SIGNOR CRISPI DEAD

Italy's Former Premier Succumbs
After Long Illness.

A SHORT SKETCH OF HIS CAREER

Family Was Fifty Hours At His Bed-
side Before the End Came—His Af-
fairs Reported In Great Confusion.

Funeral Arranged Before His Death.

Naples, Aug. 12.—Signor Crispi died
at 7.46 o'clock last night.

He was surrounded by the members
of his family and several intimate
friends. The news was immediately
telegraphed to King Victor Emmanuel
and Queen Helena.

The evening papers assert that the
body will be conveyed by steamer to
Palermo, where the municipality will
arrange for a great public funeral. It
is rumored that Signor Crispi's will
authorizes a prominent Italian politi-
cian to examine his papers and to pub-
lish his memoirs.

Some indignation was expressed
when the public learned that the de-
tails of the funeral had been arranged
before death came. It is rumored that
the affairs of the deceased are in the
greatest confusion, and that Signora

LATE SIGNOR CRISPI.

Crispi will have to depend solely on
the proceeds of the sale of the memo-
irs. The body will be embalmed, and
will lie in state for three days in the
drawing room of the Villa Sina, in
Naples, the walls of which are deco-
rated with frescoes representing the
principal episodes of the Garibaldi
epoch.

A great state funeral will be held in
Naples before the body is removed to
Palermo. King Victor Emmanuel will
be represented at the obsequies.

His wife and daughter did not leave
the bedside for 50 hours and their
friends were compelled to use loving
violence to induce them to quit the
chamber. When all was over Princess
Linguaglossa fainted and had to be
carried out by her husband.

Francesco Crispi, of whom it was
said that he was the most hated man
in Italy until a crisis arose in the
government, when he was called its
saviour, was 82 years old. It has been
given to few men to play as many
parts on the stage of life.

Crispi, a Sicilian, was in his early
days first a revolutionist and after-
wards a Republican and later in life
a staunch Monarchist. He was also
an exile, living in a garret, a soldier,
an author, the best lawyer in Italy and
primeminister. He was graduated in
law at the University of Palermo, and
in 1846 he settled in Naples. Later
he dropped everything, and with his
heart and soul threw himself into the
cause of Garibaldi. He came out of
the campaigns a major, and was soon
afterward returned to the chamber of
deputies.

In his subsequent career there have
been many and conflicting opinions,
the majority unfavorable to the man,
but all agree that Italy benefited by
his rule as premier.

LONGFELLOW'S POETRY TRIVIAL

Says Professor Triggs, Who Compared
Rockefeller With Shakespeare.

Chicago, Aug. 9.—Oscar L. Triggs,
the University of Chicago professor,
who compares Rockefeller with Shake-
peare, and characterizes church hymns
as doggerel, told his class in English
literature yesterday that the poetry of
Longfellow is trivial and unworthy of
consideration. Professor Triggs made
similar expressions with reference to
the poetry of Oliver Wendell Holmes.

Mother Tried To Kill Her Children.

Cleveland, Aug. 12.—Mrs. Robert
Pringle, while temporarily insane from
illness, yesterday fired three shots in-
to the body of her 13-year-old daugh-
ter Mildred, then fired a single bullet
into her own abdomen, and without
knowing that the weapon was empty,
aimed it at her 11-year-old son Barton
and pulled the trigger. The boy grap-
pled with his mother and took the
weapon from her, after which she fell
to the floor unconscious and died at 8
o'clock last night. Mildred will prob-
ably recover.

A LIVELY CONVENTION

Will Be That of the Pennsylvania Dem-
ocrats Next Thursday.

Harrisburg, Aug. 12.—The Demo-
cratic state convention will meet in
the Harrisburg opera house on Thurs-
day to nominate candidates for state
treasurer and supreme court judge.
The indications are that the conven-
tion will be one of the most exciting
in the party's history by reason of the
contesting delegations from Philadel-
phia. A complete set of delegates has
been certified by the city committee
of which ex-Governor Robert E. Patti-
son is chairman. The rival city com-
mittee headed by Magistrate William
Eisenbrown has also certified a full
list of delegates.

This contest and the threat of cer-
tain delegates to demand the expul-
sion from the party of those Demo-
crats in the last legislature who de-
clined to vote with the anti-Quay Re-
publicans in the organization of the
house of representatives promises a
large attendance at the convention.
The state Democratic executive com-
mittee will meet at headquarters on
Wednesday to select a chairman and
other temporary officers and complete
the preliminary work of the gathering.
The indications are that Judge Her-
man Yerkes, of Doylestown, will be
the nominee for supreme court judge,
and Captain William Hasson, of Oil
City, for state treasurer.

CHICAGO SALOON WRECKED.

Proprietor Says Explosion Was An
Act of Revenge.

Chicago, Aug. 12.—An unknown man
was killed two persons were probably
fatally injured and the lives of a score
or more of men and women were im-
periled by an explosion in a "levee"
saloon last night which has every
appearance of having been caused in
an attempt to destroy the place with
dynamite. Little, the proprietor, be-
lieves that the explosion was an act
of revenge. Last week his saloon was
frequented by a policeman detailed to
watch a place across the street, which
was raided later in the week, 19 negro
crap shooters being arrested.

Duties Killing Cuban Cigar Trade.

Havana, Aug. 12.—The Cigar Mak-
ers' Union yesterday published a
statement regarding the conditions of
the cigar and tobacco trade between
Cuba and the United States. This
statement asserts that the union does
not desire to injure American cigar
makers, but that the present duties
are killing the Cuban cigar and to-
bacco trade. With reference to the
duties on wrappers and fillings, the
statement asks for a reduction of 50
per cent.

