"TAKE-DOWN" REPEATING SHOT GUNS

These guns are a high-class production at a low-class price. For strong shooting and lasting qualities, they are in a class by themselves. They are made in 12 and 16 gauge, in full cylinder or modified choke for brush and field shooting; or full choke for trap and duck shooting. They can be taken down instantly without any tools. To get the best results always use Winchester Factory Loaded Shells in these guns, as one is made for the other. FREE -- Send for our 160-page Wustrated catalog
