Neuralgia of the Heart For Years.

Pain Went From Heart to Head.

Dr. Miles' Heart Cure and Nervine Cured.

"About three years ago my sister was so badly affected with heart trouble and neuralgia of the heart that we did not expect her to live. Although we had a first-class physician she grew worse under this treatment. She had a swollen dropsical look and had frequent spells of neuralgia pain at her heart when she would render the most heart-rending moans and shrieks. At times the pain would go from her heart to her head when a lump would appear on her temple half as large as an egg. One night she got up in bed and ran into the back yard crying with pain; she was not conscious of it, however, and was brought back to the house by neighbors. I bought for her a bottle each of Dr. Miles' Nervine and Heart Cure which helped her greatly. She afterward used some five or six bottles and has never had a spell since. I had used your medicine with great benefit myself. I know that Nervine and Heart Cure not only saved my sister's life but also saved me from insanity and death. I was so nervous I could not bear the slightest noise or movement around me and I suffered from palpitation and pain in the heart. I had choking sensations, dizzy and faint spells, smothering spells when I could scarcely get my breath; I was so nervous I was treated like a child and at one time it was thought I was losing my mind. Nervine saved me from insanity."—KATIE ACKES, Clover Creek, Pa.

The grange has the proud distinction of securing more state and national laws in the interests of agriculture than all other organizations combined.

New York state has been increasing her grange membership very rapidly since Jan. 1.

posed reciprocity treaty, and this no doubt has had a strong influence in making the representatives of those states assume the position they are credited with holding. Even with their help, however, there is great danger to the sugar industry, and its friends should be up and doing if they would make their opposition to the treaty effective.—Michigan Farmer.

take a Little Early Riser—it will cure constipation, biliousness and liver trouble. DeWitt's Little Early Risers are different from other pills. is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when every thing else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tisdale, Summertown, N. C. land intends to make a tour of the west, but it would not be worth his while to come west of the Mississippi river. He would, as the Democratic candidate, come nearer carrying Missouri for Roosevelt than any other man could possibly do.—Salt Lake Tribune.

### The Foundation of Health.

Nourishment is the foundation of health, life—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues. Kodol lays the foundation for health. Nature does the rest. Indigestion, Dyspepsia and all disorders of the stomach and digestive organs are cured by the use of Kodol. Sold by all Druggists.

### Religion Enriches Life.

Religion satisfies because it enriches life. It opens the way into a new kind of joy. It brings into play a new range of activity. Thus Jesus said that he came that we might have life and that we might have it more abundantly. He came to widen out the circle of human appreciation. The purpose of religion thus considered is akin with the purpose of all progress. It is to teach new truth, to awaken new aspiration, to develop new possibilities, to round out more fully the natural life of man.—Rev. George Hodges, Pittsburg.

### Catarrh of the Stomach.

When the stomach is over loaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causing the glands to secrete mucus, instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by all Druggists.

### GRANGE FIELD MEETINGS.

National Master Jones Writes of Their Importance.  
[Special Correspondence.]

These meetings afford rare opportunity to disseminate grange principles. Permit me to suggest to those having local charge of these meetings that no effort be spared to make them of as great value to the Order and the public as possible. The meetings should promote social and fraternal greetings and extend the acquaintance of members and others, with all the good people in a radius of twenty or twenty-five miles of each meeting. To secure large attendance and the best people, system must be employed. The Pomona, or subordinate, grange having the meeting in charge should appoint active and energetic committees—first, on programme; second, on arrangements and grounds; third, on music; fourth, on advertising, invitation and printing; fifth, on reception.

Every detail of the meeting should be thought out and provision made to make the meeting pleasing, entertaining, enjoyable and profitable to all who may attend. If the committee on invitation should have printed a circular letter cordially inviting those to whom it may be addressed and their families to attend and mail or deliver to every family whom you would like to be present it would add largely to the attendance.

Large supplies of grange literature should be judiciously distributed with the letters of invitation and at the meetings. This will afford members an opportunity to inquire after the meeting as to the impressions made by the literature or at the meeting and secure a good many applications. Patrons of Husbandry should remember when those not members of the Order are favorably impressed with the objects, purposes and work of the Order it is a good time to secure their active co-operation and membership.

