Miss Ina Osler spent Sunday in Dushore.

Miss Mable Spencer returned home Monday from Williamsport, where she had been attending Potts Shorthand College.

Mrs. William Montgomery, who lives near Laporte, had the misfortune to sever the end of one of her little fingers, Wednesday morning while in the act of closing a large pocket knife belonging to her husband.

Saturday last, at Benton, fire consumed the coal dock owned by H. F. Everett, entailing a loss of \$1,500 to that gentleman. How the fire started is not known, but it is supposed to be of incendiary origin.

General Funston, who was recently operated upon in the Philippines for appendicitis, will soon be given leave of absence and return to the United States to recuperate. According to advices, the general is recovering rapidly.

Carrie Nation, the Kansas smasher, will pay Williamsport a visit, says the Sun. Whether she has heard of any Williamsport "joints" that she thinks should be taken care of, or whether her mission is one of peace, has not yet developed. But one thing is certain—she will be there some time next week. If there are any holes-in-the-wall there they had better keep a sharp look out for Carrie and her hatchet; for the smasher has the reputation of dropping in on such places without warning, or waiting for the formality of an introduction.

Mr. A. F. Hess of Washington, D. C., is visiting his parents at this place.

Emerson Bagley is working for John Webster.

Miss Minnie Bedford has recovered from her serious illness.

Geo. McCarty is engaged in lumbering at Minersville, at present.

Mr. Delbert Brown of Coon Hill, has succeeded in trapping two bears this season.

Miss Louise Brackman has returned to the Indian school at Tunasassa, for the winter.

The young people of Platt, gave a surprise party for Miss Clara Brown Tuesday night last.

Scott Weiland has gone to his home in Center county, to vote.

Miss Maud Laird spent Saturday and Sunday at Sonestown.

Miss Alma Horn and brother Elery Horn spent Sunday at Sonestown.

The hard-time social given last week by the Christian Endeavor society, was enjoyed by all who attended.

Mr. W. G. Lucas, foreman for the Suttan Peck Chemical Co., had his arm badly injured last Saturday.

Mr. Chas. Lauer was doing business at this place, Monday.

A special sermon will be preached by Rev. E. B. Dunn, in the church at this place, next Sunday.

Seth Low Defeats Tammany.

Tammany has been defeated in New York, and for the next two years that city will be under a Republican administration, with Seth Low at the head. The exact figures by which Boss Crocker and his organization are to be measured are not obtainable. But even the Tammany leaders admit Low's election by a plurality of 30,000. It is probable that the official count will show Shepard's defeat by a much larger majority.

Democracy's Foot is Firmly Planted on One Man Rule.

The Vote as Shown by the Return Sheets.

Table showing election results by district, listing candidates and their respective vote counts.

The Democratic party in this county has shown that it will not consent to be used as a tool by one man. The vote shows that the party is tired of Scouter and Walsh; as he run decidedly behind his party vote in every democratic district. Walsh made surprisingly large gains in Fox and Elkland, but these two townships are alone in Walsh's big gains.

Nelson Cox made a good showing and he has reason to feel proud of his endorsement in his home districts. His vote in Bernice shows that Sullivan county would have made no mistake in electing him.

James Deininger's vote was an endorsement of him where best known, and against almost any candidate except Thos. E. Kennedy, would have been elected. Mr. Kennedy has a strong personal following which could not be overcome, and he owes nothing to the boss for his election.

State Gives a Big Republican Majority.

AS LARGE AS TWO YEARS AGO Republicans Sweep the City of Philadelphia.

Republican counties show majorities about as large as two years ago, when Barnett had 110,000 plurality. Nearly every Democratic county shows a loss. Fusion proved a very disastrous experiment. The estimate so far received, with computations on others based on the last State election, indicate a majority for the Republican ticket of about 100,000.

Dr. E. J. Gray, president of Dickinson Seminary, announced last week that, by order of the board of directors, all fraternities at the school must be abolished. Dr. Grey denounced the fraternities detrimental to the advancement of the pupils in literary knowledge. "The sole object," he said, is for feasting. It is sometimes the case that a member desires to obtain an official position within the gift of the Seminary. Then the fraternities are used for electioneering purposes, and the members usually take more interest in that kind of work than study, which results in much harm.

Last Sabbath was a victorious day in the M. E. Church for the aged people. By previous announcement Rev. Bidlack invited the public and especially the old folks of our community to attend a special program which he spared no time to prepare for their benefit.

The church edifice was gorgeously decorated and festooned with evergreens, flowers, ferns and many kinds of vegetables. The rocking chairs for the aged people, and the pumpkins, squashes, apples and corn gave to the room a puritan appearance that resembled a home of our early fathers when log cabin were considered mansions. And fruits were prepared for the long winters by drying them on strings and racks. The most impressive adornment was a beautiful cross trimmed in deep green runningvine, and hung above the pulpit. The old fashioned "Love feast" was administered by the pastor in the morning at 9:30 lasting an hour.

The choir sang two beautiful selections prepared for the occasion, and old familiar hymns were sung with feeling. Rev. E. G. King of Williamsport, preached a strong

sermon on "The Holy Bible our safe guide." And administered the Holy Communion. The attendance was large.

Virginia Forest Fires.

Roanoke, Va., Nov. 1.—Forest fires are now raging along the slope of the mountains in Tazewell county between Graham and Flat Top Yards, and owing to the fast falling leaves and the absence of rain for several weeks the flames are fed by ample fuel to cause great alarm. The entire mountain is a sheet of flame, and a vast amount of fine timber and fences have been burned up or ruined.
