To Border Line of Life and Death.

Neuralgia of Heart, Weak Stomach.

Dr. Miles' Heart Cure Cured Her.

Neuralgia of the heart causes sudden death. It is an acute affection of the cardiac nerve, just as neuralgia is of the nerves of the face, usually, and sciatica is of the nerve trunk of the thigh. One of its most frequent symptoms is derangement of the stomach and liver. Strengthen the heart's action and enrich the blood with Dr. Miles' Heart Cure; tone up the nerves with Restorative Nerve and you will soon be cured.

"Nervous exhaustion and liver trouble so affected my wife's health that she was greatly run down; neuralgia of the heart set in and for a long time she was very close to the border line of life and death. She was attended by two good physicians, who did all they could for her, but in spite of everything she grew worse right along. One day I saw an advertisement of Dr. Miles' Nerve and Heart Cure, and the doctor's explanation of the effects of nervous trouble upon the heart seemed so logical that I decided to give the remedies a trial. We now know that the stomach and liver troubles were part of the heart weakness. She improved wonderfully at once. Her appetite picked up, she slept well at night and the pain around her heart rapidly disappeared. Thanks to Dr. Miles' Heart Cure in a few weeks she was able to be up and attend to her household duties, and in a few months every sign of nervous and heart trouble had vanished."

—JAMES E. SIDLEY, Torrington, Conn.

## Religion Enriches Life.

Religion satisfies because it enriches life. It opens the way into a new kind of joy. It brings into play a new range of activity. Thus Jesus said that he came that we might have life and that we might have it more abundantly. He came to widen out the circle of human appreciation. The purpose of religion thus considered is akin with the purpose of all progress. It is to teach new truth, to awaken new aspiration, to develop new possibilities, to round out more fully the natural life of man.—Rev. George Hodges, Pittsburg.

The crowned heads of every nation, the rich men, poor men and misers—all join in paying tribute to DeWitt's Little Early Risers. H. Williams, San Antonio, Texas, writes: Little Early Riser Pills are the best I ever used in my family. I unhesitatingly recommend them to everybody. They cure Constipation, Biliousness, Sick headache, Torpid Liver, Jaundice, malaria and all other liver troubles.

## The Essence of Service.

To go beyond the letter of any obligation and serve another freely, generously, to give time and energy more than is expected, more than may be rightfully demanded, is the surest way to advancement. The essence of this kind of service is sacrifice.—Rev. Dr. Raymond, Schenectady, N. Y.

## A Scientific Discovery.

Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood.

## The Need of Action.

What we need is action. The glory of the Lord depends upon those who will take hold and move forward.—Rev. A. C. Ward, Baptist, Atlanta.

## Unconscious from Croup.

During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling and information, cut the mucus and shortly the child was resting easy and speedily recovered. It cures Coughs, Colds, La-Grippe, and all Throat and Lung trouble. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood.

## The Mission of Christ.

Jesus did not come into the world to regulate feast days, new moons nor Sabbath days, but he came into the world to seek and to save that which was lost.—Rev. S. Geriah Lamkins, Baptist, Washington.

## One Hundred Dollars a Box.

is the value H. A. Tisdale, Summerton, S. C., places on DeWitt's Witch Hazel Salve. He says: "I had the piles for 20 years. I tried many doctors and medicines, but all failed except DeWitt's Witch Hazel Salve. It cured me." It is a combination of the healing properties of Witch Hazel with antiseptics and emollients; relieves and permanently cures blind bleeding, itching piles, sores, cuts, bruises, eczema, salt rheum and all skin diseases.

## Seeking and Searching.

The spirit of Christ is a spirit of seeking and searching. It is a spirit that cannot rest until success has crowned its efforts. Ask yourself, is that the spirit of me? Yet we call ourselves Christ's disciples. If people have lost their habit of going to church, what does it mean? It means that they are suffering from a diminution of spiritual interest.—Rev. Dr. Alsop, Episcopalian, Brooklyn.

Documents and LaGrippe.  
The prevention of consumption is entirely a question of commencing the proper treatment in time. Nothing is so well adapted to ward off fatal lung troubles as Foley's Honey and Tar.  
For sale by C. D. Voorhees, Sonestown; James McFarlane, Laporte.

Righteousness Pays.  
There is no greater folly conceivable than that of imagining that unrighteousness pays more than righteousness. The history of the world is against it. Reason is against it. It is the righteousness of the world that makes unrighteousness of seeming advantage.—Rev. Dr. Raymond, President Union College, Schenectady, N. Y.

Children Poisoned.  
Many children are poisoned and made nervous and weak, if not killed outright, by mothers giving them cough syrups containing opiates. Foley's Honey and Tar is a safe and certain remedy for coughs, croup and lung troubles, and is the only prominent cough medicine that contains no opiates or other poisons.

The many friends of G. H. Hausan, Engineer, L. E. & W. R. R., at present living in Lima, O., will be pleased to know of his recovery from threatened kidney disease. He writes: "I was cured by using Foley's Kidney Cure, which I recommend to all, especially trainmen who are usually similarly afflicted."

For sale by C. D. Voorhees, Sonestown and James McFarlane, Laporte.

The Present Duty.  
Our duty to put on the harness was never so great as today, that we may plant the religion of love on the basis of the higher philosophy of observation and experience, the basis upon which must rest all permanent and all future forces of society. It is the form of religion which harmonizes best with the advancing civilization of this country. It is the true republicanism of Christianity, recommending to all nations liberty, justice and love.—Rev. Dr. Harris, Universalist, Worcester, Mass.

