Had Turned Blue—Limbs Bloated.

Lay in a Stupor From Heart Disease.

Dr. Miles' Heart Cure Cured Me.

The nails turning blue is a sign of defective circulation as is the bloating of the arms and legs. Other common symptoms of heart disease are shortness of breath from slight exertion, pain in or near heart, smothering spells, palpitation or fluttering, weak, tired and hungry spells, dreaming and nightmare, sudden starting in sleep. In severe cases the brain, stomach, lungs, etc., may become so disordered as to mislead the physicians as to the nature of the disease. If you suffer from any or all of these symptoms your heart is diseased and treatment should not be postponed a single day. Dr. Miles' Heart Cure is guaranteed to help you as it has helped thousands of others.

"I owe my life to Dr. Miles' Heart Cure. After four doctors met in consultation on my case, their verdict was that I had suffered from heart disease so long that they could do nothing for me and I would surely die. My brother said, 'While there is life there is hope, we will try Dr. Miles' Heart Cure.' When I began taking it my nails had turned blue and my arms and legs were bloated to twice their natural size, and I lay in a stupor most of the time. After the first few doses the dizziness went away and after three bottles I was able to go around the house and do my work. Both my family and my nurse think I would have been in my grave had it not been for Dr. Miles' Heart Cure."—Mrs. ROBERT MORRIS, Sackets Harbor, N. Y.

## RELIGIOUS THOUGHT.

Gems Gleaned From the Teachings of All Denominations.

The only hope to be saved from everlasting suffering is to accept the offered mercy of God in this life and repent of all sin.—Rev. Dr. Holderby, Presbyterian, Atlanta, Ga.

Christ Relieves All Burdens. There is not a galling of the yoke or a pressure of the burden but can be relieved by a consistent application of the teaching of Christ.—Rev. F. E. Hopkins, Congregationalist, Chicago.

The crowned heads of every nation, The rich men, poor men and misers All join in paying tribute to DeWitt's Little Early Risers.

H. Williams, San Antonio, Texas, writes: Little Early Risers Pills are the best I ever used in my family. I unhesitatingly recommend them to everybody. They cure Constipation, Biliousness, Sick headache, Torpid Liver, Jaundice, malaria and all other liver troubles.

It is Free Trade. Tariff reform in operation is free trade in operation. Free trade is a great producer of rest for the workingman in America. At the same time it makes hard work for the European workingman who is compelled to produce for our markets.—Asbury Park (N. J.) Journal.

A Scientific Discovery. Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the indolent muscles of that organ are allowed to rest and heal. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood.

Something to Do. The desire of the true heart and thoughtful mind is, "Give me something to do; give me some part in the world's work; give me a mission."—Rev. Dr. Bisbee, Universalist, Boston.

Unconscious from Grop. During a sudden and terrible attack of cramp our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling and information, cut the mucus and shortly the child was resting easy and speedily recovered. It cures Coughs, Colds, La-Grippe, and all Throat and Lung trouble. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood.

Faith's Satisfying Basis. Only where the light of revelation shines and the teachings of that revelation are accepted does faith find a satisfying basis or hope rise into assurance.—Rev. Dr. Chivers, Baptist, Brooklyn.

One Hundred Dollars a Box. is the value H. A. Tisdale, Summerton, S. C., places on DeWitt's Witch Hazel Salve. He says: "I had the piles for 20 years. I tried many doctors and medicines, but all failed except DeWitt's Witch Hazel Salve. It cured me." It is a combination of the healing properties of Witch Hazel with antiseptics and emollients; relieves and permanently cures blind bleeding, itching piles, sores, cuts, bruises, eczema, salt rheum and all skin diseases.

History Reveals Itself. In every republic that ever existed it was the aim of the rich to crush the middle class and make an aristocracy of wealth to enslave the lower classes of humanity. Water, food and fuel belong to the people, and the men that rob them of either are traitors to humanity.—Rev. P. K. Kain, Reformed, Philadelphia.

Prevention of consumption is entirely a question of commencing the proper treatment in time. Nothing is so well adapted to ward off fatal lung troubles as Foley's Honey and Tar. For sale by C. D. Voorhees, Sonestown; James McFarlane, Laporte.

