

Weak

Heart From Attack of LaGrippe.

Palpitation, Smothering, Short Breath.

Dr. Miles' Heart Cure Cured Me.

The terrible after effects of LaGrippe are most dangerous when they attack the heart, the engine of life. Weak hearts are as common as weak stomachs and when an attack is made upon the weak heart, that organ soon becomes a diseased heart and the patient will unless promptly treated suffer long and eventually die of heart disease, the dread of millions. Dr. Miles' Heart Cure strengthens and regulates the heart's action, enriches the blood and improves the circulation.

"Some years ago I had an attack of the grip, and it left me with a very weak heart. Palpitation, shortness of breath and smothering spells that made me sit up in bed to breathe, robbing me of sleep, made me most miserable. I would become fatigued and exhausted from the least exertion and was in such a critical condition that I could not attend to my business. My physician seemed unable to control my case, and instead of getting better I was gradually growing weaker every day. Then I began taking Dr. Miles' Heart Cure and after I had used two bottles I was greatly improved. I continued with the remedy until I had taken in all six bottles, when I was able to attend to business without inconvenience. I was completely and permanently cured and I cheerfully recommend it to all sufferers from that terrible affliction."—H. H. EHLE, Gloversville, N. Y.

Supplies Utmost Need.

Christ supplies our utmost spirit need. In him alone there is satisfaction. In him we have the inheritance, incorruptible, undefiled and that fadeth not away. If Christ be ours, if our faith be rooted and grounded in him, if things are ours and we are Christ's Rev. S. G. Nell, Baptist, Philadelphia.

Ministering Unto Others.

If a man would believe in his fellow men, if he would believe in society all the possibilities of human nature, if he would believe in God, he must approach his duties in the spirit of a Master when he said, "I come not to be ministered unto, but to minister."—Rev. Dr. George L. Perin, Universalist, Boston.

Follow Where Christ Leads.

If we go astray, it shall not be for lack of a bath, but for not following where Christ leads. We are sure to go forward to Christlikeness. Rev. Mr. Helms, Methodist, Worcester, Mass.

Ladies and Children Invited.

All ladies and children who cannot and the shocking strain of laxative pills, cathartics, etc., are invited to try the famous Little Early Risers. They are different from all other pills. They do not purge the system. Even a double dose will not grip, weaken or sicken; any people call them the Easy Pill. W. H. Howell, Houston, Texas, says not only better can be used for constipation, but headaches, etc. Bob Moore, Lafayette, Ind., says all other gripe and sicken, we DeWitt's Little Early Risers do them well and easy. Sold by all Druggists.

Dream of Righteousness.

There is the dream of righteousness. This is the dream of moral sentiment, and, pursuing it, man becomes a Christian. So long as this hunger for something better further on is a passion and the days are full of zest and fresh feeling, so long manhood is safe and the life waxes in strength, but when these ideals are dimmed, when their outlines lose clearness, then peril draws near. Oftentimes this deterioration is unconscious. The soul lives by the divine manna that falls from heaven.—Rev. Dr. N. D. Hillis, Congregationalist, Brooklyn.

Do You Enjoy What You Eat.

If you don't your food does not do you much good. Kodol Dyspepsia Cure is the remedy that every one should take when there is anything wrong with the stomach. There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headaches, constipation, bad breath, and all the ailments of indigestion, dyspepsia, and catarrh of the stomach are quickly the result of a weak stomach. If you are a Christian, so long as this hunger for something better further on is a passion and the days are full of zest and fresh feeling, so long manhood is safe and the life waxes in strength, but when these ideals are dimmed, when their outlines lose clearness, then peril draws near. Oftentimes this deterioration is unconscious. The soul lives by the divine manna that falls from heaven.—Rev. Dr. N. D. Hillis, Congregationalist, Brooklyn.

An Ancient Landmark.
The Schenectady (N. Y.) Pomona grange held a recent meeting in the spacious old residence of Mr. and Mrs. C. P. Sanders of Scotia. The house was built in 1713 and has been in the Sanders family for many generations. Dinner was served at 1 o'clock on a circular mahogany table which is 200 years old. The parlor is completely furnished with mahogany furniture bought in 1793, with the exception of the piano, which is a modern upright. Nevertheless, Mrs. Sanders exhibited with pride a piano about 200 years old which stands in the upper hall. The collection of china, candlesticks and andirons is remarkable, and all present were much interested in looking at the treasures of so many years ago, says the Utica Press.

A Hint to Others.

Last year the Michigan state grange offered a handsome bookcase to each grange in the state initiating twenty or more new members during the second quarter, 150 granges winning desks and about 5,000 recruits being secured.

It is announced that the next session of the national grange will be held in Rochester, N. Y., in November of this year. New York state granges will send large delegations, and Pennsylvania and Michigan will have large representations.

Michigan's state grange secretary reported at the annual meeting 579 working granges with 36,000 members. Over fifty new granges have been organized since.

Franklin and North Brookfield (Mass.) granges were both officered throughout by women last year.

Short Talks On Advertising

By Charles Austin Bates.

No. 45.

There are two ways of looking at advertising, both of them right. Advertising should be done during the dull time for the purpose of stirring up trade at that time, and also for the sake of the benefit which will come from being continually before the public's eye.

A man should just as quickly think of stopping his advertisements in the Summer or in the dull time after the holidays as he should think of closing up his store several months in the year and keeping it open only when trade would keep him busy.

There is probably no store in the country that could not shut up for three or four months out of the year and be ahead in cash by doing so, but at the end of the next four months the gain will not be apparent.

It does not take people very long to forget things, and if a store were closed four months or the advertising stopped four months, a great many people would have forgotten that the business was in existence.

The other view of advertising is that it ought to be pushed during the busy time when people are ready to buy. Advertising cannot be expected to sell goods when people do not want them, and it will naturally be most effective when it gives publicity to some desirable article at just the right time.

To be sure, advertising will sell anything at any time, if the price be made low enough and the advertisement sufficiently attractive.

Some lines of goods can be forced, and some cannot, but even those which cannot be forced should not be allowed to drop out of sight.
