

Relief

From Headache and Neuralgia

In a Few Minutes After Taking

Dr. Miles Anti-Pain Pills. Chronic Case Cured.

"I cannot speak too highly of your remedies and I will always tell my friends how much they have done for my husband and myself for sudden attacks of headache, neuralgia and rheumatic pains. There is nothing equal to Dr. Miles' Anti-Pain Pills. They are simply splendid and give relief in fifteen or twenty minutes. I used to be subject to attacks of headache, which had become chronic, and I took a course of Nervine and Nerve and Liver Pills in connection with the Anti-Pain Pills. The result is I now have very little trouble in that way. My husband has also taken these remedies and praises them very highly. We always have some of both kinds of pills in the house, and do not feel that we could get along without them.—MRS. KATE K. JOHNSON, McClellandville, Delaware.

There are many reasons why you should take Dr. Miles' Anti-Pain Pills, but the best reason is that they will give you almost instant relief from headache or other pain. In cases of chronic headache, when the sufferer knows an attack is coming on, a Pain Pill will usually prevent it entirely. In cases of extreme nervous exhaustion, when the brain is too tired and the body too nervous to rest, an Anti-Pain Pill will soothe the nerves so that sleep may come. They never fail, yet contain no opiates and are non-laxative.

All druggists sell and guarantee Dr. Miles' Anti-Pain Pills. They are non-laxative; contain no opiates, never sold in bulk, 25 doses, 25 cents. Dr. Miles Medical Co., Elkhart, Ind.

BUT ONE "IDEA" IN IOWA.

The Muscatine Journal, referring to the debate on among Iowa Republicans, reports that "this Republican pink tea is a family discussion" and "never was and never will be a family quarrel."

"Thunderstorms," observes the Burlington Hawkeye, "are good things to clear the atmosphere. Possibly the political one which has recently passed in Iowa means conservative and harmonious action at the next Republican state convention."

For A Cat Scratch
on the arm, to a worst sort of a burn, scorch or boil, DeWitt's Witch Hazel Salve is quick cure. In buying Witch Hazel Salve, be particular to get DeWitt's—this is the salve that heals without leaving a scar. A specific for blind, bleeding itching and protruding piles. Sold by all Druggists.

Follow Where Christ Leads.
If we go astray, it shall not be for lack of a bath, but for not following where Christ leads. We are simply to go forward to Christlikeness.—Rev. Mr. Helms, Methodist, Worcester, Mass.

A Little Early Riser
now and then, at bedtime will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are the famous little pills that cures by arousing the secretions, moving the bowels gently, yet effectively, and giving such tone and strength to the glands of the stomach and liver that the cause of the trouble is removed entirely, and if their use is continued for a few days, there will be no return of the complaint. Sold by all Druggists.

A Continual Warfare.
The conflict of the world spirit and God is analogous to the continual warfare waged between the flesh and the spirit in the person of every member of the human race.—Rev. F. W. Norris, Episcopalian, Brooklyn.

The Wastes of the Body
Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn-out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures indigestion, dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by all Druggists.

Religion Enriches Life.
Religion satisfies because it enriches life. It opens the way into a new kind of joy. It brings into play a new range of activity. Thus Jesus said that he came that we might have life and that we might have it more abundantly. He came to widen out the circle of human appreciation. The purpose of religion thus considered is akin with the purpose of all progress. It is to teach new truth, to awaken new aspiration, to develop new possibilities, to round out more fully the natural life of man.—Rev. George Hodges, Pittsburg.

The X-Rays
Recent experiments, by practical tests and examinations with the aid of the X-Ray establish it as a fact that Catarrh of the Stomach is not a disease of itself, but that it results from repeated attacks of indigestion. "How Can I Cure My Indigestion?" Kodol Dyspepsia Cure is curing thousands. Is will cure you of indigestion and dyspepsia, and prevent or cure Catarrh of the Stomach. Kodol digests what you eat—makes the stomach sweet. Sold by all Druggists.