A Life at Stake.  
If you but knew the splendid merit of Foley's Honey and Tar you would never be without it. A dose or two will prevent an attack of pneumonia or la grippe. It may save your life.

For sale by C. D. Voorhees, Sonestown; James McFarlane, Laporte.

History Reveals Itself.  
In every republic that ever existed it was the aim of the rich to crush the middle class and make an aristocracy of wealth to enslave the lower classes of humanity. Water, food and fuel belong to the people, and the men that rob them of either are traitors to humanity.—Rev. P. K. Kain, Reformed, Philadelphia.

STOP IT.  
A neglected cough or cold may lead to serious bronchial or lung troubles. Don't take chances when Foley's Honey and Tar affords perfect security from serious effects of a cold.

For sale by C. D. Voorhees, Sonestown; James McFarlane, Laporte.

"Whatever Ye Do."  
Whatever! Draw this word as a circumference around all the activities of your life and see how much it means. It is all inclusive. Everything—business, politics, society, religion—must be brought under the high rule of pleasing the Lord rather than men.—Rev. L. E. Sellers, Christian, Terre Haute, Ind.

In Bed for week with LaGrippe.  
We have received the following letter from Mr. Ray Kemp, of Angola, Ind.: "I was in bed four weeks with la grippe and I tried many remedies and spent considerable for treatment with physicians, but I received no relief until I tried Foley's Honey and Tar. Two small bottles of this medicine cured me and I now use it exclusively in my family." Take no substitutes.

The Kingdom of Heaven.  
"The kingdom of heaven," a phrase, a figure of speech, a picture, a dream, intangible, vague, mysterious, yet it expresses the inspiration of all the generations, the dominant force in all history, for under some form of words it has voiced the faith and aspiration of humanity from the beginning, and all the struggles of the ages have been but witnesses to its hidden energy. Wherever men have believed in something purer, holier, more enduring and more satisfying than they have yet seen or known there the influence of the kingdom of heaven has been felt.—Rev. Dr. V. Y. Raymond, President Union College, Schenectady, N. Y.

## INDIAN TRADING.

### The Way to Beat the Red Man Down in His Prices.

"Few white men know how to trade with an Indian," remarked a Denver man who has made a study of Indians for ten years past. "I once met an Indian with a magnificent mountain lion skin. He was willing to part with the ornament, but his price was too high. I offered him \$12.50, but he indignantly refused. Later, on the same day, after I had learned to trade with an Indian, I bought the skin for \$1.50.

"The secret of trading with the Indian is to appear indifferent. The most successful trader is the one who goes with a supply of the same article he is most desirous of buying. The Indian sees that the stranger has had experience, and negotiations are carried on upon a strictly business basis. An Indian refused \$10 for a bow and arrow. It was bought for \$1 by a man who carried several bows and arrows in his hand. This wily individual leased the supply from a store in order to impress his copper colored friends, and he succeeded.

"The Indian," said the speaker, telling of traits of character he has observed in his red friends, "is one of the most faithful followers in the world if he has confidence in you. If he takes a liking to you, there is nothing you can ask he will not do. If he dislikes you, the less you have to do with that Indian the better."—Rocky Mountain News.

A Knackout.  
A young lawyer was engaged in a case not long ago when a witness was put in the box to testify to the reputation of the place in question.

This witness, a stage driver, in answer to a query as to the reputation of the place, replied, "A poor shop."

The lawyer inquired, "You say it has the reputation of being a 'poor shop'?" "Yes, sir."

"Whom did you hear say it was a 'poor shop'?"

The witness did not recollect any one he had heard say so.

"What?" said the lawyer. "You have sworn this place has the reputation of being a poor shop and yet cannot tell of any one you have ever heard say so?"

The witness was staggered for a mo-

ment at the words of the lawyer. The lawyer was feeling triumphant when the witness gathered himself together and quietly remarked, addressing the lawyer: "Well, you have the reputation of being a poor lawyer, but I have never heard any one say so."

His Innocent Client.  
This story is told of a celebrated North Carolina lawyer who was practicing in a backwoods mountain district:

While he was waiting for his case to be reached the trial of a notorious highway robber, who had been caught red handed, was called. The prisoner had no counsel, and the presiding judge requested the distinguished lawyer to defend him. The trial lasted two days and, to the court's astonishment, the jury returned a verdict of acquittal. As the prisoner was about to be discharged, the lawyer stepped up to the judge and requested a few words in private.

"What is it?" asked the court. "I would ask your honor," replied the lawyer, "to have the prisoner detained in jail tonight. I have to cross a lonely field on my way home and the rascal happens to know that I have money about me."

Cold Feet.  
Cold feet are a sign of disordered circulation. Continual warming with artificial heat is but temporizing with the evil, and the difficulty should be overcome by proper dressing when that is in fault and by foot and ankle exercises. The latter can be taken at frequent intervals during the day, and they will assist in stimulating the circulation of the blood. Point the toes down to the extreme limit till you feel the muscles strain over the ankles and work the feet up and down eight or ten times; then devitalize them and shake them from the ankle, as one does the hand with a loose wrist. Sufferers from cold feet in bed can quickly warm them by this exercise, and it will bring relief and comfort during a long ride.

Alaskan Egg Women.  
A favorite trick of Alaskan market-women is to place six or eight adolescent eggs in a small basket and to declare that those are all the absolutely fresh ones they have. The victim buys them, thinking that if the woman were dishonest she would have offered more "fresh eggs." Afterward the market women takes six or more out of a larger basket which is carefully covered over.
