

Sciatic

Trouble From Sprain of Back.

Dizzy, Dull, Nervous, Constipated.

Dr. Miles' Nervine Completely Cured Me.

A frequent complication of rheumatism and sciatica is constipation. The use of Dr. Miles' Nervine and Liver Pills in conjunction with Restorative Nervine makes an ideal treatment for such cases. The Nervine and Liver Pills, by their tonic influence upon the nerves of the stomach, liver and bowels, cause them to act normally. Thus the system is readily cleansed of the impurities which cause the trouble and the nourishing and soothing effect of Nervine is allowed to do its wonderful work of restoration without hindrance from the complications.

"About ten months ago I sprained my back. This ran into sciatic trouble from which I have suffered more or less ever since. This was complicated by chronic indigestion. I had sick headache every day with a dizzy, dull feeling, also quite a little confusion. Was extremely nervous and suffered much from constipation. I was influenced to try Dr. Miles' Remedies and decided to give them a trial. I procured a bottle of the Restorative Nervine and a box of the Nervine and Liver Pills. I used them as per directions and received much relief. I continued the Nervine until I had used several bottles of the same and I am glad to state that it has cured me completely and permanently. I now enjoy good health, relish my meals and can eat any kind of food without fear. I take pleasure in recommending Dr. Miles' Remedies to the public."—REV. A. B. MOWERS, Taneytown, Md.

The grange has the proud distinction of securing more state and national laws in the interests of agriculture than all other organizations combined.

New York state has been increasing her grange membership very rapidly since Jan. 1.

posed reciprocity treaty, and this no doubt has had a strong influence in making the representatives of those states assume the position they are credited with holding. Even with their help, however, there is great danger to the sugar industry, and its friends should be up and doing if they would make their opposition to the treaty effective.—Michigan Farmer.

Just About Bedtime
take a Little Early Riser—it will cure constipation, biliousness and liver trouble. DeWitt's Little Early Risers are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cures by gently arousing the secretions and give strength to these organs. Sold by all Druggists.

An Ideal Leader.
Gorman is an ideal leader for the national Democracy, provided the disciples of Jefferson are not particular as to which direction they take.—Lowell (Mass.) Mail.

A Surgical Operation
is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when every thing else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tisdale, Summertown, N. C. For Blind, Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Sold by all Druggists.

and intends to make a tour of the west, but it would not be worth his while to come west of the Mississippi river. He would, as the Democratic candidate, come nearer carrying Missouri for Roosevelt than any other man could possibly do.—Salt Lake Tribune.

The Foundation of Health.
Nourishment is the foundation of health, life—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all foods into the kind of blood that nourishes the nerves and feeds the tissues. Kodol lays the foundation for health. Nature does the rest. Indigestion, Dyspepsia and all disorders of the stomach and digestive organs are cured by the use of Kodol. Sold by all Druggists.

Religion Enriches Life.
Religion satisfies because it enriches life. It opens the way into a new kind of joy. It brings into play a new range of activity. Thus Jesus said that he came that we might have life and that we might have it more abundantly. He came to widen out the circle of human appreciation. The purpose of religion thus considered is akin with the purpose of all progress. It is to teach new truth, to awaken new aspiration, to develop new possibilities, to round out more fully the natural life of man.—Rev. George Hodges, Pittsburg.

Catarrh of the Stomach.
When the stomach is over loaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causing the glands to secrete mucus, instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by all Druggists.

GRANGE NEWS AND NOTES.

Items of Interest to All Members of the Order.

Build up the juvenile granges. Oregon has about 100 granges, with 5,000 members.

The grange believes in arbitration rather than litigation.

President Roosevelt will visit the New York state fair on Sept. 7.

Let the grange lead in the matter of beautifying rural school grounds.

Tioga county, Pa., is said to have about 4,000 members of the order.

National Master Aaron Jones is also master of the Indiana state grange.

Don't adjourn the sessions of your grange during hot weather. Keep going!

The New York state grange will hold its next annual session in Cortland, N. Y.

The resources of the national grange amount to \$64,928.56—quite a respectable sum.

Union grange of Jamestown, N. Y., buys the coal supply for its members and divides the savings.

Governor N. J. Bachelder, lecturer national grange, will address Kansas field meetings July 20 to 25, inclusive.

Mount Cutler grange of Hiram, Me., received at one meeting fifty-one applications and had fourteen more ready.

The grange is the farmer's school from which no diploma is given. It is one continuous term.—National Stockman.

The great summer meeting of New York Patrons of Husbandry will occur Aug. 18 at the beautiful Thousand Islands.

More granges have been organized in the United States this year than last, and five months left yet to swell the number.

