THE DEMOCRATIC FOOT STILL PLANTED ON SCOUTEN ONLY A LITTLE HARDER.

Albert Dyer Elected by A Good Majority.

Thanks to conscientious and honorable Democrats and to the hard and intelligent work of Mr. Dyer's friends he was elected Representative over Edward G. Rogers by a majority of 124 votes. This fall was a bad year for Republicans in Sullivan county to win. Pattison was a strong candidate, and money was supplied to the Democratic Chairman and his leading followers in bundles. All that the Republicans had to rely on was the general disgust of good citizens which Scouten has inspired and a reliance on Democratic good sense and independence. On County Treasurer there were still greater difficulties to contend with, for although in Mr. Bird we had a model candidate, in Mr. Gavitt the Democrats were equally strong. We regret exceedingly Mr. Bird's defeat for he would have made an excellent servant of the people and his long life, of industry and integrity entitled him to expect better results. But on Representative where the Democratic candidate had a record, the independent Democrats had an opportunity to show their good citizenship and they did it in a manner to reflect credit on themselves and the county at large. Above are the returns.

REPUBLICAN VICTORY Samuel W. Pennypacker Elected Governor by Usual Large Majority.

Ex-Judge Samuel W. Pennypacker is elected Governor by over 150,000 majority. Thus ends the campaign of vituperation and abuse, the nasty cartoons and the mud slinging which has been the Democratic stock in trade. Chairman Creasy told his followers that Pattison would have 40,000 majority and this misled many good Democrats who bet their money and lost it. Chairman Quay predicted 160,000 majority and the chances are it has been obtained. Pres. Baer of the Reading Rail Road and the big man for the operators went to the polls and voted for Pattison. The Philadelphia papers say that he said he would strain every effort to beat Pennypacker on account of the aid which Quay and Penrose gave to the strikers. But while the big boss voted for Pattison, thousands of honest and intelligent laborers voted the other way, and the result was that workingmen won. Every credit for the election of Pennypacker must be given to the farmers and laboring men of Pennsylvania. It was their vote which did the business and we know that the clean and honest administration which Judge Pennypacker will give, will amply repay them for their devotion to the best interests of the State.

daily train is a very great convenience and has some passenger patronage every day. It is universally hoped that it may be kept up all winter and if it is the probability is that it will tend to develop a continuous business.

With his usual energy Mr. Warner got together a road making force the other day, including Street Commissioner Smith and the road machine with the result that the main drive up the hill to Crestmont is in fine order with a very moderate outlay. It was a good object lesson to our authorities. It might be well if the example could be followed.

ROOSEVELT PLEASSED BY RESULT

Congratulates Odell On His Victory. President's District Democratic.

New York, Nov. 5.—Having been kept fully informed during the day and night as to the course of the election, President Roosevelt retired at 11 o'clock last night fully satisfied with the result. He was particularly gratified with the returns from New York state, which showed the re-election of Governor Odell. The president late last night sent a telegram of congratulation to the governor, but the text of the message was not given out. The president and Secretary Cortelyou received the returns at Sagamore Hill from the executive offices in the Oyster Bay Bank building.

MICHIGAN

Detroit, Nov. 5.—The Republicans of Michigan have elected Governor A. T. Bliss and their entire state ticket, 11 of the 12 congressmen and an overwhelming majority of the members of the legislature. The vote was light throughout the state, and the Republican majority is estimated at between 30,000 and 40,000. As was expected, Governor Bliss ran heavily behind his ticket from 19,000 to 15,000. L. T. Durand, the Democratic candidate for governor, polled a correspondingly heavy vote, especially in Detroit, which he carried by from 4,000 to 6,000. While the returns indicate that the Democrats have increased by a few members their representation in the state legislature, the Republicans will have an overwhelming majority in both branches. This assures the election of General R. A. Alger to fill the unexpired term of the late United States Senator James McMillan.

WISCONSIN

Milwaukee, Wis., Nov. 5.—Wisconsin has gone Republican by at least 35,000 plurality, and Governor Robert M. La Follette and the complete state ticket are elected. The Republicans will also control the next legislature, which will elect a United States senator to succeed Senator Spooner. In addition, the election of eight congressmen is certain, with probably two more, if not the entire delegation. The candidates in the fourth, fifth and sixth districts are having a close run so far as the returns received show.

MISSISSIPPI

Jackson, Miss., Nov. 5.—The vote in Mississippi yesterday was very light, the tabulations indicating a total of less than 40,000. All the Democratic candidates for congress were elected without opposition. The constitutional amendments are believed to have been defeated.
