

Severe

Nervous Trouble and Dyspepsia.

No Sleep for Weeks Because of Pain.

Dr. Miles' Nervine Gave Back My Health.

Dyspepsia nearly always arises from a derangement of the nerves. When the stomach is not well the entire system suffers. Constipation, bad breath, sour stomach, frequent headaches, biliousness, etc., will lead to terrible consequences if not treated in time. Dr. Miles' Nervine is a specific for nervous dyspepsia and all nervous diseases.

"My health was miserable for years, due to severe nervous trouble and dyspepsia. I had not been able to sleep for weeks at a time without being awakened with pains in my chest and stomach. My limbs felt tired, I was unable to do my house work without feeling completely worn out. The doctors failed to relieve me, and after taking an endless amount of their medicines I began taking Dr. Miles' Restorative Nervine and Nerve and Liver Pills. I obtained relief from the first bottle of Nervine, was able to sleep better than I had in years. My stomach began to gain strength and I felt better in many ways. I have taken twelve bottles of Nervine and Nerve and Liver Pills in the past three years but have not taken any of late as I have not felt the need of it. I go about my work an entirely different woman and have recommended them to ever so many people. I am a great believer in Dr. Miles' Nerve and Liver Pills. I have them on hand all the time. I feel very grateful for the Dr. Miles' Remedies."—Mrs. J. W. WHITMAN, Mechanic Falls, Me.

RELIGIOUS THOUGHT.

Gems Gleaned From the Teachings of All Denominations.

Sin is a growth, according to certain fixed laws, just as holiness is. Every act of sin breeds more sin, just as every act of business is a justification.—Rev. C. C. Smith, Indianapolis.

Christ never despairs of us. We never know the richness of life until the inner man is born. We are slaves until the inner man says, "I am free." Christ never despairs of us.—Rev. L. H. Harris, Episcopalian, Atlanta, Ga.

The crowned heads of every nation, The rich men, poor men and misers All join in paying tribute to DeWitt's Little Early Risers.

H. Williams, San Antonio, Texas, writes: Little Early Risers Pills are the best I ever used in my family. I unhesitatingly recommend them to everybody. They cure Constipation, Biliousness, Sick headache, Torpid Liver, Jaundice, malaria and all other liver troubles.

Active and Devoted. Christ was an example of religious devotion. We find him going to the temple. He was also an example of religious activity. We find him doing good. Some people are devoted Christians, but they are not active. Others are active, but not devoted. Christ was both active and devoted.—Rev. Dr. Meeley, Methodist, Brooklyn.

A Scientific Discovery.

Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood.

Something to Do.

The desire of the true heart and thoughtful mind is, "Give me something to do; give me some part in the world's work; give me a mission."—Rev. Dr. Blisbee, Universalist, Boston.

Unconscious from Croup.

During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling and inflammation, cut the mucus and shortly the child was resting easy and speedily recovered. It cures Coughs, Colds, La Grippe, and all Throat and Lung trouble. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood.

Follow Where Christ Leads.

If we go astray, it shall not be for lack of a bath, but for not following where Christ leads. We are simply to go forward to Christlikeness.—Rev. Mr. Helms, Methodist, Worcester, Mass.

One Hundred Dollars a Box.

is the value H. A. Tisdale, Summerton, S. C., places on DeWitt's Witch Hazel Salve. He says: "I had the piles for 20 years. I tried many doctors and medicines, but all failed except DeWitt's Witch Hazel Salve. It cured me." It is a combination of the healing properties of Witch Hazel with antiseptics and emollients; relieves and permanently cures blind bleeding, itching piles, sores, cuts, bruises, eczema, salt rheum and all skin diseases.

Seeking and Searching.

The spirit of Christ is a spirit of seeking and searching. It is a spirit that cannot rest until success has crowned its efforts. Ask yourself, is that the spirit of me? Yet we call ourselves Christ's disciples. If people have lost their habit of going to church, what does it mean? It means that they are suffering from a diminution of spiritual interest.—Rev. Dr. Alsop, Episcopalian, Brooklyn.

THE GERMAN CAPITAL.

Berlin One of the Cleanest and Best Kept Cities in Europe.

According to consular reports, Berlin, although a busy manufacturing city, is one of the cleanest and best kept in Europe. The smokeless condition of the Berlin atmosphere is ascribed to three facts—the preponderant use of coke and briquettes, which are practically smokeless; the skillful scientific construction of boiler furnaces and chimneys and, finally, the high standard of skill that is taught and enforced among firemen who stoke furnaces with coal for steam and manufacturing purposes. Before a man can assume such a charge he must be taught the theory and practice of economical, scientific firing, by which the coal is distributed in such a manner and quantity over the grate surface as to secure the most perfect combustion of its volatile elements. The Silesian coal used in Berlin in most large steam plants and factories is rich in bitumen, but would rank below many of the bituminous coals of the United States, and yet the long, dense, trailing clouds of smoke from mill and factory chimneys which are so familiar a sight to many American cities are rarely seen in that section of Germany, where the indiscriminate shoveling of raw bituminous coal into the steam and other furnaces is considered an ignorant and wasteful proceeding.

