Anti-Pain Pills, the Best Headache Remedy.

"I wish to say I have used your Anti-Pain Pills and Nervine for La Grippe and knocked it out and kept up my full day's work. I have also used Dr. Miles' Anti-Pain Pills many times during the past year for headache and always with most gratifying results. I consider them the best of headache remedies. I have also used your New Heart Cure in my family with excellent results. Actual experience with these three of your remedies have proved so beneficial that I cheerfully recommend them to others."

MERRIT M. DAYTON, Business Mgr. Ithaca Publishing Co., Publishers Ithaca Daily and Weekly News, Cornell Daily Sun, Cornell Alumni News, 202 N. Tioga St., N. Y.

In itself La Grippe is very dangerous, but in its after effects it is one of the most deadly scourges that afflicts mankind. It shatters the nervous system, weakens the heart's action, and lays the foundation for heart disease. The accompanying fever consumes the vitality and renders the patient susceptible to pneumonia, bronchitis and catarrh. The best treatment consists of Restorative Nervine which soothes the nerves, soothes the brain, restores strength and vitality to the entire system; Dr. Miles' Nerve and Liver Pills, a nerve tonic acting directly on the nerves of the digestive organs causing them to act in a natural and healthy manner, and Dr. Miles' Anti-Pain Pills which speedily relieve the torture of headache, backache and soreness, the most common symptoms of Grip.

The Grange in Maine.

Mr. O. Gardner, master of the Maine state grange, says that at the close of 1902 there were 318 subordinate granges in Maine, of which 178 own their halls, while nineteen more were building halls. The value of the 178 halls with their furnishings is put at \$373,330, an average of more than \$2,000 apiece; the value of the real estate owned by subordinate granges is \$79,000, making a total value of \$452,330 for subordinate grange property in Maine. The membership is 35,000, averaging 156 to each grange. Three Maine granges have more than 600 members each, while several have more than 500.

The grange teaches kindness to animals. The grange at Montville, Vt., practices it. That grange has built a commodious stable in connection with its hall improvements which accommodates thirty-two horses.

What the grange has been and has done are worthy of study and praise. But the past is only an earnest of a much worthier future. Our best history is yet to be made.—American Grange Bulletin.

Little Falls (N. Y.) grange recently initiated a class of about sixty candidates in the fourth degree. Seven Star grange of Troy, Vt., had a similar class a few weeks previous.

The next session of the Pennsylvania state grange will be held at Wilkes-Barre.

Short Talks on Advertising
By Charles Austin Bates

Probably no other single sentence ever hurt business so much as the remark by P. T. Barnum that "the American people like to be humbugged."

You have heard half a hundred people say of different stores: "I will never go there again. They are cheats. They advertise so-and-so, and when I got there they didn't have it, or it wasn't nearly as good as they said in the advertisement."

If a pleased customer is the best of all advertisements, isn't a displeased one the worst? How often the opportunity comes to say: "Oh, I wouldn't go there again; why don't you go to Blank's?"

That comes from being humbugged—because the merchant believed Barnum.

And Barnum himself didn't really humbug people. His show was really "the greatest on earth," and really gave a great big fifty cents' worth for half dollar.

"An occasional woolly elephant more or less didn't matter."

People go to the theatre, and if they are carried away by the play and laugh and shed tears over the incidents they are "humbugged"—to be sure—they believe for the time all the fiction of the play; it is real to them. But how much more would they be humbugged if the play didn't seem real? If Barnum advertised a woolly horse and then showed something which could by no possible stretch of imagination deceive anybody that would be humbug.

"We don't buy dry goods for amusement."

No, Barnum didn't humbug. He amused. He advertised to furnish amusement and he did. Even his lies were amusing—entertaining. We, none of us, believe in fairy tales, but most of us, children or grandpas, like to read them.

But we don't buy groceries and drugs and dry goods for amusement. Not a bit of it. We buy them because we have to, and we want honest value for our money and no nonsense about it. If we can't get it in one store we'll go to another. We don't like to be humbugged, and we won't if we can help it.

Barnum was wrong. He's dead, anyway. And buried.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from diseased kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease and many others, are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of kidney and bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If you are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some pronounced incurable KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such.

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE has cured my bladder and kidney trouble, and after the use of three bottles I am cured."

Had Lumbago and Kidney Trouble
Edward Hays, a well known business man of Salsbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

The Foundation of Health.

Nourishment is the foundation of health, life—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues. Kodol lays the foundation for health. Nature does the rest. Indigestion, Dyspepsia and all disorders of the stomach and digestive organs are cured by the use of Kodol. Sold by all Druggists.

Religion Enriches Life.

Religion satisfies because it enriches life. It opens the way into a new kind of joy. It brings into play a new range of activity. Thus Jesus said that he came that we might have life and that we might have it more abundantly. He came to widen out the circle of human appreciation. The purpose of religion thus considered is akin with the purpose of all progress. It is to teach new truth, to awaken new aspiration, to develop new possibilities, to round out more fully the natural life of man.—Rev. George Hodges, Pittsburg.

Catarrh of the Stomach.

When the stomach is over loaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causing the glands to secrete mucus, instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by all Druggists.
