**News Items of Interest at the  
COUNTY SEAT.**

Ellery Hanley of Mildred, a young man about 19 years of age, was seriously hurt in the Gunton mine on Monday, Sept. 29th. A large piece of rock from the roof fell upon him crushing his foot, breaking his leg above the knee and inflicting a dangerous wound on top of the head.

H. W. Messersmith and family of Lopez, desire to thank their neighbors and friends for the many expressions of sympathy extended them, and the timely assistance given during the illness of their child, and also at time of the funeral.

It is no small honor to a town to be called upon to entertain the Grand Army of the Republic. The county seat was given over to the 58th Reg. on Monday for their annual reunion. In coming to Laporte they found a village bedecked with national colors, and open arms to receive them. Laurel wreathed victory proudly perched upon our banner in having completely captured the admiration of the old soldiers. In departing they gave assurance that such a reception and time as here given them will linger long as a happy remembrance. Mr. W. F. Brown of Hillsgrove called on the News Item and asked that the press aid them in extending thanks to the citizens of Laporte for the best time the 58th Reg. ever had, as he felt that none of his party were able to do justice in this respect, they having been so sumptuously dined by mine host Gallagher that all were too full for utterance.

May their years be many and their visit to Laporte repeated.

A pretty wedding was solemnized at the home of Mr. and Mrs. W. B. Ritter, in the second ward, on Tuesday at 11 o'clock a. m. when their daughter, Miss Emma, became the bride of Mr. Leo Wrede. Dr. M. E. Hermann of Dushore played the wedding march as the happy couple entered the parlor where the marriage ceremony was performed by Rev. J. W. Klingler in the presence of about forty invited guests. After congratulations had been showered upon Mr. and Mrs. Wrede, they led the way to the dining room where a wedding breakfast was served to the guests. The newly wedded couple left on the afternoon train for a short tour. They were the recipients of many handsome presents. Mr. Wrede and his bride are two of Laporte's popular young people, and the News Item joins in wishing them a happy and prosperous life.

**EAGLES MERE.**

The Lakeside will close finally for this season on Sept. 30th, Mr. and Mrs. Kirk and the entire family will make an extended visit to Boston.

John Simmons who has charge of the Light Company's Power House for a year will take the position of engineer on the Locomotive of C. W. Sones, and haul lumber and bark this winter.

The Eagles Mere Borough Council is disinclined to have the village lighted this winter, so that the plant will probably shut down until June 1st next.

Mr. Benj. G. Welch is expected to fill the pulpit for Rev. S. B. Bidlack at Eagles Mere next Sunday evening, Oct. 5th. He is to talk on the subject of "Mysticism, Spiritualism, Mormonism and Christianity," with an opportunity to any one in the congregation to express their views.

Raymond Kehrer spent several days, including last Sunday in Williamsport.

The guests at Hotel Eagles Mere are bound to keep things lively with Cobweb parties, Guessing parties, Musical parties, Charades and an endless list of other entertaining things. Nothing is slow about it.

Mr. J. S. Kirk has stocked up his Peinsdale Coal Bin with a supply from the Wooster mines so widely advertised by the North American.

Mr. and Mrs. John A. Gamble have returned to Williamsport somewhat earlier than usual on account of their grandson, Lieut. Cook of the regular army.

confidential nature to make and it was important that no one not a member of the Club should hear it. It was decided to adjourn the Club around back of Kehrer's Ice House after dark and when assembled the Secretary explained that he had been able to learn from a copy of the orders to the train men on the Eagles Mere R. R., how the were to run the train but that the orders were for "employees only and not for the public," so the members must be careful not to let the public get hold of the information that the trains will run as they do now until some change is decided on.
