Neuralgia of the Heart For Years.

Pain Went From Heart to Head.

Dr. Miles' Heart Cure and Nervine Cured.

"About three years ago my sister was so badly affected with heart trouble and neuralgia of the heart that we did not expect her to live. Although we had a first-class physician she grew worse under this treatment. She had a swollen dropsical look and had frequent spells of neuralgia pain at her heart when she would render the most heart-rending moans and shrieks. At times the pain would go from her heart to her head when a lump would appear on her temple half as large as an egg. One night she got up in bed and ran into the back yard crying with pain; she was not conscious of it, however, and was brought back to the house by neighbors. I bought for her a bottle each of Dr. Miles' Nervine and Heart Cure which helped her greatly. She afterward used some five or six bottles and has never had a spell since. I had used your medicine with great benefit myself. I know that Nervine and Heart Cure not only saved my sister's life but also saved me from insanity and death. I was so nervous I could not bear the slightest noise or movement around me and I suffered from palpitation and pain in the heart. I had choking sensations, dizzy and faint spells, smothering spells when I could scarcely get my breath; I was so nervous I was treated like a child and at one time it was thought I was losing my mind. Nervine saved me from insanity."—KATIE ACKES, Clover Creek, Pa.

BUT ONE "IDEA" IN IOWA.

The Muscatine Journal, referring to the debate on among Iowa Republicans, repeats that "this Republican pink tea is a family discussion" and "never was and never will be a family quarrel."

"Thunderstorms," observes the Burlington Hawkeye, "are good things to clear the atmosphere. Possibly the political one which has recently passed in Iowa means conservative and harmonious action at the next Republican state convention."

For A Cat Scratch on the arm, to a warts sort of a burn, sore or hoile, DeWitt's Witch Hazel Salve is quick cure. In buying Witch Hazel Salve, be particular to get DeWitt's—this is the salve that heals without leaving a scar. A specific for blind, bleeding itching and protruding piles. Sold by all Druggists.

Follow Where Christ Leads. If we go astray, it shall not be for lack of a bath, but for not following where Christ leads. We are simply to go forward to Christlikeness.—Rev. Mr. Helms, Methodist, Worcester, Mass.

A Little Early Riser. Now and then, at bedtime will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are the famous little pills that cures by arousing the secretions, moving the bowels gently, yet effectively, and giving such tone and strength to the glands of the stomach and liver that the cause of the trouble is removed entirely, and if their use is continued for a few days, there will be no return of the complaint. Sold by all Drug stores.

A Continual Warfare. The conflict of the world spirit and God is analogous to the continual warfare waged between the flesh and the spirit in the person of every member of the human race.—Rev. F. W. Norris, Episcopalian, Brooklyn.

The Wastes of the Body. Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures Indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by all Druggists.

Religion Enriches Life. Religion satisfies because it enriches life. It opens the way into a new kind of joy. It brings into play a new range of activity. Thus Jesus said that he came that we might have life and that we might have it more abundantly. He came to widen out the circle of human appreciation. The purpose of religion thus considered is akin with the purpose of all progress. It is to teach new truth, to awaken new aspiration, to develop new possibilities, to round out more fully the natural life of man.—Rev. George Hodges, Pittsburg.

The X-Rays. Recent experiments, by practical tests and examinations with the aid of the X-Ray establish it as a fact that Catarrh of the Stomach is not a disease of itself, but that it results from repeated attacks of indigestion. "How Can I Cure My Indigestion?" Kodol Dyspepsia Cure is curing thousands. It will cure you of indigestion and dyspepsia, and prevent or cure Catarrh of the Stomach. Kodol digests what you eat—makes the stomach sweet. Sold by all Druggists.

GRANGE PRINCIPLES.

Dignity of Labor, Fair Dealing and Good Citizenship.

We have nowhere seen a better presentation of the principles and purposes of the grange than the following in the American Agriculturist by Mr. J. A. Herr:

The character of the grange membership and their faith in the Order are such as give permanence to the organization. The effect of united grange effort is seen and felt in the legislature and other benefits secured in the interest of the farmer, along all lines of work. The dairyman, the fruit grower, the stock breeder and the poultryman have all been benefited through the efforts of the grange. A greater degree of intelligence is manifest among the farmers as a result of grange meetings and their outgrowth, the farmers' institutes of today. Extortion among dealers has been checked, and a cash basis for doing business is encouraged, with beneficial results.

The grange organization stands entirely for good. The principles are dignity of labor, honest dealing, justice to all, courage, temperance, thoroughness, peaceful citizenship, charity and unspotted character. Can there be nobler principles than these? The grange encourages advanced education and seeks to elevate not only its membership, but the community in which it exists to a higher plane of culture, refinement and social standing. Social scandals are seldom found within its ranks. Its teachings are of the purest and highest character, like that of family refinement and intellectuality. If the grange comes short of this, then the principles and precepts of the Order are not faithfully observed.

The benefits of a good, active working grange are evidenced by an increased interest in the farm and home, a greater degree of social culture and enjoyment, an advance along the lines of higher education and an independence and thrift which should be the inheritance of every farmer. These facts appeal to all persons interested in agriculture, in all its varied departments, to unite with the grange and assist in advancing its objects as well as to share its benefits.

THE GRANGE AT WORK.

Petitions That Filled Barrels When the Anti-Ole Bill Was Up.

In the year 1890, when the oleo question was being agitated, the grange thought it about time that we as an organization began to do something to protect our interests; therefore we passed some resolutions that we would take up what is known as the Groat bill and would use the forces of organization on it to see what could be brought about. Resolutions were drawn and presented to the subordinate granges, and it was the greatest surprise the Order ever had to know that inside of six weeks from the time of the presentation of these resolutions the replies came in to the legislative office in Washington in such numbers that they actually filled barrels. Noting from their constituents had ever caused such a revelation to the minds of the members of congress as this did, and what has been the result? The result was that we made a determined fight from that time on and won. We did it through the grange, the recognized farmers' organization. The dairyman's associations are today interested, the horticultural societies, the department of agriculture at Washington and in our own state and in almost every state are working hand in hand with the grange. It is one of the most influential organizations in the country today.—E. B. Norris, Master New York State Grange.

The grange adapts its functions to the everyday work of its members.

Keep up the agitation for grange halls to be owned by the grange.

The grange takes hold of the farmer's very life and essential interests.

Short Talks on Advertising

By Charles Austin Bates.

Advertising like charity begins at home. In other words, to advertise a store, first get your store. There are so many horrible examples of how to keep a store, that enumeration of the different bad ways is hopeless.

It is useless to advertise outside of the store and not inside.

The first requisites in a system of advertising are cleanliness and order and general rightness in the appearance of the store.

After that comes courtesy and the quality of the goods. It is hard to tell which of these is the more important. A pleasant, cordial, attentive but not obtrusive and obsequious manner makes and holds trade. No matter how insignificant the transaction. It doesn't take any longer to be amiable than to be crusty. There is such a thing as being too pleasant—familiar—that is not good. It leads to a lack of respect. A merchant should always maintain his dignity in the store and in his advertising.

Advertising should be the bulletin of the store—a mirror in which the store's characteristics and goods may be reflected. If the advertising is good, and the store bad, the advertising cannot possibly pay. People may be drawn to the store once, but they will not return.

"A pleasant, cordial, attentive, but not obtrusive and obsequious manner makes and holds trade."

"A mirror in which the store's characteristics may be reflected."

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
