Heart From Attack of LaGrippe.

Palpitation, Smothering, Short Breath.

Dr. Miles' Heart Cure Cured Me.

The terrible after effects of LaGrippe are most dangerous when they attack the heart, the engine of life. Weak hearts are as common as weak stomachs and when an attack is made upon the weak heart, that organ soon becomes a diseased heart and the patient will unless promptly treated, suffer long and eventually die of heart disease, the dread of millions. Dr. Miles' Heart Cure strengthens and regulates the heart's action, enriches the blood and improves the circulation.

"Some years ago I had an attack of the grip, and it left me with a very weak heart. Palpitation, shortness of breath and smothering spells that made me sit up in bed, breathless, robbing me of sleep, made me most miserable. I would become fatigued and exhausted from the least exertion and was in such a critical condition that I could not attend to my business. My physician seemed unable to control my case, and instead of getting better I was gradually growing weaker every day. Then I began taking Dr. Miles' Heart Cure and after I had used 10 bottles I was greatly improved. I continued with the remedy until I had taken in all six bottles, when I was able to attend to business without inconvenience. I was completely and permanently cured of heart trouble by Dr. Miles' Heart Cure and cheerfully recommend it to all sufferers from that terrible affliction."—H. H. EHLE, Glensville, N. Y.

## Supplies Utmost Need.

Christ supplies our utmost spiritual need. In him alone there is satisfaction. In him we have the inheritance, fear-ruptible, undefiled and that fades not away. If Christ be ours, if our faith be rooted and grounded in him, all things are ours and we are Christ's.—Rev. S. G. Neil, Baptist, Philadelphia.

## Ministering Unto Others.

If a man would believe in his fellow men, if he would believe in society and the possibilities of human nature if he would believe in God, he must approach his duties in the spirit of the Master when he said, "I come not to be ministered unto, but to minister."—Rev. Dr. George L. Perin, Unitarian, Boston.

## A Serious Mistake.

E. C. DeWitt & Co., is the name of the firm who make the genuine With Hazel Salve. DeWitt's is the With Hazel Salve that heals without leaving a scar. It is a serious mistake to use any other. DeWitt's With Hazel Salves blind bleeding, itching and protruding piles, burns, bruises, eczema and all skin diseases. Sold by all Druggists.

## Follow Where Christ Leads.

If we go astray, it shall not be for lack of a bath, but for not allowing where Christ leads. We are imply to go forward to Christlikeness.—Rev. Mr. Helms, Methodist, Worcester, Mass.

## Ladies and Children Invited.

All ladies and children who cannot stand the shocking strain of laxative-syrups, cathartics, etc., are invited to try the famous Little Early Risers. They are different from all other pills. They do not purge the system. Even a double dose will not gripe, weaken or sicken many people call them the Easy Pill. F. H. Howell, Houston, Texas, says "nothing better can be used for constipation, sick headaches, etc." Bob Moore, Lafayette, Ind., says all other gripe and sickenwhile DeWitt's Little Early Risers do their work well and easy. Sold by all Druggists.

## Education Without Religion.

Experience teaches that you can have educated villains; that education without sanctities of religion or restraints of morality increases the power for evil.—Rev. Dr. Dana, Presbyterian, Philadelphia.

## Kodol Gives Strength.

By enabling the digestive organs to digest, assimilate and transform all of the wholesome food that may be eaten into the kind of blood that nourishes the nerves, feeds the tissues, hardens the muscles and recuperates the organs of the entire body. Kodol Dyspepsia Cure cures Indigestion, Dyspepsia, Catarrh of the Stomach, and all stomach disorders. Sold by all Druggists.

## Dream of Righteousness.

There is the dream of righteousness. This is the dream of moral sentiment, and, pursuing it, man becomes a Christian. So long as this hunger for something better further on is a passion and the days are full of zest and fresh feeling, so long manhood is safe and the life waxes in strength, but when these ideals are dimmed, when their outlines lose clearness, then peril draws near. Oftentimes this deterioration is unconscious. The soul lives by the divine manna that falls from heaven.—Rev. Dr. N. D. Hillis, Congregationalist, Brooklyn.

## Do You Enjoy What You Eat?

If you don't your food does not do you much good. Kodol Dyspepsia Cure is the remedy that every one should take when there is anything wrong with the stomach. There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headaches, constipation, bad breath, sour rising, rifting, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol Dyspepsia Cure. Sold by all Druggists.

## CITY AND COUNTRY.

### Their Mutual Dependence and Mutual Interests.

Lately we have heard much about the dominance of the country in urban affairs, especially in Greater New York. The contempt with which the New Yorker refers to that indefinite somewhere known as "up the state" can only be equalled by his abject dependence on the products of that same country "up the state" for his daily bread. Fence off the city of New York at the Harlem river and cut off supplies, and how long could she exist? If the country is dependent on the city for its markets, the city is doubly dependent on the country, for its very lifeblood is drawn from it.

