significant utterance of the day. What
he did say, however, was timely and est. It is a contest agansty con-ap

nation to irresponsible fanatics who complain because we have periormed
our obligations of neutrality in South

would shirk our obligations toward and disgrace us before the world. Governor Roosevelt has a right to appeal
to all citizens to stand shoulder to
shoulder striving to prper conditions under which we have reach-
ed at home a degree of prosperity never before attained in the nation's
history, and under which abroad it
has put our flag on a level on which it has never before in the history of
the country been placed." Meanwhile Bryan continues to talk and Populists who gather at tree silinerites,