THE GRANGE

Conducted by J. W. DARROW,
Press Correspondent New York State
Grange

THE POMONA GRANGE.

Its Relationship to the Subordinate Grange.

A well organized and progressive Pomona grange in any grange county of sufficient membership is conducive to means of enlarging the scope and usefulness of the subordinate granges, as it advances a step higher and is recognized by the state grange as authority on all matters of grange interest.

The Pomona grange, says Hon. E. B. Norris in the New England Homestead, should be officered by the brightest and most sterling Patrons in their respective counties, and all subordinate members should become Pomona members. At each quarterly meeting concise reports should be given from every subordinate grange in the county, stating the number of members added during the quarter, etc. Thus the condition of each subordinate grange could be reached in every county in the state. The legislative feature can be made more effective, as whatever action is taken in the Pomona must necessarily be from the delegated body of the subordinate grange, and therefore it voices the membership throughout the county.

The press has done much to enhance the usefulness of the grange. Every subordinate grange should elect a correspondent to send items from their grange to the press every week or at least every month. Publicity of grange work and its advancement would thus be encouraged. Editors of grange columns in our agricultural and local papers are glad to receive short articles relative to the grange from all parts of the state. We urge upon our subordinate and Pomona granges the necessity of establishing direct news correspondence with all our leading agricultural journals, to the end that material assistance may be extended to all lines of work that tend to elevate the American people to a better understanding of all the duties that devolve upon them to advance and maintain a nobler citizenship.

SIGNING CONTRACTS.

The Grange Should Teach Care in Such Matters.

The grange puts a premium on intelligence. It educates farmers to keep up with the times, to be alert to their opportunities and privileges and keep posted in a general way on what is going on in the world, particularly as it may affect their own interests. The intelligent granger has no right to be deceived on anything pertaining to his occupation so far as it is open to investigation. But there are sharp people traveling in farming communities these days, and one of their sharp tricks is to get the farmer's signature to a document—it may be a note or check or a contract. Hidden meanings in contracts have caused much trouble and cost farmers many dollars. A contract presented by a stranger is a good thing not to sign. Why a contract for a plow or a harrow or a patent washing machine? Why buy of strangers anyway? But, if you do, the agent should be quite well satisfied with a cash payment for the article, and if the farmer cannot pay for it he won't better not have it. Let these agents deliver goods first; then pay them. Refuse contracts with strangers. Keep your eyes open.

Grange insurance is permitted in most states after a candidate has taken the first degree.

Progressive farmers join the grange.

Short Talks On Advertising

By Charles Austin Bates.

No. 36.

It is a first-rate rule never to do any advertising from which it would be impossible to trace any results.

There is a great deal of talk about the mystery of advertisements and its uncertainty, but there really isn't any more mystery or any more uncertainty about it than there is about any other business undertaking.

A grocer may buy a box of soap and shove it under the counter, and leave it there until it gets so hard as to be utterly valueless. This same man can buy advertising space and so use it that he will derive no benefit from it. There is no need of his wasting the soap or the advertising.

Run your advertising with the same common sense that you do the rest of your business, and there will be no guess-work about it. It will pay every time and always, but do not buy space on billboards; do not buy little tin signs to tack up on back fences; do not hire some perambulating painter to disfigure the farmers'

fences with your name and address. There is not one time in ten thousand that you can tell absolutely whether this kind of advertising pays or not. The chances are one hundred to one that it does not.

Put your hopes in the newspaper. Talk about some certain thing—and then get ready

for the customers. If it is a good thing at the right price, and you have told about it plainly and forcibly, you will sell it—sure.

If your business isn't large enough to justify extensive advertising, better confine your work to the columns of the best paper in the town. It is a pretty sure thing that the best people in town—those whose trade is most desirable—are the ones who take the best paper. Its circulation is made up of the cream of the community, and you had better get all the trade you can out of that circulation before you turn to something else.

Deafness Can't Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
