly across the shoulders, the fulness being drawn smoothly to the waist in centre and the front ponches slightly over the belt. Stylish puffs top the close-fitting two-seamed sleeves that are decorated inst below the puff and are decorated just below the puff and at the wrists to match. Harmonious combinations of material and coloring combinations of material and coloring can be developed by the mode in wool, silk or cotton fabrics. With silk, all-over lace or mousseline de soie, shirred or tucked, will make hand-some yoking, and all-over em-broidery or nainsok tucking may be used with cotton wash goods. To make this waist for a miss of fourteen years will require one and one-half yards of material forty-four inches wide.

Pretty fulness is given over the busit by slight gathers collected under the bertha, gathers at the waist forming a stylish pouch effect. The sleeves ar-ranged over fitted linings conform to the close style now almost universal, the tops having a few gathers at the front and back as well as on top of upper portions, that cause the becom-ing wrinkles preferred by many. To make this waist for a lady of three-fourths yards of material forty-four inches wide.

hands. This simple waist, made with-out lining; is designed with special ref-erence to summer wash fabrics, which

A TEMPERANCE COLUMN.

THE DRINK EVIL MADE MANIFEST

We Must Have More Boys-Representa-tive New York Business Men Give Their Views Upon the Use of Liquor by Employes-Intemperance Barred.

We must have more boys," hear the vil-lains cry.

As they click their jingling glasses; "Is strange how fast the drunkards diel--hundred thousand graves heaped high Each year marks off as it passes.

"We must have more boys—at least twelve each hour We must win by cunning devices. To gather the brightest of youth's flower From the garden of home; its peaceful bower. bower, We must use every art that entices.

We must have more boys. Then let fiends

be sent To make their persuasive offers; Get the boys to drink; 'A nickel that'

spent On a glass for a boy, is money lent To bring dollars back to our coffers.

'We must have more boys; for only with

boys Is the army of drunkards recruited. Slay 'the fathers' hopes and the mothers' Slay

joys, Use the devil's most deceptive decoys, And render the boys imbruted.

'We must have more boys; see the prison

waits For those we shall school in sinning; The asylums yawn; the almshouse gates Gape open to groan the fate that awaits The boys we succeed in winning.

"We must have more boys. Then let us begin To pursue them in every quarter; With a hustle and bustle and din we shall

win: Then hurry and scurry them in to their

sin; Rush them on like sheep to the slaugh-ter."

-Ram's Horn.

The Handicap of Drink.

Inti "bar drinking" in Wall street has within the last fifteen years decreased not less than fifty per cent. The subject was also brought up in con-versation with Mr. Chester S. Lord, who bas for eighteen years been the managing editor of the New York Sun. Mr. Lord de-cidedly believes that a newspaper man in these days of intense competition can not succeed if the allows his powers to be im-paired by the use of liquor. With regard to the condition of affairs in the office of the sun, he said: "Intemperance will not be tolerated in this office on the part of anybody. The only men whom I have been compelied to the ding the last three or four years owe their dismi-sai to intemperance." President John Clafin, of the great wholesale house of H. B. Claffin Company, suid: "We can not afford to keep a man who

The Toys of Our Day.

The Toys of Our Day. "The boys of the present times -Know many things the boys of forty vears ago did not know," remarked a toy dealer, "but in the way of toys is and grandfathers were. The boy now is satisfied with a penny ash or poplar top and with a string for his top cord, and he gets all the sport out of it that he seems to want. Now, such a thing as a painted top would not be used in my boyhood days here or in Balti-more, where I spent some of them. In those days nothing but a hard-turned dogwood, hickory or mahogany tof to-day would be laughed at then, and the boys would be ashamed to be seen carrying such a thing or play with it on the streets. The plug then was a steel bolt, was heavy, and was top then cost from five to fifteen cents, but it was rigged up to do service, and did it, to. Such tops are not to be had now in the toy trade, though now and then I have had some turned now and then I have bad some turned now in the strest, Streys on the behad now in the stop trade, though now and then I have bad some turned now and then I have bad some turned now in the strest, Streys on the boys won't touch them, preferring the latter top cord is allso one of the hings of the past, and the ordinary boys knows no more about it than he does of the 'lost ark.'s Sveral of the source about the boys and the boys to be about it than he does of the 'lost ark.'s Sveral of the source about the boys for the ordinary boys and the ordinary heated machine-made tops. The source about it than he does of the 'lost ark.'s Sveral of the source about it than he does of the 'lost ark.'s Sveral of the source about it than he does of the 'lost ark.'s Sveral of the source about the boys and the source about it than he does of t boy knows no more about it than he does of the 'lost arts.' Several of the old shoe cobblers of Georgetown who were so famous for making top cords have told me that they have not made a top cord for thirty-five years, and that they have not had a call for them in that time."—Washington Star.

Endurance of Arabian Porters.

Arab carriers bear great loads upon their backs and go at a trotting pace their backs and go at a trotting pace from 6 a. m. to 6 p. m. During the month of Ramadan the Koran forbids the taking of food between sunrise and sunset, and this law is said to be held sacred and rarely violated. Not only do these porters continue their arduous physical exertion during the welve laboring theore of the der arduous physical exertion during the twelve laboring hours of the day without taking any food during that period, but the French inspectors who are in charge of the gangs told our in-formant that they could work better during the month of the fast than at any other time of the year, because their energy was not needed for digestion. At eventide these Arabs have a moderate meal of wheatmeal digestion. At eventide these Arabs have a moderate meal of wheatmeal porridge, mixed with large proportions of butter (it is to be had cheap) or olive oil. Their expenditure for food is not more than six or seven cents a day, and the only luxury which they permit themselves is a cup of very strong black coffee and a cigarette. The idler exists on one cent's worth of bread, with a little olive oil, which he buys for an additional five cents.---Vegetarian Messenger.

After the Cooling Process. Don't cool off too quickly after being in an overheated room. If you do, you will need St. Jacobs Oil to cure Lumbago, which sets in very often after the cooling process. It relaxes the stiffened muscles
