

Prayed

To Be Released From Life.

Almost Insane From Nervousness.

Dr. Miles' Nervine My Salvation.

Do you enjoy life, or do you sleep so poorly that you are more tired when you get up than when you go to bed? Is your appetite failing, are you getting thin; does your head ache, back ache, eyes tire easily? These are symptoms of a nervous disorder, which should be promptly treated or fainting spells, mental and physical nervousness, morbid fears and loss of control will lead to insanity or mental irresponsibility. Strengthen the nerves with Dr. Miles' Nervine. It quickly supplies nerve-force and vitality to the weakened system, bringing sleep, appetite and health.

"I was almost insane with nervous trouble. Could not eat or sleep. Could see no pleasure in life; indeed, life was a burden to me, and I even prayed God to release me from it. Three doctors did all they could for me, all to no purpose. I was in despair of ever getting better when I saw the advertisement of Dr. Miles' Restorative Nervine. I got a bottle, commenced taking it and wrote you for advice. I followed it carefully, taking your Nervine, Restorative Tonic, and Nerve and Liver Pills. Those remedies were my salvation. His some months since I stopped taking the Tonic but I keep the Nervine in the house all the time, as it is a friend that I do not feel safe without. If any sufferer should doubt the truth of this statement, let them write to me and I will do my best to drive all doubt from their mind."—Mrs. MABEL REDDEN, La. Jose, Pa.

RELIGIOUS THOUGHT.

Gems Gleaned From the Teachings of All Denominations.

The only hope to be saved from everlasting suffering is to accept the offered mercy of God in this life and repent of all sin.—Rev. Dr. Holderby, Presbyterian, Atlanta, Ga.

Christ Relieves All Burdens.
There is not a galling of the yoke or a pressure of the burden but can be relieved by a consistent application of the teaching of Christ.—Rev. F. E. Hopkins, Congregationalist, Chicago.

The crowned heads of every nation, The rich men, poor men and misers All join in paying tribute to DeWitt's Little Early Riser.

H. Williams, San Antonio, Texas, writes: Little Early Riser Pills are the best I ever used in my family. I unhesitatingly recommend them to everybody. They cure Constipation, Billiousness, Sick headache, Torpid Liver, Jaundice, malaria and all other liver troubles.

It is Free Trade.
Tariff reform in operation is free trade in operation. Free trade is a great producer of rest for the working-man in America. At the same time it makes hard work for the European workman who is compelled to produce for our markets.—Asbury Park (N. J.) Journal.

A Scientific Discovery.
Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or over-loaded. Kodol supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed mucous of that organ are allowed to rest and heal. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood.

Something to Do.
The desire of the true heart and thoughtful mind is, "Give me something to do; give me some part in the world's work; give me a mission."—Rev. Dr. Bisbee, Universalist, Boston.

Unconscious from Croup.
During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling and information, cut the mucus and shortly the child was resting easy and speedily recovered. It cures Coughs, Colds, La-Grippe, and all Throat and Lung trouble. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood.

Faith's Satisfying Basis.
Only where the light of revelation shines and the teachings of that revelation are accepted does faith find a satisfying basis or hope rise into assurance.—Rev. Dr. Chivers, Baptist, Brook-lyn.

One Hundred Dollars a Box.
is the value H. A. Tisdale, Summertown, S. C., places on DeWitt's Witch Hazel Salve. He says: "I had the piles for 20 years. I tried many doctors and medicines, but all failed except DeWitt's Witch Hazel Salve. It cured me." It is a combination of the healing properties of Witch Hazel with antiseptics and emollients; relieves and permanently cures blind bleeding, itching piles, sores, cuts, bruises, eczema, salt rheum and all skin diseases.

History Reveals Itself.
In every republic that ever existed it was the aim of the rich to crush the middle class and make an aristocracy of wealth to enslave the lower classes of humanity. Water, food and fuel belong to the people, and the men that rob them of either are traitors to humanity.—Rev. P. K. Kain, Reformed, Philadelphia.

and Tar. Refuse substitutes.

