To Border Line of Life and Death.

Neuralgia of Heart, Weak Stomach.

Dr. Miles' Heart Cure Cured Her.

Neuralgia of the heart causes sudden death. It is an acute affection of the cardiac nerve, just as neuralgia is of the nerves of the face, usually, and sciatica is of the nerve trunk of the thigh. One of its most frequent symptoms is derangement of the stomach and liver. Strengthen the heart's action and enrich the blood with Dr. Miles' Heart Cure; tone up the nerves with Restorative Nerve and you will soon be cured.

"Nervous exhaustion and liver trouble so affected my wife's health that she was greatly run down; neuralgia of the heart set in and for a long time she was very close to the border line of life and death. She was attended by two good physicians, who did all they could for her, but in spite of everything she grew worse right along. One day I saw an advertisement of Dr. Miles' Nerve and New Heart Cure, and the doctor's explanation of the effects of nervous trouble upon the heart seemed so logical that I decided to give the remedies a trial. We now know that the stomach and liver troubles were part of the heart weakness. She improved wonderfully at once. Her appetite picked up, she slept well at night and the pain around her heart rapidly disappeared. Thanks to Dr. Miles' Heart Cure in a few weeks she was able to be up and attend to her household duties, and in a few months every sign of nervous and heart trouble had vanished."

Democratic Hopelessness.

The mysterious popularity of Judge Parker of this state as a prospective presidential candidate is the visible emblem of Democratic hopelessness and dissension. An empty honor is to be bestowed on a barren record, if not an empty name. We have called him the Democratic John Doe, and the phrase is good enough. How much the party fears even to take up its old shibboleth, free trade, is evidenced by the Chicago speech of the astute Edward M. Shepard. He declares "a general revision of the tariff" admits "the widespread popular belief in protection" and would confine the Democratic attack to "the few schedules in which, through such practical monopoly, vast fortunes have been made."—New York Mail and Express.

Just About Bedtime

take a Little Early Riser—it will cure constipation, biliousness and liver trouble. DeWitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cures by gently arousing the secretions and give strength to these organs. Sold by all Druggists.

An Ideal Leader.

Gorman is an ideal leader for the national Democracy, provided the disciples of Jefferson are not particular as to which direction they take.—Lowell (Mass.) Mail.

A Surgical Operation

is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when every thing else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tisdale, Summerton, N. C. For Blind, Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Sold by all Druggists.

land intends to make a tour of the west, but it would not be worth his while to come west of the Mississippi river. He would, as the Democratic candidate, come nearer carrying Missouri for Roosevelt than any other man could possibly do.—Salt Lake Tribune.

The Foundation of Health.

Nourishment is the foundation of health, life—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues. Kodol lays the foundation for health. Nature does the rest. Indigestion, Dyspepsia and all disorders of the stomach and digestive organs are cured by the use of Kodol. Sold by all Druggists.

Religion Enriches Life.

Religion satisfies because it enriches life. It opens the way into a new kind of joy. It brings into play a new range of activity. Thus Jesus said that he came that we might have life and that we might have it more abundantly. He came to widen out the circle of human appreciation. The purpose of religion thus considered is akin with the purpose of all progress. It is to teach new truth, to awaken new aspiration, to develop new possibilities, to round out more fully the natural life of man.—Rev. George Hodges, Pittsburg.

Catarrh of the Stomach.

When the stomach is over loaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causing the glands to secrete mucus, instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by all Druggists.

THE SCHOOL AND GRANGE.

Teachers in Rural School Districts Should Join the Grange.

A large proportion of the rural school teachers are boys and girls who have been raised on the farm. The interests of the farmer and his family, with whom they still associate, are still their interests, and each may be helpful to the other when associated in the grange.

There should be closer relationship between school and grange. A teacher in a rural district should, if there is such an organization as the grange in

GEORGE W. F. GAUNT,
Worthy Master of the New Jersey state grange.

the community, become a member and make the interests of the farmer his interests and in every way possible help to make such organization inspiring and a success. If there is no such organization, a little effort on his part might make it possible to organize one in his community. If the meetings can be made interesting, educational and sociable and there is plenty of enthusiasm among the members, there is little doubt about the older members of the school joining the grange. In fact, they seem to look forward to the time when they will be old enough and eligible to membership.

The grange furnishes an excellent opportunity for the teacher to form the acquaintance of the parents, and the closer the teacher comes in touch with parents the better he will understand his pupils. Then if there are any school matters that the teacher wishes to discuss with the parents or the parents with the teacher the grange meeting furnishes an opportunity.

The above sentiments are those of a school teacher communicated to the Michigan Farmer and are worthy of the consideration of every rural teacher who may read these lines.

ADVANTAGE IN ASSOCIATION

The Grange Helps Farmers to Keep Out of the Ruts.

The grange should be a great help to the man or woman who is trying to extend his or her horizon, and it is just such people who leave their impress upon the world. The people who do not strive to broaden themselves get into a rut. The world has little use for those who stop growing, no matter what their age may be. It is the fuller life, the broader experience, the deeper culture, which enrich civilization, and these we get in our association together. Every occupation is crowded with men who have stopped growing, and agriculture is no exception—men who have got into ruts and cannot get out. Such men do not benefit the world much and are not missed when they retire from active life. It is the men who learn the secret of wise living, men who are broader than the bread and butter question, that the world wants, and the grange is striving to make more such men.

Show Us How.

The Commoner begins an editorial by saying, "If removing the coal tariff will cripple the coal trust," etc. But just hold on, Billy. We want you to show for the first time that the removal of the coal tariff has had any tendency to cripple the coal trust before you undertake to make sane folks believe that removing the tariff kills the trusts.—Moravian Falls (N. C.) Yellow Jacket.

Unconscious Patriotism.

Bryan is just wild to get Judge Parker to say something so that he can talk back at him. The Nebraska man is going to do just as much next year to elect another Republican candidate as if he were again the nominee of his party. He should have due credit for his patriotism, though it is unconscious.—Philadelphia Press.

Look Out, Billy Hearst!

Judge Parker has undertaken the job of reconciling Colonel Bryan to his party and avoiding a split in the next national Democratic convention. Where is Billy Hearst? Is he going to let Parker fix up his fences while he stands looking over the pallings from the outside?—Lincoln (Neb.) Journal.

Little Falls (N. Y.) grange recently initiated a class of about sixty candidates in the fourth degree. Seven Star grange of Troy, Vt., had a similar class a few weeks previous.

The next session of the Pennsylvania state grange will be held at Wilkes-Barre.