Smock grange, Pennsylvania, has purchased \$7,000 worth of goods through grange trade arrangements last year.

As the result of a four weeks' contest Sebasticook grange, Newport, Me., received sixty-three applications for membership.

Grange education is many sided—four square. It may and should be along the lines of especial interest to our calling and the home.

National Master Aaron Jones is booked for addresses in Greenbrier, Monroe, Cabell and Putnam counties, W. Va., July 29 to Aug. 1, inclusive.

More new members have been received by granges in Herkimer county, N. Y., since Jan. 1 than ever before for the same length of time.

State Master Hill has engaged Professor A. E. Morse of Maine to devote the month of August to addressing grange picnics in Pennsylvania.

New York has twenty-two Patrons' mutual fire insurance companies, carrying risks aggregating \$58,738,632. Last year the cost averaged \$2.20 per \$1,000.

A new grange was recently organized with eighty charter members in Kinderhook, N. Y., the native township of President Martin Van Buren. It is called Lindenwald grange.

Pennsylvania patrons won a decided victory in securing the passage of the new road law. The law secures a state appropriation to be distributed to the counties in proportion to the number of miles of road.

Every member of the West Virginia state board of agriculture, together with its secretary and superintendent of institutions, is a member of the Order of Patrons of Husbandry, says the National Stockman.

It is plainly evident that the permanency of the order rests in the subordinate granges, and the permanency of these rests in a great measure upon the degree of interest attached to them, says S. E. Strode.

Pennsylvania has eight grange mutual insurance companies, carrying risks aggregating \$15,000,000. Some of these have been in operation twenty-five years. The cost has been but little over a half that of stock companies.

National Master Aaron Jones has arranged to address meetings in Massachusetts on Aug. 4, 5, 6 and 7; in New Hampshire on Aug. 13, 14 and 15; in New York on Aug. 17, 18, 19 and 20; in Indiana on Aug. 24, 25, 26, 27, 28, 29 and 31, and in Ohio on Sept. 1, 2, 3 and 4.

Newton Ridge (O.) grange is the proud possessor of a new hall situated on a knoll at the bend of the Muskingum river, the Rhine of America. It is 400 feet above the water's edge and has a view for miles both up and down of one of the most beautiful valleys in the United States.

The grange allows the largest latitude to its members in regard to religious and political matters. It makes no effort to rival or supplant either church or political party. It has work enough of its own without encroaching on that of other organizations or associations, says the Grange Bulletin.

Ostenburg grange, Bedford county, Pa., recently bought a seventy acre farm to be used in connection with a picnic grove, upon which has already been spent \$1,200 for permanent improvements. The dates this year for the annual outing are Aug. 11 to 14. Thousands annually attend this picnic.

The leaders in the grange must work to secure discipline—the training and the development of the intellectual powers of their members. We need more self mastery, more of the power of the individual over himself. It is won by doing things under difficulties. Any one can do the easy things, remarks the Utica Press.

Woman's work in Michigan is divided into three departments—social, school and fresh air. Fresh air work consists in bringing the poorer children of the cities into country homes. Last year 236 were thus transported from the polluted atmosphere of the city to breathe the purer air of the country—to get a glimpse of a nobler life.

There never was greater interest manifested in the work of our Order than at the present moment.

A grange was recently organized in Stratford, N. H., with sixty-two charter members, twenty-six of whom are named Foss.

Short Talks on Advertising

By Charles Austin Bates.

Don't be too distinctly original in your advertising. Don't try to startle people with your wit. The successful new idea is the one that everybody has unconsciously recognized for a long time. Don't get beyond the age.

"Novelties and startling effects are best for theatricals."

curiosity is aroused the better. That stays. The longer it stays in one spot the better—if it is properly conducted. Show methods of advertising will beget suspicion. Can't have "startling reductions" and "bankrupt sales" every day. That doesn't mean never have a "sale." Have plenty of them, but find a good honest reason for each one and "fight it out on that line." Remember the boy who cried "Wolf!" and don't say anything startling unless it can be backed up with the facts. If you cry "Wolf!" let folks hear him howl.

I don't believe in cute advertising. It may pay in the show business. I've heard that it does.

The other day I asked a theatrical manager whether he had ever tried newspaper advertising alone and unaided by posters. He said he had. Said he had tried posters alone, too, and that a combination was better, but he said: "Novelties and startling effects are best of all."

That is for theatricals.

Business methods and show methods must of necessity differ. A show stays a day, or three days, or a week. May never come again. Must get all it can then, and get it quickly.

There must be a "hurrah." The more people are startled and the more their curiosity is aroused the better.

That stays. The longer it stays in one spot the better—if it is properly conducted.