After all, the only thing which God gave to man was the earth. From it comes all wealth. It has been placed nowhere else. It must be dug out of the soil in agriculture or wrought out of mines. All things spring from the soil, and all things must return to it. Whatever else happens, whether panics come or national convulsions occur, though syndicates and trusts may corner production, yet the soil remains, and from it everything necessary to man's sustenance can be gained.

Condition depends upon character far more than character upon condition, and the usefulness of the resident of the country, like that of the city, is dependent upon faithfulness to duty. Let us make it our aim, then, whether we be residents of the country or the city—

To love some one more dearly every day,  
To help a wandering child to find its way,  
To ponder o'er a noble thought and pray  
And smile when evening falls;  
To follow truth as blind men long for light,  
To do our best from dawn of day till night,  
To keep our hearts fit for his holy sight  
And answer when he calls.  
—George A. Fuller.

## KEYSTONE PATRONS.

### Grange Work in Pennsylvania Outlined by State Master Hill.

State Master Hill at the thirtieth annual session of the Pennsylvania state grange made a strong plea for co-operation of granges with the agricultural colleges and experiment stations and urged a general display of the products of the state at the world's fair, St. Louis, in 1904.

Referring to the vexed taxation question, State Master Hill stated that the personal property of his state is valued at \$3,859,500,000 and pays taxes aggregating \$12,132,500, making a mileage rate of 3 1/4 mills. Real estate has a valuation of \$2,776,800,000 and for the same period pays taxes amounting to \$48,783,500, or an average mileage rate of a little over 17 mills. The contrast is striking. Everything the farmer has in sight is taxed as real estate.

Patrons feel that better roads cannot come too soon provided that the burden of building and maintaining is not, as in the past thrown upon farmers. We have for years stood ready to join forces on a fair basis with the other interests of the state in securing them.

Patrons were urged to make more general use of banks for the deposit of their money and to use checks as a medium for making payments. A bank account gives farmers standing. It is a great inspiration to keep it good and to make it larger. It develops business acumen and often saves money. A larger use of checks would save farmers thousands of dollars in the one item of sending money by mail.—American Agriculturist.

## The Grange a Peacemaker.

The master of a subordinate grange writes: "We were more to the grange in our community than we can estimate. Two years ago we first organized. Before this our community was divided into two factions, caused by the leadership of two rival neighbors. They all joined the grange and are now on good terms and a peaceable. At first the meetings were a little cold, but the more frequently they met the more friendly they grew till now no discord can be found. I attribute it to the teaching and settlement of the grange."

This is only one of the many instances of the kind that have come under my own observation, says a writer in the National Stockman. The grange in affording opportunities for association and culture gives these individuals something to do and thus their energies can be expended in good work, and their desire for contentment with their neighbors cease.

The 1,000 ton canal bill passed by the New York state legislature, but was earnestly fought at every stage by the state grange legislative committee and other officials and members of the Order. Now for the popular vote on it, or rather, again it.

Live grangerites: "If I belonged to a dying or a dead grange, I would but the death robe and kill him. Death, save of sterility, error, ignorance, is very unpopular these days."

The northern New York granges are to make "grange day" at Thousand Island park, on the St. Lawrence, an occasion of unusual interest this year.

The grange has the proud distinction of securing more state and national laws in the interests of agriculture than all other organizations combined.

New York state has been increasing her grange membership very rapidly since Jan. 1.

# Short Talks On Advertising

By Charles Austin Bates.

No. 32.

It isn't so much what you say as where you say it. Put a preacher on a desert island and what he says will not have much effect. If he is in the pulpit, talking to 500 intelligent people, his words will have weight. They will do some good.

"Put a preacher on a desert island."

after the medium has been selected.

When you put your ad in the best newspaper in your community you are addressing the wideawake, progressive part of the community.

You are skimming the cream. It is safe to say that nobody whose trade is worth much will fail to be a subscriber to a daily newspaper. Generally speaking, the best newspaper will attract the best people—the intelligent people—the people who have money in their pockets to buy what they want and need.

Do not preach on a desert island. If you should climb into the pulpit of your best newspaper you could address a congregation of the best people in your community every day.

Copyright, Charles Austin Bates, New York.

What you say in an advertisement, and how you say it, doesn't matter nearly so much as where it is said.

You might have the most attractive advertisement that was ever designed, offering the biggest bargains that ever were offered, and if you put it down cellar under the coal it would never sell a cent's worth of goods.

A poorly written advertisement, poorly displayed, in a good newspaper will do some good. Of course, a better advertisement would do more good, but the style of the advertisement must be thought of

"You are skimming the cream."

# YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

## Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

## Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
