The Governor Still Has a Number  
of Bills Under Consideration.

REVIEWING APPROPRIATIONS.  
With a Thoughtful Review of the  
Work of the Last Legislature, the  
People Find that Many Meritorious  
Measures were Passed.

Harrisburg, July 9.—Notwithstand-  
ing the fact that the legislature has  
adjourned and the lawmakers have  
departed to their respective homes,  
Governor Stone is still busy passing  
upon legislation which was put  
through in the closing hours of the  
session. He is carefully going over  
the various appropriation bills and  
where he is in doubt as to the wisdom  
of allotting the amounts named in the  
bills by the legislature, he invariably  
starts a personal investigation and  
satisfies himself as to the facts in each  
case before he acts finally.  
There is no doubt that the legisla-  
ture, recognizing the healthy condi-  
tion of the state finances was liberal  
in treating with institutions, charita-  
ble and otherwise, which receive state  
aid, but it is possible that before the  
governor gets through with all the  
bills there will be some cutting down  
of the amounts named in the measures  
now under his consideration.  
FINANCES IN HEALTHY CONDI-  
TION.

State Treasurer Barnett's report out  
this week, showed a balance of \$8,  
356,850.62 in the state treasury, after  
the expenses of the legislature had  
been deducted. But with \$11,000,000  
given to the public schools in the gen-  
eral appropriation bill and another  
million to be provided for the same  
purpose within the next four years in  
addition to this regular appropriation,  
and the various other large drafts  
upon the state funds, it can readily be  
seen that there must be retrenchment  
somewhere, if the state's finances are  
to be continued in their present satis-  
factory condition.  
The people are beginning to appre-  
ciate the good work done by the Re-  
publican leaders in the legislature  
just closed and as the various features  
are from time to time brought to their  
attention, they will more fully realize  
the partisan and unjustifiable charac-  
ter of much of the criticism of the  
work of the last legislature.

A NOBLE CHARITY.  
Dr. Lawrence F. Flick, president of  
the Pennsylvania Society for the Pre-  
vention of Tuberculosis, has been in-  
specting the land for the proposed  
new hospital for consumptives on  
Green Mountain in Luzerne county.  
The legislature appropriated \$100,-  
000 for the hospital. The intention is  
to use a farm house as a nucleus, plac-  
ing beds therein and increasing the  
capacity by erecting tents. Then what  
is known as an administration build-  
ing will be erected, the spot selected  
lying on the first plateau to the south  
east of the farmhouse. In this build-  
ing will be the quarters of the physi-  
cians and the necessary laboratories.

CARING FOR CHILDREN.  
Practical experience has shown that  
in excellent act passed by the last ses-  
sion of the legislature is that estab-  
lishing a juvenile court for the dis-  
position of cases affecting delinquent,  
dependent and neglected children and  
this was supplemented in another act  
providing for the establishment of  
houses of detention in cities of the  
first and second class. The juvenile  
court law empowered the courts to  
continue hearings and to commit juve-  
nile culprits to the care of probation  
officers appointed by the courts, and  
also to place youthful delinquents in  
suitable homes subject to oversight by  
the probation officers. The courts, in  
their discretion, may commit delin-  
quent children to a training or indus-  
trial school, or to any accredited in-  
stitution having charge of the refor-  
mation of children. The law also  
provides that no child under 14 years  
of age shall be committed to a jail or  
police station, where it would be sub-  
ject to the demoralizing influences  
arising from association with adult  
hardened criminals.

AGAINST DIVORCES AT WHOLE-  
SALE.  
Governor Stone has vetoed the bill  
to permit libelants in divorce proceed-  
ings to testify as witnesses in all mat-  
ter material in the issue where there  
has been no personal service upon the  
respondent.