Test of Experience. The only way to test the power of Christ to forgive sins or the efficacy of prayer is to comply with the conditions which God has laid down and put them to the test of experience. Whether faith in Christ can give strength in trial, impart patience in suffering, fill the soul with peace, can only be settled by each one for himself.—Rev. Dr. McCullagh, Presbyterian, Worcester, Mass.

Children Poisoned. Many children are poisoned and made nervous and weak, if not killed outright, by mothers giving them cough syrups containing opiates. Foley's Honey and Tar is a safe and certain remedy for coughs, croup and lung troubles, and is the only prominent cough medicine that contains no opiates or other poisons.

The many friends of G. H. Hausan, Engineer, L. E. & W. R. R., at present living in Lima, O., will be pleased to know of his recovery from threatened kidney disease. He writes: "I was cured by using Foley's Kidney Cure, which I recommend to all, especially trainmen who are usually similarly afflicted."

For sale by C. D. Voorhees, Sonestown and James McFarlane, Laporte.

Nearness of God and Man. Of all creeds that have been founded since the beginning of the world the Christian religion is the only one that overcomes the sense of distance between God and man.—Rev. Dr. Brady, Episcopalian, Philadelphia.

Unstable Christianity. A Christianity which is not rooted in always unstable; a Christian love that has not penetrated into the depths is not a love of a permanent or enduring character. It is more like a bubble.—Rev. Dr. MacLaurin, Reformed, Rochester, N. Y.

A Life at Stake. If you but knew the splendid merit of Foley's Honey and Tar you would never be without it. A dose or two will prevent an attack of pneumonia or la grippe. It may save your life.

For sale by C. D. Voorhees, Sonestown, and James McFarlane, Laporte, Pa.

"Whatever Ye Do." Whatever! Draw this word as a circumference around all the activities of your life and see how much it means. It is all inclusive. Everything—business, politics, society, religion—must be brought under the high rule of pleasing the Lord rather than men.—Rev. L. E. Sellers, Christian, Terre Haute, Ind.

STOP IT. A neglected cough or cold may lead to serious bronchial or lung troubles. Don't take chances when Foley's Honey and Tar affords perfect security from serious effects of a cold.

For sale by C. D. Voorhees, Sonestown; James McFarlane, Laporte.

Active and Devoted. Christ was an example of religious devotion. We find him going to the temple. He was also an example of religious activity. We find him doing good. Some people are devoted Christians, but they are not active. Others are active, but not devoted. Christ was both active and devoted.—Rev. Dr. Meeley, Methodist, Brooklyn.

In Bed for week with LaGrippe. We have received the following letter from Mr. Ray Kemp, of Angola, Ind. "I was in bed four weeks with la grippe and I tried many remedies and spent considerable for treatment with physicians, but I received no relief until I tried Foley's Honey and Tar. Two small bottles of this medicine cured me and I now use it exclusively in my family." Take no substitutes.

Favors and Obligations. There are no favors in God's world but involve also greater obligations. Each privilege we enjoy means another duty. Every power we obtain imposes upon us some new responsibility. There is no such thing as equality in life. Nature did not fashion all flowers and trees alike. Its beauty consists in its variety of form and color, in its contrasts of high and low, of strong and feeble. Neither are all men molded alike physically or intellectually; otherwise human existence would be bereft of all charm, of all ambition.—Rev. Kaufman Kohler, Hebrew, New York.

The Spirit's Whisperings. The most decisive witness of the Holy Spirit's coming are often whisperings instead of shoutings in our ears. The world around us is filled with evidence. The word of God steals upon us like a thief in the night. We ought to be concerned about the repeated daily coming of Christ.—Rev. F. J. McConnell, Methodist, Cambridge, Mass.

Lion Coffee is 16 ounces of pure coffee to the pound. Coated Coffees are only about 14 ounces of coffee and two ounces of eggs, glue, etc., of no value to you, but money in the pocket of the roaster.

## OUT OF SORTS.

Work a Task. Nerves all gone. Generally Weak. Easily Tired. Read the Following Know the Remedy.

Mrs. A. Noble of No. 315, Catherine St. Bloomsburg, Pa., says. "I had been troubled a good deal with nervousness and sleeplessness for a long time and felt generally out of sorts. I got some of Dr. A. W. Chase's Nerve Pills and was greatly benefited by their use. I rested so much better and felt brighter and stronger. My back has been much better. since. I can recommend them highly." Dr. A. W. Chase's Nerve Pills are sold at 50c a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D. are on every package.

