

Sick

Headaches and Dizzy Spells,

Weak, Nervous, Wretched, Tired,

Until Dr. Miles' Nervine Cured Me.

Are you in a "poor condition?" Are you almost ready to give up from exhaustion, nervousness, headaches, backaches, and dizzy spells? No need to mention the details of a run down or "poor condition" to those who are suffering. Better to tell you of Nervine, the remedy sold on a guarantee to help you, and restore your poor weakened nerves to life, strength and health.

"Dr. Miles' Restorative Nervine has done a great deal for me. In the fall of 1897 my health was in a very poor condition. Extreme nervousness, dizzy spells and sick headaches made me most miserable. I had been under the care of our local physician for some time, but got no better. I was on the verge of nervous prostration. Had no appetite, and could not sleep. I grew worse as the dizzy spells continued and lost flesh and strength. Oh! those awful days. A lady friend who had taken Restorative Nervine advised me to try it. I bought a bottle at the local drug store and when it was one-half gone I noticed that the medicine was helping me. I continued taking it according to directions until I had used three bottles when I felt so much better I stopped taking it. I feel that my present greatly improved health is all due to Dr. Miles' Restorative Nervine. I am grateful for the benefit I received and recommend the Nervine wholly on its merits as a nerve tonic and restorative."—Mrs. P. M. HOGBOOM, Dalton, Mass.

CO-OPERATIVE STORES.

They are but few as compared with former days.

Twenty-five or thirty years ago co-operative grange stores were much more common than they are today. Then the profits on groceries and provisions were larger than they are now, and as these profits declined, particularly on staple articles of trade, the grange stores began to decrease in numbers, as most of them were established with small capital. Today those stores are very few, but some of them are doing good business because well managed.

The Central New York Pomona Exchange at Syracuse and others at Herkimer, Little Falls and other places are among the number. The Grangers' Exchange at Herkimer was organized twelve years ago with a capital stock of \$4,000. A portion of the net proceeds has been used each year to increase the stock of goods, and at the same time a dividend of not less than 6 per cent has been declared. At the annual meeting in January last a dividend of 25 per cent was set aside. The sales last year amounted to more than \$60,000. It does a strictly cash business, but sells goods to everybody at a uniform price. The Grange's Mercantile association of Little Falls recently declared a dividend of 25 per cent on last year's business. These are exceptional. The average co-operative grange store is not a very profitable enterprise in these latter days.

The Good Roads Question.

When the New York state granges get through with the barge canal question they should give good roads their attention. They can if they will yield a most wholesome influence for the betterment of our highways. To this end the Brownlow good roads bill, introduced into the second session of the Fifty-seventh congress, finds many strong advocates in the grange. The bill was referred to the committee on agriculture and ordered printed, and it is expected to come before the next session of congress. It is defined as a bill to create in the department of agriculture a bureau of public roads and to provide for a system of national, state and local co-operation in the permanent improvement of public highways.

What is Scott's Emulsion?

It is a strengthening food and tonic, remarkable in its flesh-forming properties. It contains Cod-Liver Oil emulsified or partially digested, combined with the well-known and highly prized Hypophosphites of Lime and Soda, so that their potency is materially increased.

What Will It Do?

It will arrest loss of flesh and restore to a normal condition the infant, the child and the adult. It will enrich the blood of the anemic; will stop the cough, heal the irritation of the throat and lungs, and cure incipient consumption. We make this statement because the experience of twenty-five years has proven it in tens of thousands of cases. Be sure you get SCOTT'S Emulsion. 50c. and \$1.00, all druggists. CHAUTAQUA GRANGE HALL

A Beautiful Temple as the Headquarters for Patrons of Husbandry. The new grange hall at Chautauqua Lake, N. Y., is an accomplished fact. It has been formally dedicated to the use of Patrons of Husbandry by appropriate ceremony.

For many years, says Mrs. Eliza C. Gifford in the Grange Bulletin, Chautauqua Institute has set apart one day during the two months of its summer session as grange day, when all persons wearing the badge of the Order are admitted to the ground free. This courtesy is extended to no other organization except the G. A. R. and their wives. Chautauqua recognizes that

the grange is working along the same lines with the "Chautauqua idea"—namely, "the development of a higher manhood and womanhood." So, two years ago, the P. of H. were invited to build a home of their own at this world renowned educational center. As an inducement the management offered to give the lot on which the building should stand. As, however, no location was at the disposal of the institution which seemed desirable, the management generously gave the value—\$400—toward the two lots selected, the total cost of which was \$1,000.

The structure is in the style of a Doric temple, is built of concrete on expanded metal, with beautiful windows. The interior is finished in Georgia pine. It was erected by Mr. Cyrus E. Jones of Jamestown as a memorial to his father.

Topics For Discussion in the Grange.

The following topics may be found suitable for consideration in subordinate granges:

- "Are the game laws of advantage to the farmer?"
- "Has nature or education the greater influence in the formation of character?"
- "Is the silo profitable for the farmer who keeps but ten cows?"
- "Socialism and how its success would affect husbandry."
- "Agricultural inventions of the nineteenth century and their effect on the farmer's interests."
- "How may the grange be of help to our common schools?"
- "Should farmers produce as nearly as possible all they consume?"
- "Farm fencing—kinds, expense, effectiveness, etc."
- "The value to farmers of the rural telephone."

The Grange Wins Out.

A recent issue of the Ohio Farmer states truth tersely when it says: "The grange not only co-operates with legitimate progressive enterprises, but it has pioneered and succeeded in more good work for the American farmer than all of its contemporaries put together. It forges ahead, makes unpopular ideals popular. The secret of its final success is that it has learned in the long years of its experience with all sorts of schemes to judge what is best to do, what is possible and reasonable and then to go after it with steady, determined, level headed persistence that gradually melts away opposition and at last wins out."

It is said that the idea of a market controlled by the farmers themselves, as the new farmers' organization, with headquarters in Phoenix, Ariz., proposes, gave Chicago grain speculators quite a jolt.

There is a wonderful growth in grange membership in nearly every state in the Union where the Order exists.

Two new Pomona granges were organized recently in Pennsylvania.

Short Talks On Advertising By Charles Austin Bates.

Some way or other, it always happens that the judicious advertiser succeeds. Judicious means many things. Some men better never advertise. Some things better never be advertised. Men who are not honest—who do not keep their promises—whose advertisements mislead, and whose stores disappoint—they had better let advertising alone.

"He never expects to sell to the same man twice."

There is a man in New York—a furniture dealer—who says that he never expects to sell to the same man twice. He uses all means to get the best of the deal the first time. Makes all the profit he can on the one sale, because he knows that the buyer will never come back—that he will discover the cheat.

Now, it wouldn't pay that man to advertise, and he knows it, and he doesn't advertise. But a fairly honest business, conducted by a man who keeps pretty close to the letter of truth, it will always pay to advertise.

Most business men are careless in their statements. They have become so used to writing "biggest," "grandest," "greatest," "best," that they can only think in superlatives. They mean to be honest—probably are. They are merely careless, and failure is the price of carelessness in advertising. Maybe not absolute failure, but something very short of success.

Every advertisement should have careful consideration. All the discrepancies should be eliminated. No careless statements should be allowed. If you can't take time to attend to your advertising carefully, better cut it down. Cut off the parasites. Cut off novelties—programmes. Cut off the paper to whom you

give a hundred, just to get rid of it—to keep it quiet." Cut off the paper that is too cheap to be good. A good advertisement in the best paper will do more good—more in proportion to price—than anything else you can do. There is always a best paper in town. A good advertisement of goods in a good paper will always pay. Always.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable
Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble
Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
