County Seat

Local and Personal Events
Tersely Told.

Mr and Mrs H. W. Osler of
Bernice, were visiting friends in
town Sunday.

Mrs. Mary Lawrence and chil-
dren of Lopez, were guests of Mrs.
A. J. Bradley last week.

The Ladies Aid of the M. E.
Church will hold its annual lawn
supper on Friday evening August
15. th.

Four hundred and fifty Excur-
sionists of Picture Rocks made
Lake Mokoma a visit on Thursday
of last week.

Messrs. A. E. Tripp and Wm.
Rogers have the contract for erect-
ing the new school house at Mur-
ray mines, near Lopez.

Owing to the unpleasant weather
the lawn party for the benefit of
Episcopal Church is postponed until
Thursday evening August 19, 1902.

Misses C. Eilenberger, and Alice
Betts of Towanda and Wm. Hawes
U. S. cadet were guests of Miss
Eliza Shaut last week.

James M. Strohl of Carbon
County has been elected to the prin-
cipalship of the LaPorte schools.
C. H. Warren who was first elected
did not accept the place proffered
him.

B. F. Crossley of the Dushore
bank was here Sunday to see his
mother. Young ladies will please
take notice, that Ben is a dutiful
boy to his mother; and no greater
praise can be given to him.

The creeks are all high, farmers
south of here say it is nearly im-
possible to get on to their fields
with mowing machines, and they
are already far behind with their
haying.

Saturday was Excursion day over
the W. & N. B. Eight hundred peo-
ple from along the line were taken
to Harveys Lake. And a large Ex-
cursion train from the L. V. was
taken to Eagles Mere.

Victor C. Hugo has left the
"Herald," Victor was a good man
and gave the Herald good service.
With his retirement the paper loses
99 per cent of its decency, some say
more. What Mr Carroll will do for
the paper remains to be seen.

We shall place dependence in
future on that weather prophet
who recently predicted that it
would rain every day for forty days
as the indications of the past week
or so were of a nature to verify his
predictions.

We are pleased to inform our
readers that another progressive and
up-to-date farmer of Western Sul-
livan has followed the suggestion
made by the News Item, that farm-
ers name their homes, as Mr. Geo.
Bown of Lincoln Falls informs us
that his farm has been named "The
Fairview Stock Farm," a very at-
tractive and appropriate name.

The W. & N. B. R. R. Co. had a
number men at work last week put-
ting in a new switch to the Bernice
Coal mine culm bank. Mr Alex
Bubb of Hughesville had charge of
the construction. It is said that a
further line of rails will be laid in
the near future and a better mode
of getting out the coal at the An-
thracite breaker near Lopez will be
effected.

S. W. Stephens left here Sunday
for Proctor to join the German
Medicine Show. No doubt but
"Shorty" will be a valuable ad-
junct to the show's entertaining
features. His recent ballad on the
"Striking Miners" will be used
with good effect without a doubt.

John J. Webster met with a
very painful accident last Friday
while driving down the steep hill
between the first and second ward.
A portion of the harness broke
which frightened the horse and be-
fore he could get the animal under
control, was thrown from the wag-
on and badly injured about the
head and shoulders. The horse
ran to the tannery where it was
caught with no damage to itself.
Mr. Webster has been under the
doctor's care since the accident
occured.

Since Victor Hugo's retirement
from the Herald, there has been
much speculation as to the cause.
We were informed from a reliable
source that Victor had too much
respect for himself to continue in
doing Scouten's dirty work and
being conscions of a hereafter, him-
self, could no longer tolerate the
methods of his partner. Others
say that the Herald's earnings were
too meager to maintain life. Of
the latter we can speak with some
assurance of its correctness. The
reason of it is plain. In order to
draw patronage from its competi-
tors it took job work and advertis-
ing at a ridentiously low rate. The
auditors of LaPorte Twp. must
admit having had such privileges
with the Herald, and there are hun-
dreds of others. But then every one
will get what they deserve, in this
earthly sphere or in the spiritual
one. Don't worry.

Marriage Licnsc Granted.

Mr. John L. Stevens and Miss Ida
Molyneux, both of Elkland Twp.

Mr. and Mrs. Russel Karns of
Benton, visited Laporte friends
Saturday and Sunday.

The second Quarterly Confer-
ence of the M. E. Church will be
held at Cherry Grove next Friday
evening at 8 P. M. Presiding Elder
Black will be in charge of the service
and preach the Sacramental ser-
mon.

The Young Ladies of the M. E.
Church will hold an Ice Cream So-
cial on J. V. Finkle's lawn next
Saturday evening. All are invited
to come and enjoy the refresh-
ments.

NOTICE.—A meeting of lot own-
ers and all citizens interested in
the proper care and keeping of Mt.
Ash Cemetery will be held in the
court house, Saturday evening,
August 2, at 8 o'clock, for the pur-
pose of forming a cemetery associa-
tion

Now Scouten has pitched into
"Billy" Shoemaker. It seems that
the republicans are not running
the party to suit Scouten. Now,
that's too bad. It looks to a man
outside the democratic party as if
Scouten had plenty to do if he spent
his remaining energies in running
his own party. One year ago
Scouten thought he had the cinch
on the democratic party, and could
do what he pleased, but the result
did not justify his assurance. He
was not successful in landing a
single candidate. His three men
were Walsh, McCarty, and Craft.
If he makes his slate go this year
he will have to spend less time try-
ing to manage the republican party.

Agents and peddlers are more
numerous than seventeen year lo-
custs. Things good, bad and in
different all come the way of the
busy housewife. Here are patent
can openers, cherry seeders. Here
are carpet rugs and silver (?) ware
sold at a sacrifice to the customer.
The customer usually makes the
sacrifice. Some really good, labor
saving devices are sold and some
things, after the first trial will be
relegated to the trash box never
to be used again. There are
worthy people who deserve patron-
age, and there are good articles and
labor-saving devices which may
sometimes be purchased of them,
but many a good housewife has
discovered, after paying a good
round price to an agent, that the
same article could have been pur-
chased of a local dealer for a small-
er sum. After all, our local deal-
ers are people who help pay the
taxes and who really help the com-
munity in every way and they
should have the preference. The
money paid to them remains in the
community and helps to run our
churches and our schools and to
promote the public welfare. In
time of panic or sickness our local
dealers are with us and the credit
they extend helps many families
over a financial barrier. Where
are the strange agents then? Gone
like the chaff before the wind, and
no one knoweth their place of habi-
tation. Stand by your local mer-
chant, read the ads. in your local
paper to see who he is; stand by
him in your prosperity, and in your
adversity he will not forsake you.

Republican County Convention.

There will be held in the Court
House at Laporte on August 12th at
1 o'clock p. m. a Republican Con-
vention for the purpose of placing in
nomination two persons for Con-
gressmen, one person for Member of
Assembly, one person for County
Treasurer, two persons for County
Commissioners and two persons for
County Auditors. It is earnestly
desired that each precinct be rep-
resented by its full quota of delegates.
WM. P. SHOEMAKER, Chairman.