Its Elevating Influence on the Farmer's Life and Occupation. Whenever a noble deed is wrought, Whenever is spoke a noble thought, Our hearts in glad surprise To higher levels rise.

The objects of the graze are ennobling. Its results are many a noble deed has been wrought, and many a noble thought spoken, and hearts and minds and thoughts of many a farmer and farmer's wife have arisen to a higher level.

Selfishness, narrowness and backwardness have no place in America today. The American farmer, more than any other class, should be above these things, and, thanks to the graze, he is rapidly rising above them.

We are all of us students, and all should be anxious to develop the nobler instincts of our natures, and nowhere else can we find so good an opportunity for development as in the graze.

In the great industrial development of the present time we observe with more or less of concern the tremendous organization of capital, which will not be stopped by public opinion and cannot be controlled by legislation. We see the ironclad organization of labor which rises above the power of injunction or the force of bayonets.

In this great crisis the great middle class, the agriculturists, "the hope and strength of the nation," inspired by noble thoughts to the doing of noble deeds, can well band themselves into an organization like the graze, whose object is the bettering of themselves and the world.

The same forces that lead to organization of capital and impel to industrial union point plainly to the social, business and fraternal co-operation of the farmers.

As the future of this republic depends upon a successful agriculture and a successful agriculture depends upon a thorough knowledge of the business and an understanding of our relations to each other and to the world, then it is not so much a selfish desire as patriotic impulse that leads us to take up the work of the graze, and as the graze is developed along the lines it has marked out for itself so will there be developed a higher manhood and womanhood. Nobler deeds will be wrought, nobler thoughts will be spoken, higher levels attained, and in the enlightenment and general improvement we will share with the rest and our reward will be sure and certain.—W. N. Giles, Secretary New York State Graze.

## GRANGE WORK FOR 1903.

National Lecturer Bachelier has arranged a Fine Program. National Lecturer N. J. Bachelier has issued the following excellent programme of timely and important topics for graze discussion in 1903:

First Quarter—General Topic, Organization.—January, To what extent is the organization of capital justifiable? February, To what extent is the organization of labor justifiable? March, To what extent is the organization of farmers justifiable, and what is our duty in protecting the people from unjust demands of organized capital and organized labor?

Second Quarter—General Topic, Education.—April, What influence can be exerted by the graze for the improvement of rural schools? May, What influence can be exerted by the graze that will secure the proper recognition of agricultural matters in agricultural colleges? June, What can be done by the graze to aid and improve the farmers' institutes?

Third Quarter—General Topic, Farm Management.—July, What are the advantages from the use of improved farm machinery? August, What of the importance and necessity of restoring soil fertility removed by crops? September, What farm crops are the most profitable in this locality?

Fourth Quarter—General Topic, Character Builders.—October, What influence has home life upon the young in the formation of character? November, What influence has the graze in the formation of character? December, What should be the relation of the graze and church?

## BETTER BUSINESS METHODS

Saving the Wastes on the Farm an Important Matter.

Some one has said that if he could have what was wasted on an average American farm he could live in comfort. This, I fear, is only too true of the average farmer. He does not make a study of his business. While hundreds of dollars' worth of the best liquid fertilizer is running to waste in his barns, or under the eaves of it, he is buying commercial fertilizer at \$30 to \$40 per ton to enrich his land. While nature has given him rich and fertile land he too often sees an alluring bag of gold in the bountiful yield of hay and does not realize that he is robbing his land of fertility when he sells hay.

These and a thousand other wastes on the farm are brought to the farmer's notice by the discussions in the graze, and the farmer must be dull indeed who does not reap some benefit from them. A fair and just exchange of the commodities of the farm for those of the factory, the mine and the professional man must come about through better business methods. The farmer should act with others of his own profession and at least devote as much energy to marketing his crop as to producing it.

There are many causes to remove before agriculture will receive a fair and just return for the capital and labor invested in the industry, but the removal of these causes lies in the hands of the farmer himself. He must co-operate with others in improving his business methods and must apply the same thought, energy and business ability to agriculture that are applied to any other industry.—George A. Fuller.
