MANILA, Nov. 26.—The funeral of Baron Dumarais, the Frenchman who was killed by the insurgents while within their lines last year, where he had gone to intercede with Aguinaldo for the release of the Spanish prisoners, took place yesterday in the great Church of San Augustin in Manila. It was attended by a distinguished concourse, including generals, commissioners, consuls and hundreds of Americans, who were on each side of the catafalue in front of the side of the catafalque in front of the altar. A NEW ARMY BILL Chairman Hull Summons House Mil-

WASHINGTON, Nov. 27.—Chairman Hull of the house committee on military affairs has called a meeting of the com-mittee for this afternoon. He hopes that

a quorum will be present and that the committee can go to work immediately upon the outlines of a new army bill. "It will be in the direction of economy to pass the army bill without delay," said Mr. Hull. "The army now in the Philip-

summer—that is, those of the men who do
not care to re-enlist. The transports
which go out for them should depart laden with the troops who are to replace
them, else the ships will make one voyage empty."

Mr. Hull was in conference last week
with the president and with officials of
the war department upon the character
of legislation desired by the administration. He said the president will commumicate to congress very fully his recommendations about the army, and he did
not assume to speak the president's mind

not assume to speak the president's mind in advance.

He thought, however, that the administration would not be content with any makeshift legislation, no proposition to continue the present iaw for two years more. His impression was that the president wanted authority to raise a regular army sufficient for the needs of the country—100,000 men, if necessary—the number to be reduced when there was no longer need for them.

Mr. Hull said the Taft commission had reported that 15,000 Filipinos could be calisted immediately in the army for the Philippines and that they would make good soldiers under American officers.

GREAT COMPOSER DEAD.

GREAT COMPOSER DEAD.

Sir* Arthur Sullivan Passes Away
Very Suddenly In London.
LONDON, Nov. 23.—Sir Arthur Sullivan
is dead of heart failure.
Sir Arthur's death was sudden, although his illness took a severe turn
about two weeks ago. When he was taken ill, he was collaborating with Basil
Hood on an Irish opera. He went to the
south of Europe to recuperate, but the
trip was of no benefit to his health.
Arthur Seymour Sullivan was without
doubt the best known the world around
of all musicians of his country and his
time. His songs were everywhere sung.
He himself on his first visit to the Pacific coast of the United States heard a
band in a San Francisco park playing his
song, "The Lost Chord." His hymn, "Onward, Christian Soldiers," is used by
most churches where the English tongue

prevails. His orchestral works are prevails. His orchestral works are respected by musicians, Of his operas "Pinafore" and "The Mikado" can fairly be called the famous examples. One was sung only five days ago in this city, while the other is to be heard in the week to come. In England, a London theater is permanently devoted to the Sullivan repetrory.

Born in London on May 13, 1842, Sul-Born in London on May 13, 1842, Sullivan was brought up in a half musical, half military atmosphere. His grandfather was a squire of Kerry who served as a soldier in the Peninsular war and who after Waterloo was in a detachment ordered to St. Helena as Napoleon's guard. Sullivan's father was a bandmaster at the Royal Military college, Sandhurst, and later at Kneller hall. His mother, Mary, daughter of James Coghler, was descended from an old Italian family of the name of Righi.

A dispatch from Peking says: "Colonel Yorck's column took Kalgan without resistance. The Chinese forces, regulars and Boxers, fled toward the province of

and Boxers, fied toward the province of Shansi."

Dr. Morrison, wiring to The Times from Peking Sunday, says:

"The foreign envoys have agreed to two proposals that were previously rejected, owing to lack of unanimity. These are Sir Ernest Satow's proposal that China should agree to recast the commercial treaties and the Italian proposal that China should consent to foreign financial control as a guarantee of the indemnity.

"The delay in the presentation of the joint note is due to postponements by the home governments. This increases the difficulties of the situation and aggravates the dislocation of trade and finance, especially the collection of inland revenues. At the lowest estimate the indemnity is computed at £60,000,000."

Good Roads Appropriation Urged.
WASHINGTON. Nov. 27.—Mr. W.
H. Moore and 15 other members of a committee appointed at the recent good roads congress yesterday called on Secretary Wilson of the agricultural department and urged that he recommend an appropriation of \$150,000 for the roads inquiry bureau of his department. The purpose of the appropriation is the construction of sample roads, experiments and the diffusion of information on the subject of roadmaking and kindred matters. The secretary promised to second the efforts of the roads congress and to recommend the appropriation asked. To day the committee called on President McKinley.

Little Hope For Senator Davis, ST. PAUL, Nov. 27.—It now seems ST. PAUL. Nov. 27.—It now seems to be simply a question of hours until United States Senator Cushman K. Davis passes away, the reports from his bedside being that his strength is slowly ebbing away. His physicians do not anticipate dissolution immediately, but practically admit that so far as human agency is able to know death is certain. The family have all along been buoyed up with a faint hope that the statesman might have greater reserve strength and be able to baffle the disease, but they seem to have at last abandoned even this faint hope and are anxiously awaiting the end.

The Business of Getting Orientals Into This Country From British
Territory Believed to Have Received a Deathblow.

PLATTSBURG, N. Y., Nov. 27.—The business of smuggling Chinamen across the border from Canada into this state is believed to have received its deathblow. Late Saturday night two Chinamen were seen as they were being drawn through this village in a covered two seater drawn by two horses. They were traced to Late Saturday night two Chinamen were seen as they were being drawn through this village in a covered two seater drawn by two horses. They were traced to Keeseville, N. Y., to which point they had been driven from Hemmingford, a distance of 45 miles, and there located in a Chinese laundry. They were arrested and brought to Plattsburg yesterday, where they were given a hearing before United States Commissioner Woodward. They gave their names as Foong Lung, aged 23, and Ham Chin Gee, aged 24, and they both stated through an interpreter that they were from the province of Kwangtung. They were committed to jail here and will be given their examination this afternoon.

The man who drove them from Hemmingford to Keeseville escaped, but the customs officials think they know who he is. Sunday night about 11 o'clock four more Chinamen were captured at Malone by Chinese Inspector Ketcham and Deputy Marshal Roby and Policemen Whipple and Lahey in a raid on a Chinese restaurant which has recently been opened in Malone by Frank C. Parks, a Chinaman who came there a few days ago from St. Albans, Vt.

These four Chinamen were driven from Athelstan, Que., to Malone, N. Y., in a sleigh covered with robes and delivered to the Parks restaurant. Parks was also arrested. He is believed to be in league with certain persons in New York. The driver of the team escaped. Parks, and possibly the four Chinamen arrested with him, will be brought to Plattsburg, as the Malone jail is full and running over with Chinamen, there being no less than 97 there. There are six or eight in jail here awaiting trial.

Sugar Boom In Colorado.

SUGAR CITY, Colo., Nov. 27,—The immense new sugar refinery, costing with appurtenances and reservoirs \$1,000,000, started yesterday, and the occasion was celebrated by a harvest festival. Sugar City is only seven months old, with over 1,800 people. The sugar beet lands surrounding are irrigated by the use of water stored in Twin lakes, 200 miles distant. Twelve thousand acres are being leased for the beet crop.

To Found a Model Town.
PHILADELPHIA, Nov. 22.—A project has been put on foot here which, it is hoped by its promoters, will result in the founding of a great model industrial town sur this city. The scheme was made public last night at a dinner given by Joseph J. Byers, formerly of New York, but now a financier of this city. Among those present were many men prominent in financial and industrial circles of this city and New York.
