Resolutions. Since in the dispensation of Providence we have been bereft of a faithful fellow laborer by the death of brother R. W. Wright, we would record our appreciation of the worth and helpfulness of his true Christian character; our gratitude to God for what He enabled our brother to do and be in his work of loving sacrifice and for His consoling grace in the time of affliction.

We extend to the sorrowing relatives and friends our sincere sympathy, praying God to continue to strengthen their faith and uphold and comfort them by His grace.

Forksville, Pa., Sept. 9, 1901. MR. EDITOR:

As many wild rumors have been circulated regarding smallpox at Forksville, we beg to state for the information of the public that only one case that of Edward Schambacher has occurred (who has been pronounced cured by the attending physician); that the house where it occurred has been strictly quarantined as well as all persons who have been exposed to infection. As now after fourteen days has elapsed since the first appearance of the disease no new cases has developed, we consider all danger of spreading the infection as passed. And we insure all persons wishing to visit Forksville that they can do so with entire safety as far as contracting smallpox is concerned.