Union Printers In Annual Conclave.

Birmingham, Ala., Aug. 12.—The
47th annual convention of the Inter-
national Typographical Union will be-
gin its session in this city to-day. De-
legates have arrived from all parts of
the United States and Canada. The
most important matters under discus-
sion are the eight-hour law and de-
creasing the numbers of districts in
which organizers shall work.

Dollar Dinner To Honor Henry George

New York, Aug. 12.—The work-
men's committee of 100 held a meet-
ing last night and decided to hold a
dollar dinner on September 7 at Ul-
mer Park, Bensonhurst, Brooklyn, in
honor of Henry George. Secretary
Van Vleck read a letter from former
Governor Altgeld, of Illinois, in which
Mr. Altgeld promised to attend the
dinner and deliver an address.

America Getting Ireland's Finest.

Chicago, Aug. 12.—"Ireland's great-
est drain is emigration and America
is getting the finest of our race," de-
clared Michael Davitt, the Irish leader,
who arrived in Chicago yesterday.
Referring to the Boer war, he asserted
that England's attempt to wipe out the
two South African Republics is the
crime of the century.

Wants Kansas Girl Removed.

Fort Sill, O. T., Aug. 12.—J. R.
Woods, the prize winner in the land
lottery, who claimed a strip along the
Lawton town site, to the injury of Miss
Mattie Beals, the Kansas telephone
girl, has appealed to former Governor
Richards, who conducted the opera-
tion, to have government troops put
the trespassers off his homestead.

Rejoicing Over Plant's Rebuilding.

Wichita, Kan., Aug. 12.—The direc-
tors of the Dold Packing company, in
session in Buffalo, have decided to re-
build their Wichita plant, recently de-
stroyed by fire. When the news was
announced here whistles were blown
and bells were rung. The plant was
destroyed over two months ago, en-
tailing a loss of about \$750,000.

Mint Clerk Under \$37,000 Bonds.

San Francisco, Aug. 12.—The bonds
of Walter N. Dimmick, former chief
clerk of the United States mint, who
is under arrest charged with embez-
zling \$30,000, have been placed at \$37,-
000. Dimmick is in custody of the
Secret Service officers. He will not be
formally arraigned until this after-
noon.

TRUST CLAIMS VICTORY

Claim Based On Western Men's
Refusal To Obey Shaffer.

STRIKERS RELY ON FEDERATION

Secretary Williams Places Blame For
the Big Fight On Trust Officials For
Refusing To Arbitrate—Then Makes
Wild Predictions.

Pittsburg, Aug. 12.—The iron mas-
ters are today claiming victory in the
great steel strike. They base their
claim upon the refusal of the Amal-
gamated men at South Chicago, Joliet
and Bay View to obey the general
strike order of President Shaffer, and
their success in maintaining opera-
tions in other plants where it was an-
ticipated that there would be serious
trouble. The strike leaders, however,
aver that developments today and
throughout the week will materially
change the situation. They would not
say, however, what they had in mind
or how their cause was to gain in
strength. It was said that they were
counting upon strong aid from the
American Federation of Labor and
other organizations of union labor, but
those bodies have not yet given any
public indication of what they will do.
The Amalgamated Association has de-
veloped great strength in the Wheel-
ing district and has made gains in
some of the Pennsylvania districts.

Yesterday's reports showed that
South Chicago, Joliet and Bay View,
at Milwaukee, had voted to stay in;
that the Ohio works of the National
Steel company, at Youngstown, and
the King, Gilbert & Warner plant of
the National Steel company, at Colum-
bus, had resumed without trouble;
that the Homestead, Edgar Thompson,
Duquesne, Upper and Lower Union
and Howard Axle Works of the Car-
negie group, employing more than 15,-
000 men, had resumed without trou-
ble; that the converting and blooming
mills of the National Tube company at
McKeesport had started without dif-
ficulty, and that Bellaire had been only
partially crippled. It was likewise
shown that the men of the Boston Roll-
ing Mills, at McKeesport, had notified
the National Tube company that they
would go out today, and that while the
National tube plant at McKeesport
would be started in the morning it
was certain that many men would go
out. In addition it was said that the
Wheeling plants were crippled, and
that it was uncertain what would be
done there. Advice, also stated that
the Clark mill here, which has been
running non-union for several
months, would be started up as usual this
morning, and that there was no doubt
about its successful operation. The
steel officials were elated over their
showing at the Carnegie plants and in
Illinois, Ohio and Wisconsin, and ex-
pressed confidence in speedy victory
over the Amalgamated Association.

Reports received at strikers' head-
quarters this morning were that the
Mingo Junction men had all quit work.
This news was hailed with satisfac-
tion.

Secretary Williams gave out an in-
terview last night in which he placed
the blame for the strike upon the re-
fusal of the United States Steel Cor-
poration to arbitrate, and declared
that before the strike was over thou-
sands of men in other trades would be
drawn into it to save the Amalgamated
Association and the principles for
which it stands. He said also:

"I tell you, this question will have
to be settled in some way. If not by
peaceful strike, then by legislation. If
that fails, the ballot will be tried. If
all else fails, I believe that it will
result in an appeal to the bayonet. I
tell you there is a condition existing
today that places this country on the
eve of one of the greatest revolutions
that ever could occur in the history of
the world."