Children Poisoned.

Many children are poisoned and made nervous and weak, if not killed outright, by mothers giving them cough syrups containing opiates. Foley's Honey and Tar is a safe and certain remedy for coughs, croup and lung troubles, and is the only prominent cough medicine that contains no opiates or other poisons.

The many friends of G. H. Hausan, Engineer, L. E. & W. R. R., at present living in Lima, O., will be pleased to know of his recovery from threatened kidney disease. He writes: "I was cured by using Foley's Kidney Cure, which I recommend to all, especially trainmen who are usually similarly afflicted."

Nearness of God and Man.

Of all creeds that have been founded since the beginning of the world the Christian religion is the only one that overcomes the sense of distance between God and man.—Rev. Dr. Brady, Episcopalian, Philadelphia.

Unstable Christianity.

A Christianity which is not rooted is always unstable; a Christian love that has not penetrated into the depths is not a love of a permanent or enduring character. It is more like a bubble.—Rev. Dr. MacLaurin, Reformed, Rochester, N. Y.

A Life at Stake.

If you but knew the splendid merit of Foley's Honey and Tar you would never be without it. A dose or two will prevent an attack of pneumonia or la grippe. It may save your life.

For sale by C. D. Voorhees, Sonestown, and James McFarlane, Laporte, Pa.

History Reveals Itself.

In every republic that ever existed it was the aim of the rich to crush the middle class and make an aristocracy of wealth to enslave the lower classes of humanity. Water, food and fuel belong to the people, and the men that rob them of either are traitors to humanity.—Rev. P. K. Kain, Reformed, Philadelphia.

STOP IT.

A neglected cough or cold may lead to serious bronchial or lung troubles. Don't take chances when Foley's Honey and Tar affords perfect security from serious effects of a cold.

For sale by C. D. Voorhees, Sonestown, and James McFarlane, Laporte.

"Whatever Ye Do."

Whatever! Draw this word as a circumference around all the activities of your life and see how much it means. It is all inclusive. Everything—business, politics, society, religion—must be brought under the high rule of pleasing the Lord rather than men.—Rev. L. E. Sellers, Christian, Terre Haute, Ind.

In Bed for week with LaGrippe.

We have received the following letter from Mr. Ray Kemp, of Angola, Ind. "I was in bed four weeks with la grippe and I tried many remedies and spent considerable for treatment with physicians, but I received no relief until I tried Foley's Honey and Tar. Two small bottles of this medicine cured me and I now use it exclusively in my family." Take no substitutes.

Thanks For Penrose.

Resolutions of thanks, according to a Washington dispatch, continue to pour in upon Hon. Boies Penrose for his speech in the senate against the oleomargarine trust. Granges all over the state are sending him official resolutions for his efforts in the interests of pure butter and the dairy.

The Kingdom of Heaven.

"The kingdom of heaven," a phrase, a figure of speech, a picture, a dream, intangible, vague, mysterious, yet it expresses the inspiration of all the generations, the dominant force in all history, for under some form of words it has voiced the faith and aspiration of humanity from the beginning, and all the struggles of the ages have been but witness to its hidden energy. Wherever men have believed in something purer, holier, more enduring and more satisfying than they have yet seen or known there has been the influence of the kingdom of heaven has been felt.—Rev. Dr. V. V. Raymond, President Union College, Schenectady, N. Y.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Keep Accounts.

Keeping accounts, simple in form, plain, clear and easily understood, showing amounts due to or from others, entering correctly the dates on which money is paid out or received, is the best plan to avoid disputes about money matters and relieves the memory of many unnecessary burdens. A written record of a money transaction has greater legal value in case of controversy in court than any verbal statement.

The habit of keeping accounts induces economy in expenditure and inspires the habit of saving up, besides showing at all times a correct financial condition. Housekeepers, mechanics and all who handle money in the management of their personal affairs will find it most profitable to form the habit of keeping accounts.

How the Rash Comes.

In measles a rash appears on the fourth day of the fever. It is first seen on the forehead, face and neck, afterward over the whole body. It consists of raised red spots. In scarlet fever the rash appears on the second day of the fever, commencing on the upper part of the chest and neck, whence it spreads over the body. In smallpox an eruption is seen on the third or fourth day on the face, neck and wrists. In chicken pox the eruption is made of small blebs. In typhoid fever the rash rarely shows itself before the seventh day of the fever. The spots are rose colored, and they disappear on pressure.

Henty's Young Critic.

G. A. Henty, the writer for youth, frequently got letters from admirers all over the world asking for his autograph and offering criticisms of his books. In a story of the penitential war he made two boys disguise themselves by staining their faces with iodine. Shortly after the book was published he received a letter from a boy, who said he was a chemist's assistant, stating that while that special incident was represented as taking place in 1808 iodine was not discovered until 1811, three years after.
