## Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

## Paying a Reckless Price.

Men and women are too ready to pay a thoughtless, a reckless, price for the goods they covet. Fame is worth something, and so is reputation, if it is honestly earned, but if you compromise your honor you are practically selling your soul.—Rev. George H. Hepworth, Congregationalist, New York.

## The Strength of His People.

Jesus Christ has been sneered at as a woman's God. Well, why not? The God of our mothers, the God of our sisters, the God of our wives—what of derogation is there in that? But he was a man's God as well. He was the strength of his people.—Rev. Cyrus Townsend Brady, Episcopalian, Philadelphia.

## The Strongest Argument.

"When Jesus asked his accusers, 'Which of you convinceth me of sin?' he put forth the highest argument possible. A man who shows manhood has a tendency to bring men to him, just as a man who does wrong will contaminate those who associate with him.—Rev. Cassius M. Roberts, Episcopalian, Philadelphia.

## Humanity and the Church.

Our church must be humanitarian. So long as money is hoarded or piled up in costly buildings called churches while hunger stalks about the streets will there be a chasm between the church and the masses.—Rev. Dr. Broughton, Baptist, Atlanta, Ga.

## His Sight Threatened.

"While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. He rubbed the poison off his hands into his eyes and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever. For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits.

## The Definition of Gambling.

All betting, all staking of valuables, on the outcome of games of chance or skill, all playing, for example, of cards for prizes, is gambling; all buying of chances in a drawing, whether of lottery, policy or raffle by mail, in an office, shop or church building is gambling; all speculating in margins and all investments in securities, based upon prospects only and promising immense returns when oil is struck or gold is found, is gambling.—Rev. Robert Westly Pench, Presbyterian, Camden, N. J.

## Consumption Threatened.

"I was troubled with a hacking cough for a year and I thought I had consumption," says C. Unger, 211 Maple St., Chicago, Ill. "I tried a great many remedies and I was under the care of physicians for several months. I used one bottle of Foley's Honey and Tar. It cured me and I have not been bothered since."

## Foley's Kidney Cure

"I had diabetes in its worst form," writes Marion Lee of Dunreath, Ind. "I tried eight physicians without relief. Only three bottles of Foley's Kidney Cure made me a well man."

## Your Lifes Insured of Course

Or if not you are expecting to get insured. In that case one of the questions you are trying to solve is: Where shall I insure? Which is the best company? These are perplexing questions, and perhaps the more you read and hear the differing claims of different companies and their agents, the more bewildered and uncertain you become. Now, in a matter in which you may have little knowledge or experience, why not accept the knowledge and experience of your friends and neighbors who have a great deal of both? Here, as elsewhere, experience is the best teacher and the surest guide.

## The Mission of Suffering.

Suffering comes to unveil character, to disclose the real motives and purpose of one's inner self. It brings about a demonstration of the powers of God under conditions most adverse and distressing as seen in the indestructible integrity of those who trust him.—Rev. Dr. Landrum, Baptist, Atlanta, Ga.

## A Necessary Precaution.

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. Allays inflammation. Clears the head, soothes and strengthens the mucous membrane. Cures coughs, croup, throat and lung troubles. Absolutely safe. Acts immediately. Children like it.

## Beauty of the Church.

Not expansive domes nor gorgeous windows nor graceful arches constitute the beauty of a church, but God and only God. No temple is beautiful which does not express the loveliness of his face.—Rev. Dr. James Oliver Wilson, Methodist, New York.

## Breaking a Friendly Stone.

An old custom was for friends to write their names on stones and break them, each taking a part that would match the other and always vouch the identity of him who presented it. Who now offers to break a friendly stone with us? It is the Christ himself. That will be the happiest day in heaven when we can match the white stone Jesus gives us and be called his personal friend.—Rev. Dr. Alonzo Monk, Methodist, Atlanta.

## A Physician Healed.

Dr. George Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cure. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success."
