came up that day for trial, and with others imbided freely at the bars. He was a single man aged past 26 years. The jurymen selected were J. W.

Flynn, A. E. Tripp, W. B. Ritter, T. J. Keeler, R. A. Conklin and F. M. Crossley. After the post mort m was held they adjourned to meet at the Sheriff's office at 7 o'clock p. in., where after due deliberation they passed upon a verdict of "drowned by accident." It is believed that while on the boat landing in a state of intoxication he accidently fell in. The Mokoma station which was re-

cently removed, stood but a short distance from the boat landing and probably got confused in looking for the station where he intended to lodge.

His brother arrived late Tuesday night and had the remains sent to Bernice.