The prevention of consumption is entirely a question of commencing the proper treatment in time. Nothing is so well adapted to ward off fatal lung troubles as Foley's Honey and Tar.

For sale by C. D. Voorhees, Sonestown; James McFarlane, Laporte.

Test of Experience.
The only way to test the power of Christ to forgive sins or the efficacy of prayer is to comply with the conditions which God has laid down and put them to the test of experience. Whether faith in Christ can give strength in trial, impart patience in suffering, fill the soul with peace, can only be settled by each one for himself.—Rev. Dr. McCullagh, Presbyterian, Worcester, Mass.

Children Poisoned.
Many children are poisoned and made nervous and weak, if not killed outright, by mothers giving them cough syrups containing opiates. Foley's Honey and Tar is a safe and certain remedy for coughs, croup and lung troubles, and is the only prominent cough medicine that contains no opiates or other poisons.

The many friends of G. H. Hausan, Engineer, L. E. & W. R. R., at present living in Lima, O., will be pleased to know of his recovery from threatened kidney disease. He writes: "I was cured by using Foley's Kidney Cure, which I recommend to all, especially trainmen who are usually similarly afflicted."

For sale by C. D. Voorhees, Sonestown and James McFarlane, Laporte.

Nearness of God and Man.
Of all creeds that have been founded since the beginning of the world the Christian religion is the only one that overcomes the sense of distance between God and man.—Rev. Dr. Brady, Episcopalian, Philadelphia.

Unstable Christianity.
A Christianity which is not rooted in reality is unstable; a Christian love that has not penetrated into the depths is not a love of a permanent or enduring character. It is more like a bubble.—Rev. Dr. MacLaurin, Reformed, Rochester, N. Y.

A Life at Stake.
If you but knew the splendid merit of Foley's Honey and Tar you would never be without it. A dose or two will prevent an attack of pneumonia or la grippe. It may save your life.

For sale by C. D. Voorhees, Sonestown, and James McFarlane, Laporte.

"Whatever Ye Do."
Whatever! Draw this word as a circumference around all the activities of your life and see how much it means. It is all inclusive. Everything—business, politics, society, religion—must be brought under the high rule of pleasing the Lord rather than men.—Rev. L. E. Sellers, Christian, Terre Haute, Ind.

STOP IT!
A neglected cough or cold may lead to serious bronchial or lung troubles. Don't take chances when Foley's Honey and Tar affords perfect security from serious effects of a cold.

For sale by C. D. Voorhees, Sonestown; James McFarlane, Laporte.

Active and Devoted.
Christ was an example of religious devotion. We find him going to the temple. He was also an example of religious activity. We find him doing good. Some people are devoted Christians, but they are not active. Others are active, but not devoted. Christ was both active and devoted.—Rev. Dr. Meeley, Methodist, Brooklyn.

In Bed for week with LaGrippe.
We have received the following letter from Mr. Ray Kemp, of Angola, Ind. "I was in bed four weeks with la grippe and I tried many remedies and spent considerable for treatment with physicians, but I received no relief until I tried Foley's Honey and Tar. Two small bottles of this medicine cured me and I now use it exclusively in my family." Take no substitutes.

Favors and Obligations.
There are no favors in God's world but involve also greater obligations. Each privilege we enjoy means another duty. Every power we obtain imposes upon us some new responsibility. There is no such thing as equality in life. Nature did not fashion all flowers and trees alike. Its beauty consists in its variety of form and color, in its contrasts of high and low, of strong and feeble. Neither are all men molded alike physically or intellectually; otherwise human existence would be bereft of all charm, of all ambition.—Rev. Kaufman Kohler, Hebrew, New York.

The Spirit's Whisperings.
The most decisive witness of the Holy Spirit's coming are often whisperings instead of shoutings in our ears. The world around us is filled with evidence. The word of God steels upon us like a thief in the night. We ought to be concerned about the repeated daily coming of Christ.—Rev. F. J. McConnell, Methodist, Cambridge, Mass.

