Nervous Trouble and Dyspepsia.

No Sleep for Weeks Because of Pain.

Dr. Miles' Nervine Gave Back My Health.

Dyspepsia nearly always arises from a de-rangement of the nerves. When the stomach is not well the entire system suffers. Con-stipation, bad breath, sour stomach, frequent headaches, bihousness, etc., will lead to ter-rible consequences if not treated in time. Dr. Miles' Nervine is a specific for nervous dyspepsia and all nervous diseases.

Dr. Miles' Nervine is a specific for nervous dyspepsia and all nervous diseases.

"My health was miserable for years, due to severe nervous trouble and dyspepsia. I had not been able to sleep for weeks at a time without being awakened with pains in my chest and stomach. My limbs felt tired, I was unable to do my house work without feeling completely worn out. The doctors failed to relieve me, and after taking an endless amount of their medicines I began taking. Dr. Miles' Restorative Nervine and Nerve and Liver Pills. I obtained relief from the first bottle of Nervine, was able to sleep better than I had in years. My stomach began to gain strength and I felt better in many ways. I have taken twelve bottles of Nervine and Nerve and Liver Pills in the past three years but have not taken any of late as I have not felt the need of it. I go about my work an entirely different woman and have recommended them to ever so many people. I am a great believer in Dr. Miles' Nerve and Liver Pills, I have them on hand all the time. I feel very grateful for the Dr. Miles Remedies."—MRs. J. W. WHITMAN, Mechanic Falls, Me.

## RELIGIOUS THOUGHT. of All Denominations.

Sin is a growth, according to certain fixed laws, just as holiness is. Every act of sin breeds more sin, just as ev-

ery act of business is a fortification.-Rev. J. C. Smith, Indianapolis. Christ Never Despairs of Us. We never know the richness of life

until the inner man is born. We are slaves until the inner man says, "I am free." Christ never despairs of us.—Rev. L. H. Harris, Episcopalian, Attanta, Ga.

For liver trouble and constipation There's nothing better in creation

Than little early risers, the famous little Than little early risers, the famous little pills, they always effect a cure and save doctors bills. Little early risers are different from all other pills. They do not weaken the system but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally.

Follow Where Christ Leads. If we go astray, it shall not be for lack of a bath, but for not following where Christ leads. We are simply to go forward to Christlikeness.—Rev. Mr. Helms, Methodist, Worcester,

Good For Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate re-lief in all cases of cough,, croup and lagripp because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflamation, heals and soothes and cures permanently by enabling the lungs to contribute pure life giving and life-sus-taining exygen to the blood and tissues.

### A Continual Warfare.

The conflict of the world spirit and God is analogous to the continual warfare waged between the flesh and the spirit in the person of every member of the human race.—Rev. F. W. Norris, Episcopalian, Brooklyn.

### Religion Enriches Life.

Religion satisfies because it enriches life. It opens the way into a new kind of joy. It brings into play a new range of activity. Thus Jesus said that he came that we might have life and that we might have it more abundantly. He came to widen out the circle of human appreciation. The purpose of religion thus considered is akin with the purpose of all progress. It is to teach new truth, to awaken new aspiration, to develop new possibilities, to round out more fully the natural life of man.—Rev. George Hodges, Pitts-

# THE GRANGE

Conducted by J. W. DARROW, Press Correspondent New York State
Grange

MRS. SARAH G. BAIRD.

Only Woman Who Ever Held Posi-tion of Master of Any State Grange.

Mrs. Sarah G. Baird of Minnesota the only woman who has held the office of master of a state grange, is one of the strongest women in an order that encourages the women in every way to take places on the level with men. Under her leadership the grange in her own state has prospered, and the state shows greater activity in grange work than for years. It is needless to say that Mrs. Baird is a magnificent speaker, a fine presiding officer and a strong worker in every way. She is in the

ninth year of her mastership of the state grange. George W. Baird is gate-keeper of the national grange, and he and Mrs. Baird are charter members of Minnehaha grange, 389, which was or ganized twenty-eight years ago and has never become dormant. Mr. Baird is master of Minnehaha grange. Speak

ing of his work, he says:
"Our work in the subordinate grange
is now principally along educational
lines. Our members have the greatest faith in the Order and have clung to its principles during all the years of our organization. We now see the benefits of organization as never before and we are enjoying to the fullest the social and educational advantages of our work. We have a well equipped hall and everything necessary to make our meetings a success."

Rhode Island Agricultural College.

The recent election of Mr. Kenyon L. Butterfield of Michigan to the presidency of the Rhode Island Agricultural

college bodes well for that institution.

During the past three years he has pursued work in the University of Michigan. His work in the university has been of such a high order that during this year he was appointed lecturer in rural sociology, a new course offered in the university. He believes in thorough technical training for the farmer, and it is understood that the Rhode Issued in the course of the farmer, and it is understood that the Rhode Issued in the course of the farmer, and it is understood that the Rhode Issued in the course of the land board will give him full latitude to carry out his ideas in this direction. He is withal an enthusiastic worker in the grange.

Practical Co-operation.

Some time ago, when prices for beef were so high as to be almost prohibiwere so high as to be almost promotive, the members of some of the granges in Berkshire county, Mass., co-operated in defying the high prices of the meat trust and getting their own fresh meat at a low price. Some of the farmers raising young stock agreed to-gether to kill off stock as it was needed to supply meat, taking turns and dis-tributing to each other and to other members of the grange at a lower price than meat was selling for in the mar-Two important grange ideas were thereby illustrated-fraternity and co

"Watch the Basket."

sums up the conditions of success for the farmer as well as the business man. He says: "The man who fails is the man who scatters his capital, which means that he has also scattered his brains. He has investments in this. that and the other thing. Don't put all your eggs in one basket is all wrong. I tell you, put all your eggs in one bas-ket and then watch that basket."

The secretary of the Pennsylvania state grange, J. T. Ailman, says that in many sections the notion still prevails that the grange is the avowed enemy of the middlemen. This is not correct. We oppose only a surplus of middle men, endeavoring to shorten as much as possible the route from the producer to the consumer.

The advisability of organizing a national grange life insurance company is under consideration by a committee appointed by the national grange to report at its next meeting. The committee consists of W. K. Thompson, South Carolina; G. S. Ladd, Massachusetts; N. J. Bachelder, New Hampshire

There is a possibility that the national grange may meet at Niagara Falls next November.

The grange adapts its functions to the everyday work of its members.

Keep up the agitation for grange halls to be owned by the grange.

The grange takes hold of the farmer's very life and essential interests.

The prisoner had no counsel, and the presiding judge requested the distinguished lawyer to defend him. The trial lasted two days and, to the court's astonish-ment, the jury returned a verdict of acquittal. As the prisoner was about to be discharged, the lawyer stepped up to the judge and requested a few words in private. "What is it?" asked the court.

"I would ask your honor," replied the lawyer, "to have the prisoner detained in jail tonight. I have to cross a lonely field on my way home and the ras-cal happens to know that I have money about me."

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Prenounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbage and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
