Admiral Caillard Will Re-Embark Ma-
rines at Mitylene and Return to
Greek Waters—Diplomatic Rela-
tions Resumed.

Paris, Nov. 11.—The French foreign
office has announced that the Sultan
has signed an irade for the execution
of his engagements with the French
government, and that the Franco-
Turkish dispute is now at an end.

Tewfik Pasha, Ottoman minister of
foreign affairs, wrote a letter to M.
Bapst, councillor of the French em-
bassy in Constantinople, notifying him
of the signing of the irade, which, while
settling the original French demands,
accepts the fresh demands as set forth
in a dispatch from Constantinople on
Friday, together with an additional
clause by which the Sultan pledges
himself to consider as authorized in
full right the foundations, extensions,
construction and repairs of the schools
and religious establishments which
France may desire to carry out if the
Porte is advised of her intentions, and
makes no objection within five months.

France has thus received full satisfac-
tion, and M. Delcasse, on the receipt
of M. Babst's dispatch yesterday
morning telegraphed him to inform
Tewfik Pasha that diplomatic relations
had been resumed, and that M. Bapst
should consider himself as regularly
charged with the affairs of the em-
bassy.

Instructions were also sent to Ad-
miral Caillard at Mitylene to re-em-
bark the marines and to return to
Greek waters, which is understood to
mean the vicinity of the island of
Syra. Admiral Caillard will remain
in the Levant some time longer.

M. Constans, the French ambassador,
will return to Constantinople very
shortly. The additional clause was
conceded at the request of France in
order to prevent future difficulties,
such as Turkish provincial authori-
ties have often raised, either on their
own initiative or in consequence of in-
sigation by the Porte.

MINERS' STRIKE AVERTED

The Temple Iron Company Reinstated
Black-Listed Men.

Scranton, Pa., Nov. 11.—The com-
munity is greatly relieved by the ac-
tion of the Temple iron company in
reinstating the alleged black-listed
men and thereby averting a strike of
its 5,000 employes. What prompted
the company to change its position
cannot be ascertained, as none of the
officials will discuss the matter. Presi-
dent Nicholls, of the Mine Workers,
expressed the opinion yesterday that
the Temple company made the conces-
sion at the instance of the other
big companies, who feared the possi-
bility of a general strike being precipi-
tated.

To Make Farmers of Indians.

Washington, Nov. 11.—Governor
Murphy, of Arizona, advocates the
sale and settlement of the large In-
dian reservations within the territory,
with the possible exception of the
Navajo reservation in northwestern
Arizona, and the government con-
struction of reservoirs for water stor-
age for irrigation in suitable localities,
with canals leading to lands allotted
to the Indians. The governor says the
latter action, in which Indian labor
could be largely utilized, would help
to make farmers of the Indians, and
that further maintenance of the tribal
relations as now conducted and the
retention of reservation agencies
around which the Indians cluster and
live in idleness on government rations
most seriously retard the civilization
of the Indians.

New Jersey Congress of Mothers.

Trenton, N. J., Nov. 11.—The first
annual meeting of the New Jersey
Congress of Mothers closed here on
Saturday. The session was held in
the auditorium of the State School.
Resolutions were adopted favoring the
establishment of local mothers' clubs
and agitating the establishment of
juvenile courts for the separate trials
of children. These officers were
elected: President, Edwin V. Grice,
Riverton; vice presidents, Mrs. E. M.
Thatcher, Florence, and Mrs. Harry
Lambert, Salem; recording secretary,
Mrs. Harris G. Phillips, Plainfield;
corresponding secretary, Mrs. Alex-
ander Marcy, Riverton; treasurer,
Mrs. A. O. Dayton, Camden; auditor,
Mrs. Lida Griscow, Woodbury.

Dying of Hiccoughs.

Mt. Holly, N. J., Nov. 11.—Adam
Gibson, aged 75 years, residing at
Bucto, a colored settlement near Mt.
Holly, is dying from hiccoughs, with
which he has been afflicted for several
days. Mr. Gibson is a local Methodist
preacher. Three years ago he lost
his wife, who was burned by a fire
which started in his home.

Forest Fire Near York.

York, Pa., Nov. 11.—A big forest fire
is raging along the river hills of York
county, near Accomac. The flames
broke out on Friday night from some
unknown cause, and as everything is
dry as tinder they soon were beyond
control, and spread rapidly along the
high hills and the ravines.

Deafness Cannot be Cured
By local applications, as they cannot reach the
diseased portion of the ear. There is only one
way to cure deafness, and that is by constitu-
tional remedies. Deafness is caused by an in-
flamed condition of the mucous lining of the
Eustachian Tube. When this tube gets inflamed
you have a running sound or imperfect hear-
ing, and when it is entirely closed Deafness is
the result, and unless the inflammation can be
taken out and this tube restored to its normal
condition, hearing will be destroyed forever;
nine cases out of ten are caused by catarrh,
which is nothing but an inflamed condition of
the mucous surfaces.

We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that can-
not be cured by Hall's Catarrh Cure. Send for
circulars, free.
