

SURRENDER OF COLON

Gen. Alban Guaranteed Life and Liberty of All Men in Arms.

SURRENDER TERMS AGREED ON

Liberals Surrendered Colon to Captain Perry, of the Iowa, Who Turned Town Over to General Alban—Liberals Are Sad and Downcast.

Colon, Nov. 30.—The terms of the surrender of Colon, agreed upon at the conference held on board the United States gunboat Marietta, and at the commanding officers of the Marietta, of the British cruiser Tribune and of the French cruiser Suchet, Lieutenant Commander McCrea, of the Machias; Captain Perry, of the Iowa; Generals Alban and Heffreys, representing the government of Colombia, and Senor De La Rosa, who represented the Liberal party, were present, are briefly as follows:

Senor De La Rosa agreed to surrender the Liberal soldiers now at Colon, with their arms, to Captain Perry at noon yesterday, Captain Perry in his turn agreed to hand over these men and their arms later in the day to General Alban, who in his turn guaranteed life and liberty to all men recently in arms against the Conservative government of Colombia. The surrender of arms was to be bonafide in every respect.

At 11.30 yesterday morning a large number of marines and bluejackets from the Iowa, the Marietta and the Machias landed at Colon and proceeded to the barracks. Here the arms belonging to the Liberal soldiers were taken over by the Americans in the presence of Captain Perry, the commanders of the warships, the American, British and French consuls at Colon and a large concourse of people who sympathized with the Liberals in their surrender.

Later in the day General Alban, accompanied by officials of the Conservative government of Colombia, arrived here from Panama, and Senor De La Rosa, representing General Domingo Diaz, whose secretary he is, surrendered himself and the Liberal troops to the Conservative general in the presence of Captain Perry and the naval and consular officers.

Over 200 men entered the city with General Alban. De La Rosa, on handing Alban his sword, said: "I accept the conditions of the treaty to safeguard the lives and liberty of my soldiers in Colon. As for my brother and myself, we personally decline to accept the conditions of this treaty."

DENOUNCED KIDNAPPERS

Macedonian Committee Accused of Abducting Miss Ellen M. Stone.

Sofia, Dec. 2.—M. Mihailowsky, president of the Macedonian committee, recently made a speech at Varna, in Bulgaria, in which he denounced M. Saraf, former president of the committee, and the Macedonians as agitators, murderers and blackmailers. Among other crimes, he accused them of kidnapping Miss Ellen M. Stone, the American missionary. The Macedonians of Sofia held an indignation meeting here yesterday. Violent speeches were made denouncing M. Mihailowsky, and in which M. Saraf was eulogized as the hero of Macedonian youth. This incident is important, as demonstrating the schism in the Macedonian camp.

Reports received here from Buznitza announce increased vigilance on the part of the authorities and the police of that place. Bulgarian official circles are evidently much impressed by the menacing attitude of the United States government in the Stone affair. They declare, however, that they are unable to do any more in the matter than they have done already.

Fatally Wounded By Son.

Greenfield, Ind., Dec. 2.—Robert Glasscock, aged 70 years, a prominent farmer living near Greenfield, was shot and probably fatally wounded by his 17-year-old son. The boy was arrested and lodged in jail at this place. He claims that his father came home intoxicated and began abusing the family. After the father had struck him with a broomstick he fired at him, intending to frighten him off, as he had done on other occasions when his father had assaulted him. The bullet entered the father's right lung, and physicians have but slight hopes of his recovery.

The fire was fought vigorously by the orphanage fire department, assisted by two engines from this city.

TRAGEDY AT NORRISTOWN

Girl Shot By Sweetheart, Who Then Attempts Suicide.

Norristown, Pa., Dec. 2.—Standing on the side porch of her home, on De Kalb street, Florence Hampton, 18 years old, was shot and probably fatally wounded Saturday by her sweetheart, Leon Sisler. The latter attempted suicide by turning the weapon against himself. Both are in a critical condition at the Charity Hospital, and the physicians say that Miss Hampton's recovery is extremely doubtful. Sisler is under arrest. Isaiah Hampton, the wounded girl's father, was scarcely 2 feet away when the shooting occurred, but he saw nothing owing to the lattice work that screens the porch. He heard two shots in rapid succession, but thought they came from a party of duck hunters along the banks of the Schuylkill river. Aroused by his wife's screams, however, he stepped on the porch. His road was blocked by the half-conscious form of Sisler, who was bleeding from a wound in the head. In his hand was a small revolver. A short distance away, Hampton saw his daughter, lying face downward in a pool of blood. Standing in the doorway leading to the house was Mrs. Hampton, motionless as though frozen by the horror of the scene.

Sicken at the sight and almost fainting, yet retaining some presence of mind, Hampton ran to the street and hailed a passing trolley car. Thomas Jones, the conductor, telephoned to the Charity Hospital, while the distracted father went in search of a doctor. The ambulance arrived first, and Sisler and his sweetheart were hurried to the hospital.

When the young man regained consciousness at the hospital, he denied having done the shooting, and charged that a man named James Ramsey had committed the deed. The latter had been paying attention to the girl, and Sisler is said to have been extremely jealous of him. Ramsey denied the charge. He gave a satisfactory explanation to the police and showed to them rather clearly that he was not in town when the deed was committed. The parents of Miss Hampton express the positive opinion that Sisler shot their daughter. It is alleged that Sisler had threatened to commit suicide, and showed a pistol with which he would make way with himself.

F. A. WERMAN, OF BALTIMORE, SALES

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidently in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 750 S. Broadway, Baltimore, Md.

COLLISION OF FERRYBOATS

Vessel Carrying 150 to 200 Passengers Went to Bottom.

San Francisco, Cal., Dec. 2.—The ferryboats Sausalito and San Rafael collided Saturday night in a dense fog, and the San Rafael sank in between ten and fifteen minutes. The San Rafael carried between 150 and 200 passengers. The Sausalito was not seriously injured, and after rescuing all the passengers on the San Rafael that she could she proceeded to San Francisco under her own steam. The number of lives lost is a matter of conjecture and probably will never be accurately determined. So far as known only three persons are actually known to be missing. They are W. G. Crandall, George Treadway and the 3-year-old son of Mrs. Waller, of Ross Valley. The officers of the sunken vessel strongly maintain that nearly all were saved. About 20 people were injured. The only body recovered so far is one supposed to be that of Crandall. It was washed ashore.
