Pennsylvania has eight Grange Fire Insurance Companies carrying risks aggregating aggregating over \$15,000,000. One of the conditions for admission in all of them is that the insured must be a member in good standing in a Subordinate Grange. Some of these companies have been doing business for more than a quarter of a century. The aggregate cost has been about one half of what the same class of risks costs in other companies. This is practical and profitable co-operation.

Benton Grange No. 88, of Columbia county, organized more than 30 years ago, added fifty-one new members in 1902.

On February 16 John D. Rockefeller went to his office on Broadway, New York, and a few hours later emerged \$8,000,000 richer than when he entered. Standard oil had declared its quarterly dividend of \$20 per share. This was an increase of \$10 over the dividend declared last November.

We desire to announce to the public that our coal mine near Bernice is now open and we are prepared to furnish mine run coal to the local trade at very reasonable rates. This coal is free burning anthracite of fine quality. We give a good load at ton rates. A large supply constantly on hand.

An Every Day Story. No Appetite. No Ambition. Constant Headaches. No Rest. No Sleep. Listless. Languid. All Played Out. Here's the Cure.

Mr. Samuel Rogers, of No. 128 Hyde Park Ave., Scranton, Pa., says:—"I was in a run down condition, headaches, nervous and sleeping badly and the appetite poor. I was told of Dr. A. W. Chase's Nerve Pills and got a box. As a result I sleep and eat well again. The nervousness and headaches are gone and my general strength back again. I am very much pleased with them and glad to recommend them to others. This I can do conscientiously."

Dropsy
Neuralgia of the Heart For Years.
Pain Went From Heart to Head.

Dr. Miles' Heart Cure and Nerve Cured.

"About three years ago my sister was so badly affected with heart trouble and neuralgia of the heart that we did not expect her to live. Although we had a first-class physician she grew worse under this treatment. She had a swollen dropsical look and had frequent spells of neuralgia pain at her heart when she would render the most heart-rending moans and shrieks. At times the pain would go from her heart to her head when a lump would appear on her temple half as large as an egg. One night she got up in pain and ran into the back yard crying with pangs she was not conscious of it, however, and was brought back to the house by neighbors. I bought for her a bottle each of Dr. Miles' Nerve and Heart Cure which helped her greatly. She afterward used some five or six bottles and has never had a spell since. I had used your medicine with great benefit myself. I know that Nerve and Heart Cure not only saved my sister's life but also saved me from insanity and death. I was so nervous I could not bear the slightest noise or movement around me and I suffered from palpitation and pain in the heart. I had choking sensations, dizzy and faint spells, smothering spells when I could scarcely get my breath; I was so nervous I was treated like a child and at one time it was thought I was losing my mind. Nerve saved me from insanity."—KATIE ACKES, Clover Creek, Pa.
