Unexpected Difficulties Said to Have Arisen - London Press Demands Prompt and Ruthless Punishment For Insurgent Burghers.

LONDON, Oct. 16.—The Durban correspondent of The Standard, wiring yesterday, says:
"Railway communication north of Standerton has been suspended since Thursday. There are persistent rumors of Boer attacks on the railway. Considerable uneasiness has been caused by the postponement of Lord Roberts' departure."

Town that Lord Roberts has pestponed his hombocoming, The Standard says:

"There are certain indications pointing to the conclusion that unexpected difficulties have arisen which Lord Roberts deems grave enough to demand his presence for some time to come. All the facts suggest that it is impossible yet to denude South Africa of any substantial portion of the large army now engaged in dominating a sullen and recalcitrant population."

The editorial finally calls for the severest measures against irreconcilable Boers—"prompt and ruthless punishment for every insurgent burgher caught in delicto."

The editorial concludes with the statement that "the imperial government has

The editorial concludes with the statement that "the imperial government has the country's mandate and need not be afraid to act vigorously."

A dispatch from Pretoria says that Lord Roberts, in an army order announcing the return of General Buller to England, thanks Sir Redvers for his great services while he was commander in chief of the British forces in South Africa and for the ability with which he carried out the operations while serving under Lord Roberts.

The order declares his operations "resulted in the collapse of the Boers in the eastern Transvaal.

A dispatch to The Daily Mail from Lourenco Marques, dated yesterday, says that the American bark Fred P. Litchfield went ashore there from her moorings during Sunday night's gale and was searched for gold in consequence of a suspicion that she was carrying Mr. Kruger's gold to the amount of £1,500,000.

A dispatch to The Daily Telegraph from Cape Town says that a tremendous storm there on Sunday blew a steam crans into the harbor in such a way as to block the entrance to the docks against large steamers. The accident caused several fatalities.

Fighting Near Kroonstadt.

CAPE TOWN, Oct. 15.—The Boers are very active in the Kroonstadt district. General De Wet has proclaimed that burghers who refuse to fight will be made prisoners of war. British mounted infantry, scouting from Lindley, had Captain Wiltshirk killed through mistaking a party of 40 Boers in khaki for friends. Boer commandoes continually harassed the British column while marching from Lindley to Kroonstadt. The Boers captured & detachment of the Cheshire regiment which was sacorting an empty wagon near Frankfort. They released the driver, but kept the wagon.

Stalwarts Want to See Wanamaker Martin and Flinn in the Open and on the Stump For the Insurgent-Democratic Combine Candidates and Results of the Stone and Barnett Campaigns Will Be Repeated.

(Special Correspondence.)
Philadelphia, Oct. 16.—Gen. Frank
Reeder, chairman of the Republican
state committee, and Senator Botes
Penrose spent an entire day in New
York last week in consultation with
Chairman Hanna and members of the
executive committee of the Republiacn
national committee. Upon their return to this city they were quite enthrough the national committee leaders regarding the prospects of President McKinley's election by even a
larger vote in the electoral college than
was given him four years ago.
They could not, however, conceal the
anxiety which the party leaders have
over the situation in the canvass for
members of the national house of representatives.
"It is quite probable." said Chairman

over the situation in the canvass for members of the national house of representatives.

"It is quite probable," said Chairman Manley, of the executive committee of the national committee, to Gen. Reeder, "that in many states in which McKinley will have an increased vote we shall lose congressional districts which are now represented by Republicans in the house. This fact confronts us, and we must therefore use every effort to offset these probable losses, which may occur in the middle western states, by Republican gains in New York and Pennsylvania."

After expressing himself in this manner Chairman Manley went into detail with Gen. Reeder regarding the situation in every congressional district in this state, and while reports received from the county chairmen indicated that the party organization is making an aggressive campaign the leaders are very seriously handicapped in several congressional district fights owing to the action of so-called Republicans in fusioning with the Democrats on the legislative nominations.

DUTY TO REPUBLICANS.

### DUTY TO REPUBLICANS.

DUTY TO REPUBLICANS.

Chairman Manley said he regretted to hear this, and declared that it was the duty of every Republican to stand by his party ticket from top to bottom in such an important crisis as now confronts the Republican organization in the nation in the matter of the control of the next congress.

Chairman Hanna fully concurred in this declaration and directed the heads of the various bureaus at the national committee headquarters to honor every request from Chairman Reeder for literature and for speakers for meetings in the interest of the Republican candidates for congress in this state. "We must gain congressmen in Pennsylvania," declared Senator Hanna emphatically, "and we must deverything possible to help the party organization in the state get out the full vote."

Chairman Hanna assigned former Congressman John S. Wise, of Virginia, one of the strongest orators on the list at the national committee headquarters, and Col. Fairless, another gifted orator from Virginia, to ac-

quarters, and Col. Fairless, another gifted orator from Virginia, to accompany Col. Quay's party on the tour of Pennsylvania.

Other speakers will be assigned to meetings to be held in the several contested congressional districts in this state.

Much Damage by the Storm.

HALIFAX, Oct. 15.—Additional disasters to shipping on this coast are reported. The known list of vessels driven ashore now numbers 30, mostly owned in the provinces and Newfoundland. The loss all over the country and in the neighboring provinces through terrife rainfall and washouts and damage to orchards and buildings by heavy wind will be very many thousands of dollars. The Canadian Pacific wires connecting Cape Breton with the rest of Nova Scotia nue completely broken at the straits of Canso, where the cable was fouled by a schoon crd ragging her anchor in the recent gale. Heavy rain fell again yesterday throughout Nova Scotia. Rivers and lakes are everywhere overflowing and destroying property. There has been no Canadian Pacific train from Montreal for four days.

After the November elections the gold Democrats will be in position to say "I told you so," and it will be their turn to dictate the conditions for restoration to membership for those who abandoned the worship of the true principles of Democracy for the privilege of dancing around the silver calf.

The Democratic papers print with ghoulish glee every piece of news calculated to show with more or less accuracy that the Filipinos are rising everywhere and killing the soldier boys of the United States. But they forget to add that the responsibility for it rests with some of the Democrats.

PATTISON FOR BRYAN AND FUSION,

Up in the Bibley district the insurgents are working with Emery, who is running on the Democratic ticket for congress, and former Governor Pattison, who has been stumping for Bryan in the doubtful states, has been sent up to Sibley's district to help the insurgents elect Emery to congress and defeat the Republican candidates for the legislature. Emery supported Pattison when he ran for governor, and Pattison is now returning the favor. Sibley, the regular Republican candidate for congress in this district, is going to win, and win by a large majority.