In vetoing the bill, Governor Stone  
wrote: "This bill would, in my judg-  
ment, open a wide door in the obtain-  
ing of divorces. Our laws are too lib-  
eral now in the granting of divorces,  
and I would restrict rather than en-  
large them. If this bill should become  
a law it would be as easy to obtain a

divorce in Pennsylvania as it is in any  
other state, and much easier than in  
some other states; it would also be  
possible to obtain a divorce without  
the knowledge of the other party at  
all. I have always believed the mar-  
riage contract to be sacred, and I can-  
not co-operate in the passage of a law  
which makes it so easy to annul it."  
A PHILADELPHIA REFORM.  
A reform measure passed by the  
last legislature became operative on  
the 1st inst. in the abolition of the  
obnoxious Public Building Commis-  
sion in Philadelphia. This iniquitous  
institution had for years been con-  
fronting the taxpayers of the Quaker  
City with enormous expense accounts  
in their work of constructing the City  
Hall.

## Neuralgia.

### The Prayer of a Nerve for More Blood.

Neuralgia may attack any part of the body  
most frequently occurs where the nerves  
are most abundant.  
In the head,  
In the face.  
Sometimes the heart nerves seem to twist  
Twining rheumatic pains of the extremi-  
ties  
Sharp and intense at times  
In the intervals dull and heavy.  
Neuralgia is the result of impoverished  
blood caused by impairment of the nerves—  
a lack of nerve force.  
It is a disease of the nerve centers, and  
the pains accompanying it are a prayer for  
better nourishment. They are the danger  
signals which warn you against a total col-  
apse of the nervous system.  
Liniments and all external applications  
can only give temporary relief. Permanent  
cure cannot possibly come until the nerve  
centers are thoroughly revitalized and rein-  
vigorated by Dr. A. W. Chase's Nerve Pills.  
The beneficial effects of this great nerve re-  
storative are felt thrilling through the nerve  
fibres as week by week and month by month  
the nerve force of the body is restored.  
Women afflicted with diseases peculiar to  
their sex are frequently great sufferers from  
neuralgia. Dr. Chase's Nerve Pills positively  
cure both these disorders by filling the  
nervous system with new vigor and life, 50  
cents a box at all dealers, or Dr. A. W. Chase  
Medicine Co., Buffalo, N. Y. The genuine  
has portrait and signature of Dr. A. W.  
Chase on each package.

## Short Talks On Advertising By Charles Austin Bates.

No. 12.

A great many merchants cut down their advertising in the Summer.  
Some even stop it altogether.

In everyday life, when a thing is hard to do, it only calls forth  
greater effort. If the laborer can't move the stone, he gets a crowbar  
and a block of wood. He makes a lever—and the stone moves. If the  
crowbar isn't long enough he gets something longer. He doesn't give up—  
because the stone has got to be moved.

Same way in business. Trade is a stone. The funny thing is that  
the lighter it gets the harder it is to move. It can be moved, though.  
You may have to have the lever lengthened. Certainly you ought not  
to shorten it. The best busi-  
ness lever is advertising—  
newspaper advertising is the  
longest lever and the quick-  
est to move trade.

Dull times are the times  
to put forth the greatest  
effort and the most money. People don't usually ask for what they have  
already. Advertising is merely asking for trade. When the store is full  
every day, cut down your space. When trade is slack increase your  
space. Don't expect that you will get a big trade in dull times, but  
keep count and you will find that the advertising is profitable. Profitable  
right at the time and enormously profitable after awhile. The very fact  
that only a few merchants are wise enough to advertise in dull seasons  
makes it all the more profitable for those who do. You are there when  
others are not. It gives you greater prominence. It will make your  
advertising in busy times much more effective.

Common sense has a great deal to do with advertising. Think  
about it from a common-sense standpoint. It may take some "nerve"  
to pay out money for newspaper space when the business isn't paying  
expenses, but it will pay.

More than half the business houses in the  
country would be ahead if they could shut up  
for three months in the Summer. But they  
don't do it.

Why?  
Simply because they can't afford to. Peo-  
ple would forget them.

Same way in advertising.  
Think about it.

"The best business lever is advertising."

"You are there when others are not."
