ly observed at the Baptist church
Sunday evening and attracted a
large congregation. Much pains
were taken with the tasteful deco-
rations, and the exercises were
pleasing and interesting.

Cott, returned on Tuesday from

As announced elsewhere in the
News Item the Summer School
will this year be held at Dushore.
For the past six years the annual
session has been held at Laporte
and as we know it to be an advan-
tage to the place where it is held
socially, intellectually and finan-
cially we must congratulate Dushore
upon having secured the school.
Of course we regret to see
the school leave Laporte and with-
out doubt had the school authori-
ties shown a more friendly attitude
it would still have been continued
here. For several years the teach-
ers were obliged to pay rent for the
few text books used and last year
the Board refused them the use of
the books entirely, even for a lib-
eral rental. The Forksville school
board, however, generously loaned
them their books, free of charge,
while the books here were placed
under lock and key. The teachers
in attendance were justly indignant
at such treatment and expressed
their feelings in a resolution at the
close of the school.

In striking contrast with this
policy the Dushore Board of Direc-
tors at its first meeting after organ-
ization this year extended a warm
invitation to County Supt. Black
and the teachers were offered the
free use of the building, books and
apparatus. Of course they were
accepted. Why not? We sincerely
hope, however, that next year
our Board will extend the hospital-
ity and courtesy of the town to the
school and that we may be privi-
leged to again welcome the teach-
ers in our town. As this is only
one of the many indignities thrust
upon the taxpayers here by non-
freeholding officials, we will pass
this small matter by without further
comment.

**John Bogart Killed by Falling
Limb While Decling Bark.**

Another name was added to the
already large list of those killed by
falling limbs in the bark woods,
when Thursday of last week John
Bogart while at work on the North
mountain was struck across the
back and shoulders by a large limb
which rendered him unconscious
from which he never fully recover-
ed and resulted in his death on
Monday.

leaves a wife and four small child-
ren to mourn his untimely demise.

DEATH OF MISS MAY HIGLEY.

Another visitation of the Death
Angel has caused to be removed
from our midst another beloved
and highly esteemed young lady of
Laporte, Miss May Higley, who ex-
pired Sunday night at the home of
her parents Mr. and Mrs. W. J.
Higley. The cause of death was
consumption from which she had
suffered for the past two years.
A few months ago she went to New
Orange, N. J., to reside with her
sister, Mrs. Wm. Finkle, and re-
ceive treatment from a New York
specialist. Having been advised
to return to the mountains she in
company with her sister arrived
home Friday of last week, and her
condition at once became very
grave and gradually grew worse
until she died.

Deceased was born in Wysox,
Bradford county, and at the time
of her death was 20 years, 11 mo.
and 15 days of age. She has been
a resident of Laporte for the past
nine years where she grew up in

Our Horrible Tariff.

Our tariff, in short, is the main factor in
preventing the great increase of manufac-
tures.—Baltimore Sun.

Exactly! What we need to set all
our manufactures at work is to return
to the splendid theory of the Wilson
tariff, when men dared not strike, but
hundreds of thousands would have
been glad to have obtained work at 50
cents per diem, while two millions
couldn't obtain employment at 40 cents
per day.

Opposed to Progress.

A paper called Southern Progress,
not having the fear of Ben Tillman be-
fore its eyes, has been started at
Charlotte, N. C. If the men behind
that paper really mean true progress,
they will incur the everlasting enmity
of Tillman, who will rage like a mad
bull until the audacious undertaking is
rendered nugatory.
