A meeting in the interest of pro hibition of the liquor traffic was held in the M. E. church Monday evening. Rev. C.W.Burnley of Swathmore, Pa., had charge. He was assisted by Miss Ella Bromell of Chester, who gave recitations mostly along prohibition lines.

Prof. L. L. Ford was asked to make some remarks. In the trend of his remarks he expressed belief in the object of the meeting and his determination to co-operate in any effort to obtain results desired. Mr. Ford desired that himself and others find just where we do stand on the

question. Rev. Mr. Burnley's address was forceful. His facts are indisputable, his arguments convincing, and his appeals were touching and effective. The audience showed its interest by the earnest attention given.

Miss Broomell's recitations were appreciated and enjoyed by everyone. At the close of the meeting a Pro-

hibition Alliance was formed with sixteen members. This is a society in which all who desire to have the rum traffic exterminated, can conscientiously unite, without regard to age, sex or political affiliations.

Mrs. T. J. Keeler entertained Miss Broomell during her stay in town. Miss Grace Lawrence of Muncy, is spending the week with her aunt, Mrs. A. J. Bradley.
