

Relief

From Headache and Neuralgia

In a Few Minutes After Taking

Dr. Miles Anti-Pain Pills. Chronic Case Cured.

"I cannot speak too highly of your remedies and I will always tell my friends how much they have done for my husband and myself for sudden attacks of headaches, neuralgia and rheumatic pains. There is nothing equal to Dr. Miles' Anti-Pain Pills. They are simply splendid and give relief in fifteen or twenty minutes. I used to be subject to attacks of headache, which had become chronic, and I took a course of Nerve and Nerve and Liver Pills in connection with the Anti-Pain Pills. The result is I now have very little trouble in that way. My husband has also taken these remedies and praises them very highly. We always have some of both kinds of pills in the house, and do not feel that we could get along without them.—MRS. KATE K. JOHNSON, McClellandville, Delaware.

There are many reasons why you should take Dr. Miles' Anti-Pain Pills, but the best reason is that they will give you almost instant relief from headache or other pain. In cases of chronic headache, when the sufferer knows an attack is coming on, a Pain Pill will usually prevent it entirely. In cases of extreme nervous exhaustion, when the brain is too tired and the body too nervous to rest, an Anti-Pain Pill will soothe the nerves so that sleep may come. They never fail, yet contain no opiates and are non-laxative.

All druggists sell and guarantee Dr. Miles' Anti-Pain Pills. They are non-laxative, contain no opiates, never sold in bulk, 25 doses, 25 cents. Dr. Miles Medical Co., Elkhart, Ind.

CO-OPERATIVE STORES.

They Are but Few as Compared With Former Days.
 Twenty-five or thirty years ago co-operative grange stores were much more common than they are today. Then the profits on groceries and provisions were larger than they are now, and as these profits declined, particularly on staple articles of trade, the grange stores began to decrease in numbers, as most of them were established with small capital. Today those stores are very few, but some of them are doing good business because well managed.

The Central New York Pomona Exchange at Syracuse and others at Herkimer, Little Falls and other places are among the number. The Grangers' Exchange at Herkimer was organized twelve years ago with a capital stock of \$4,000. A portion of the net proceeds has been used each year to increase the stock of goods, and at the same time a dividend of not less than 6 per cent has been declared. At the annual meeting in January last a dividend of 25 per cent was set aside. The sales last year amounted to more than \$80,000. It does a strictly cash business, but sells goods to everybody at a uniform price. The Grange's Mercantile association of Little Falls recently declared a dividend of 25 per cent on last year's business. These are exceptional. The average co-operative grange store is not a very profitable enterprise in these latter days.

Short Talks on Advertising By Charles Austin Bates.

No. 22.

When a contractor is in a hurry to drive a long plank down the side of a new sewer he sets two men at it. Each with a big maul hits it alternate blows as often and as hard as he can. The strokes come as evenly as a pendulum swings.

One man and one maul would drive the plank down, but it would take longer. The bigger the maul the quicker and easier he will do the work.

Two men, or a dozen, with tack-hammers would not get the plank driven in a hundred years. There's a parallel to this in advertising. If you're in a hurry to drive your business, use two papers and make the advertising mail—the space—as big as possible. If you haven't money enough to buy two big mauls, only buy one, use only one paper—the best—and make the space big enough to be felt. You'll do more good with one maul than with half a dozen tack-hammers. You'll get more benefit from a regular advertisement, of sufficient size, in the best paper in town, than you will from half a dozen smaller ads in a weaker paper.

If you have only one ad, have it right. You don't believe in cutting your store in two, do you? You don't establish a branch until you feel sure you are doing all you can in the main store.

Be sure you are doing enough in the best paper before you think of adding another.

"The strokes come as easily as a pendulum swings."

"You'll do more with one good maul than a dozen tack-hammers."

"You don't believe in cutting your store in two, do you?"
