In loving memory of Mrs. Fred Shaffer, who departed this life Sept. 22nd, 1901.

Whereas, through the providence of God, our dear sister and co-worker in the Sabbath School, Ida Shaffer, has been removed from our midst. We no more hear cheerful words from her lips, nor her voice ring in music. We share with deep sorrow the grief that has come to her husband and friends:

Therefore be it resolved, that a copy of these resolutions be sent to the bereaved husband; also to the county papers.

A Boer Demonstration.

London, Nov. 18.—An extraordinary demonstration of pro-Boerism is reported by a Brussels newspaper. It seems that a Dutch fishing boat belonging to Yumidon, of Wylinger Lightship, in the North sea, pretended to be in distress and approached a British smack. Thirteen fishermen from the Dutch boat boarded the British craft and attacked the crew of the latter, shouting "Long live the Boers."

Several of the Britishers were wounded. It is alleged that before making the attack the Dutchmen locked their captain in his cabin. The British smack succeeded in escaping and arrived at Ostend, where the captain lodged a complaint with the British consul.

Train Wrecked By Dynamite.

York, Pa., Nov. 16.—The Pittsburg and Northern express, which passed through this city about 11 o'clock last night, was wrecked by dynamite a few miles north of the city. The train consisted of four Pullmans, one day coach and an express car and was badly torn up as to the engine and the trucks of the front coaches. The engineer, Mr. Thurmer, of Baltimore, received a severe nervous shock and many of the passengers were also shocked, but there were no fatalities.

Creditors Got Two Cents.

York, Pa., Nov. 18.—When the creditors of W. L. Brown were paid their share, after the assignee's proceedings were completed, they were surprised and mortified to find that there remained but \$36.53 to distribute among the twenty or more thousand dollars' worth of claims, judgments as well as all others. In consequence six creditors received checks for two cents each, and others three and four cents and upwards.

Hazleton Wants Chinese Excluded.

Hazleton, Pa., Nov. 16.—The city of Hazleton is the first municipality in the country to officially request the re-enactment of the Chinese exclusion law. Councils last night adopted a joint resolution asking Congress-elect H. W. Palmer, of the Twelfth (Luzerne county) district to work and vote for any act at the next session of congress designed to keep the Chinese out of the United States.

RUHLIN IS A QUITTER.

Wilted in Fifth Round to Surprise of Spectators.

San Francisco, Nov. 16.—In one of the most unsatisfactory prize fights ever witnessed in this country, James J. Jeffries proved the victor last night over Gus Ruhlin, the Akron giant.

In the fifth round of what was to have been a 20-round struggle Ruhlin wilted and then surrendered to his peer, to the utter amazement and disgust of the assembled thousands. No one was more surprised at the outcome than Jeffries himself, who asserted that while he had delivered one telling blow in the second round, he did not expect to win the victory so easily.

Ruhlin's sole explanation of the outcome of the fight is that he received a chance blow which utterly disabled him, and that Jeffries persisted in fighting him low.

The spectators rose as one man and cheered the champion, while they denounced Ruhlin as a quitter and fakir. The police tumbled into the ring, stopped two fights in which Corbett, the referee, and officers of the club were involved. The utmost excitement prevailed, during which Ruhlin made his way out of the ring.

While some expressions were heard in the throng after the fight, placing the stigma of a fake on the management, it was the consensus of opinion that Ruhlin fought a losing battle in order to obtain the short end of an enormous prize.

It is estimated that there was something over \$40,000 realized at the box office, and of this 62 1/2 per cent., divided in purses of 75 and 25 per cent., goes to the participants.

On behalf of Tom Sharkey, Tim McGrath challenged the winner of the contest.

Almost from the beginning of the fight Ruhlin appeared frightened. The fight was practically finished in the second round, when Jeffries landed a left hook on the jaw that took all the fight out of Ruhlin. Ruhlin claimed that a chance blow in the pit of the stomach rendered him unfit for fighting. His seconds complained bitterly, but Ruhlin insisted that he was the victim of an accident.

VESSEL WRECKED IN FOG

Captain and Crew Were Lashed to Rigging For 36 Hours.

St. Johns, N. F., Nov. 18.—The barkentine Titania, from Liverpool for St. Johns, was wrecked on Saturday in a dense fog near Cape Race. One man, Williams, lost his life in trying to reach the shore. The captain and the rest of the crew, all of whom were badly injured, had a terrible experience. They were on the wreck for 36 hours, lashed to the rigging, and were not rescued until yesterday afternoon.

So thick was the fog that the coast folk were not aware that a wreck had occurred. The crew being unable to make any signals that would attract attention. The fact that the Titania was in a cove between the cliffs made it impossible for the crew to land. The ship is a total wreck and the cargo is lost.
