Mr. Fred Eddy left on Monday
for Williamsport where he will take
a course at the Commercial College.

F. W. Gallagher has had an iron
fire escape attached to the rear of
the Laporte hotel, leading from the
top floor to the ground.

Mrs. Kate Butcher who was con-
victed, at last term of court, of sell-
ing liquor without license was last
week sentenced to six months in
county jail and to pay a fine of \$500.

Announcement is made of the
coming marriage of Mr. Arthur
Miner of Bernice, to Miss Verna
Foust of Nordmont, at the home of
the bride's parents on January 27.

Fire was discovered in the resi-
dence of W. A. Kennedy Monday
night at a little past eleven o'clock.
The flame had broke through the
roof near the chimney when first dis-
covered. Timely assistance exten-
guished the fire before much damage
was done.

Hayman Herr, the popular clothier
of Muncy Valley, registered at the
Laporte Hotel Tuesday night. Mr.
Herr recently purchased the interest
Jacob Per held in his business and is
now sole owner of the large store in
Muncy Valley.

The nine-year-old daughter of Mr.
and Mrs. Edward Worthington of
shrewsbury township, died at the
home of her grandparents, Mr. and
Mrs. Fulmer, at Eagles Mere, Jan.
11, of pneumonia. The funeral ser-
vices were held on Wednesday, Rev.
S. B. Bidlack officiating.

Mr. and Mrs. T. J. Keeler were
called to Benton Saturday by the
illness of their daughter Miss Win-
ifred, who was visiting her sister
Mrs. S. B. Karns. Mr. Keeler re-
turned on Monday and reported his
daughter much better. Mrs. Keeler
will remain until Miss Winifred is
able to return with her.

It is rumored that on account of
the great quantity of snow in the
woods, said to be upwards of four
feet in depth, the people of Some-
town are getting uneasy about the
splash dam on the outlet of the lake
at Eagles Mere. It is said to be un-
safe, the west end of it having already
partly given away. Disastrous con-
sequences is feared if soft weather
sets in.

Official reports from the Eastern
Penitentiary was reported to this
county last week, stating that from
the results of freezing, three toes on
one foot of Barney Sliwoski were
amputated. Also that Lewis Wal-
lace had two toes and one foot ampu-
tated as the result of this same
cause. These men are the two who
escaped from the county jail Christ-
mas night and wandered about the
vicinity of Nordmont in trying to
reach Bernice.

A new schedule on the W. & N. B.
railroad went into effect Monday,
and the change is hailed with approval
all along the line. Passenger service
on this road is now considered the
best had in several years. The re-
vised time-table elsewhere in this
issue shows the morning southbound
train two hours earlier, which gives
passengers an opportunity to reach
Williamsport in the forenoon. The
evening southbound also brings
passengers home an hour earlier
to rest from their journey.

The Sullivan Herald last week
ventured to offer an explanation
why the News Item, with its largest
circulation of any paper in the coun-
ty, was ignored by the Sheriff in his
advertising patronage. The Herald
states that "if the story be true" we
offered the Sheriff a "rake off" for a
share of the advertising required
from his office. This mode of mod-
ern commercialism is so original in
this section that we believe the al-
leged story referred to above, to have
hatched in the germ-breeding attic
of the Herald editor's upper story.
If not, we must take the privilege to
state here, very frankly, that we
consider it a devilish awkward way
of giving us "the tip" on how to
solve the mystery. Convinced as
we are, that this is not the case, we
hold the Herald as author of the
story. Disclaiming it, however,
we would like to have the Herald
state just how much of a "rake off"
is required to monopolize the adver-
tising in question, as the Herald
now does. A little competition
started in the matter of "rake off"
might make some offices much more
lucrative to the incumbents way of
thinking.

WINCHESTER
RIFLE AND PISTOL
CARTRIDGES.

"It's the shots that hit that count." Winches-
ter Rifle and Pistol Cartridges hit, that is,
shoot accurately, and strike a good, hard, pen-
etrating blow. They are loaded with great
care and precision, and made in calibers
suitable for all kinds of game, from rabbits
to grizzly bears. If you want reliable ammu-
nition, buy the time-tried Winchester make.

FOR SALE BY ALL DEALERS.

A decree of Pope Pius X has
reached this country directing that
women vocalists be excluded from
participation in the services of the
Catholic churches. The order it is
said becomes operative in every
Roman Catholic church in the United
States. The pope's orders not on-
ly revolutionizes vocal music in the
churches but directs that pianos be
forbidden in the sacred edifices, as
well as bands, drums, cymbals and
the like. "Since modern music," the
decree says in part, "has risen main-
ly to serve profane uses, greater care
must be taken with regard to it in
order that the musical compositions
of modern style which are admitted
to the churches may contain nothing
profane and be free from motifs
adopted in the theatres." While the
pontiff has not excluded solos, they
must be sung by boys. The decree
has not yet been received by the in-
dividual churches.

The generosity of Andrew Car-
negie has reached our little county,
and the Eagles Mere Presbyterian
church, the object of his beneficence,
will have a handsome church organ,
of which one-half the cost will be
paid by Mr. Carnegie, who already
has sent his check for the amount to
S. D. Andrus, the music dealer of
Williamsport, who will place the
organ in the church.

We would like to inform the
charitably inclined Mr. Carnegie
that Laporte is only six miles dis-
tant from Eagles Mere, and has sev-
eral needy churches that would ap-
preciate a gift of less than one-half
the cost of a grand organ, should he
chose to deviate from his chosen
hobby of giving organs and libraries.

Life Insurance
A FEW OF THE MANY REASONS
WHY YOU SHOULD HAVE
A POLICY

WITH THE NEW YORK LIFE
BECAUSE—Incontestable from the
date of issue. Because—absolutely
without restrictions. Because—non
forfeitable from date of issue. Be-
cause—cash loans are provided after
second year, on demand at 5 per cent
interest without fee or other charge.
Because—if death does not occur an
accumulative policy is a highly profit-
able investment for the policy-holder
who lives.
Policies now maturing to living
policy-holders prove this. In fact
NEW YORK LIFE policies do not
leak.

Health and Accident Insurance