OUT OF SORTS.

Work a task. Nerves all gone. Generally Weak. Easily Tired. Read the Following. Know the Remedy.

Mrs. A. Noble of No. 315, Catherine St. Bloomsburg, Pa., says: "I had been troubled a good deal with nervousness and sleeplessness for a long time and felt generally out of sorts. I got some of Dr. A. W. Chase's Nerve Pills and was greatly benefited by their use. I rested so much better and felt brighter and stronger. My back has been much better. Since I can recommend them highly." Dr. A. W. Chase's Nerve Pills are sold at 50c a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D. are on every package.

BENEFITS OF CO-OPERATION

Farmers Must Unite For Their Own Protection.

In this age of strenuous effort, when men are bending every energy to win supremacy in every field of human activity, the chances of an individual to win success are correspondingly diminished. To alleviate this difficulty and to stimulate the efforts of many who would succumb to this intense competition, acting individually, the grange by co-operation aids the individual to achieve a success which he would not be able to do acting alone. The interchange of experience and the stimulating influence of knowing that others are interested in your particular work are some of the great benefits of co-operation among those engaged in the same work.

Another result of co-operative effort through the grange has been the ability of the farmer, through this organization, to present a solid front to the enemies of agriculture. When fraud and deception became apparent in the manufacture of spurious dairy products, co-operative effort by the members of the grange placed upon our statute books the oleomargarine bill to prevent this fraud upon the consumer. When it became apparent that farmers were being defrauded by different firms which sold various kinds of cattle feed which were adulterated, the united effort of the grange brought about the passage of laws which have practically stopped this fraud.

While the grange seeks to war upon no other class of people, yet the inevitable law of self protection warrants the farmer in co-operating with other farmers in the buying and selling. In the past the farmer has spent the greater part of his energy in producing large crops only to see a large part of these crops go to pay the cost of transportation and handling. In other words, his profits were absorbed by those engaged in commerce. Only through co-operation with others engaged in agriculture can the farmer correct this state of affairs.—George A. Fuller, Overseer New York State Grange.

MASSACHUSETTS GRANGES.

What the State Grange is Doing For Farmers in the Bay State.

The annual meeting was held at Worcester, Mass. George S. Ladd was re-elected master. There are over 160 granges in the state with about 15,000 members. The state grange favored state legislation to reimburse farmers' cattle killed by the trouble from foot and mouth disease then prevailing. Further extension of rural free mail delivery was urged, and grangers were asked to observe Arbor day by the planting of trees along the highways. More equitable taxation was advocated. The grangers also recommended that a bill be introduced into the legislature which will obligate manufacturers of concentrated foodstuffs to put on the outside of the bag the exact formulas of the contents. It recommended that some of the agricultural societies of the state be consolidated. The secretary of the Salisbury and Amesbury Mutual Fire Insurance company, controlled by the state grange, reported that during the year ending Dec. 31 policies were written to the amount of \$407,608 and that the total outstanding risks are \$755,368. Losses last year were only \$150.

Agricultural Studies.

National Lecturer and Governor N. J. Bachelier, speaking of the importance of the study of agriculture in the rural schools, says: "It is of vastly more importance that pupils be able to name and classify the plants and trees growing by the roadside between their homes and the schoolhouse than that they be able to give the height of the principal peaks of the Rocky mountains, and it is far more sensible to teach them something about the composition and derivation of the soil of the farm upon

which they live and which may be their home during life than to teach them to name the principal rivers in Hindostan. To learn the usefulness of birds and their correct names and something of their habits will furnish mental development and information at the same time that will be useful every day of their lives. This grand movement has already begun, and we will do our state and nation a service if, as an organization standing for rural development, we are able to give the added impetus to it."

The Fight Against Unrighteousness.

We must fight selfishness with unselfishness, hatred with love, covetousness with generosity, falsehood with truth, darkness with light. We must build up life on the positive side.—Rev. Dr. Polemans H. Swift, Methodist, Chicago.
