in company with her mother Mrs.

cident.

Ye editor having come in contact  
with something real fresh recently  
many of our readers are anxiously  
looking for the News Item to some-  
what represent a live wire with :  
full current turned on a harmless  
assailant. We do not choose to use  
our columns to fight personal mat-  
ter of no concern to the public. We do  
however, insist on being treated with  
due respect by public servants and  
when this is not done the public will  
hear in quick order and short meter  
of the kind of officers they place at  
our service. This we propose to do  
in any event.

We read and hear much of the  
mistakes made in high life, but re-  
cently a mistake was made that will  
interest the people of this commu-  
nity. When the furnace was put in  
the cellar of the Episcopal church,  
last winter, part of the contract made  
was to repair the chimney. Fully a  
year has passed and the chimney re-  
mains as intact as ever. Only three  
weeks ago a mason was sent here  
from Dushore with the explicit di-  
rections to fix the chimney of the  
church above the hotel, with a scaf-  
folding on. Now it happened that  
the Methodist church was being  
painted and had a scaffolding on  
while the scaffolding on the Episco-  
pal church had only been removed  
the day previous. There seemed to  
be no doubt in the mind of the ma-  
son that the chimney of the M. E.  
church was the right one, and  
straightway he informed the trustees  
of that church of his intentions, who  
were willing that the work should  
be done providing no bill be sent in  
Hard and long the mason worked  
in the cold, and finally, with a sigh  
of relief, finished his job and decen-  
ded to the ground only to be in-  
formed by a trustee of the church that  
possibly it was the Episcopal church  
and not the M. E. church that need-  
ed the chimney repaired. The poor  
mason after paying his hotel bill  
took the next train for Dushore.  
The situation now stands as follows:  
The Methodist church is in a new  
chimney, the chimney of the Episco-  
pal church is as intact as ever; a  
contractor is still out of his money  
and a job is awaiting the first mason  
that comes along.

**Life Insurance**

A FEW OF THE MANY REASONS  
WHY YOU SHOULD HAVE  
A POLICY

**WITH THE NEW YORK LIFE**

BECAUSE—Incontestable from the  
date of issue. Because—absolutely  
without restrictions. Because—non  
forfeitable from date of issue. Be-  
cause—cash loans are provided after  
second year, on demand at 5 per cent  
interest without fee or other charge.  
Because—if death does not occur an  
accumulative policy is a highly profit-  
able investment for the policy-holder  
who lives.  
Policies now maturing to living  
policy-holders prove this. In fact  
NEW YORK LIFE policies do not  
leak.

Health and Accident Insurance  
also written. A postal card will  
bring an agent to you, or a person-  
interview can be had at the office  
Saturdays, regular office day.

New Fall and Winter Suits  
and Overcoats.**

In choosing your Fall and Winter suits, bear in mind  
the two things that have most to do with your appear-

It is in these features that we excel. The correct fabric  
for this season is Fancy Cheviot or Worsted in the new  
overplaid and fancy mixtures; grays and brown predomi-  
nating. We have them in any cut at from \$0.00 to \$25.  
WINTER OVERCOATS, The most popular style for  
this season is the regular fly front coat 44 long, though 48  
or 50 inch length may be had if preferred. They fit per-  
fectly, yet are roomy and comfortable; price, \$8 to \$25.

Belt Coats. In many respects an ideal coat for general  
wear; long, loose, warm and comfortable \$10 to \$30. We  
guarantee each and every garment and anything that goes  
wrong will be made right. Also carry a full line of Gents  
Furnishings and "WalkOver" shoes