AARON JONES,  
National Master.

Miss Jennie Buell, Secretary Michigan State Grange.

Michigan Patrons need no introduction to their enthusiastic state secretary. Her connection with grange work began as assistant to the first secretary of Michigan state grange, J. T. Cobb, who was one of the members of the "old guard" and left his impress on the work of the Order in that state. She

was with Mr. Cobb five years and was also editor of the Grange Visitor, then the organ of the granges of Michigan. When Mr. Cobb declined re-election Miss Buell was elected his successor in 1890. Her work in that position has been invaluable to the Order, and no little share of the credit for the remarkable growth of the grange in the Wolverine State belongs to her. Miss Buell has also been lecturer of the Washenaw county Pomona grange for the past four years.

### Thousand Islands Grange Day.

It has been the custom of the New York state grange for a few years past to have a grand rally in August at the Thousand Islands of the St. Lawrence. Under the direction of a special committee comprising Mr. George A. Fuller, overseer of the New York state grange, and Mr. Ira Sharpe, chairman of the executive committee, the meeting there this year will occur on Aug. 18. Addresses will be delivered by Governor N. J. Bachelder of New Hampshire, who is likewise lecturer of the national grange; Professor L. H. Bailey of Cornell university and Hon. James Wood of Mount Kisco, N. Y. As the railroads offer low rates and every one enjoys visiting the beautiful Thousand Islands, a large attendance is anticipated.

### Farmers' Organizations.

Farmers' organizations are a necessity. In order to meet successfully organized power the farmers must form thorough organizations among themselves, and there is no national and complete organization except the grange. It must be either this or nothing, and farmers themselves must decide the question, and it has no middle ground, simply two sides from which to choose. One is to unite in organization and co-operative work in self defense and protection and the other is to keep aloof from organization, which virtually acknowledges that we are incapable of self government and therefore prefer masters to control us, and we accept whatever they may see fit to leave us.—Henry Eschbaugh.

Woman's work in Michigan is divided into three departments—social, school and fresh air. Fresh air work consists in bringing the poorer children of the cities into country homes. Last year 236 were thus transported from the polluted atmosphere of the city to breathe the purer air of the country—to get a glimpse of a nobler life.

There never was greater interest manifested in the work of our Order than at the present moment.

A grange was recently organized in Stafford, N. H., with sixty-two charter members, twenty-six of whom are named Pess.

## Short Talks on Advertising

By Charles Austin Bates.

Don't be too distinctly original in your advertising. Don't try to startle people with your wit. The successful new idea is the one that everybody has unconsciously recognized for a long time. Don't get beyond the age.

"Novelties and startling effects are best for theatricals." Curiosity is aroused the better. That stays. The longer it stays in one spot the better—if it is properly conducted. Show methods of advertising will begot suspicion. Can't have "startling reductions" and "bankrupt sales" every day. That doesn't mean never have a "sale." Have plenty of them, but find a good honest reason for each one and "fight it out on that line." Remember the boy who cried "Wolf!" and don't say anything startling unless it can be backed up with the facts. If you cry "Wolf!" let folks hear him howl.

I don't believe in cute advertising. It may pay in the show business. I've heard that it does. The other day I asked a theatrical manager whether he had ever tried newspaper advertising alone and unaided by posters. He said he had. Said he had tried posters alone, too, and that a combination was better, but he said: "Novelties and startling effects are best of all."

That is for theatricals. Business methods and show methods must of necessity differ. A show stays a day, or three days, or a week. May never come again.

Must get all it can then, and get it quickly. There must be a "hurrah." The more people are startled and the more their curiosity is aroused the better. That stays. The longer it stays in one spot the better—if it is properly conducted. Show methods of advertising will begot suspicion. Can't have "startling reductions" and "bankrupt sales" every day. That doesn't mean never have a "sale." Have plenty of them, but find a good honest reason for each one and "fight it out on that line." Remember the boy who cried "Wolf!" and don't say anything startling unless it can be backed up with the facts. If you cry "Wolf!" let folks hear him howl.

"A show stays a day, or three days, or a week. May never come back again."

# YOUR KIDNEYS ARE THEY WELL?

## Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
