Randall and Meylert's mines were shut down a few days on account of high water but are now running again as usual.

John Shaffer while skidding logs on F. H. Ingham's timber tract near Ringdale, had the misfortune of losing a horse in an accident. A large log that was hitched to the team rolled over a thirty-foot embankment taking both horses with it, one was killed and the other badly injured.

Colonel Hoteler, special pension examiner located at Williamsport, was at Laporte Tuesday making inquiries about this town with a view of selecting a suitable summering place for himself and a party of friends during the coming season.

While a guest at Eagles Mere last summer, the Colonel happened to visit Laporte and was much impressed with the natural beauty and the invigorating air of the county seat which he thought surpassed that of Ella les Mere. Being a government official he called at the post office and made inquiries of the post master concerning the nature of the walks and drives around Laporte, and was horrified to learn that cattle, horses and swine were allowed to roam the streets and that the pretty little park located in the center of the town, was a veritable pasture field during the summer months; and also was shocked on being told of the sights that would greet the eyes of the summer visitor if the wished to take a stroll along the highways leading from Laporte. Colonel Hoteler complimented the local paper for its stand against the filth which litter our streets and which gives the town such a vulnerable reputation.

He was surprised to learn that those who would be most benefited by improving the town, were opposed to the move made for clean streets. Mr. Hoteler said that if it were not for this one objection he could bring fifty guests to Laporte the coming season and was sure that all would be delighted with nature's beauty at this point, many of whom would return and bring friends each succeeding year, if the inhabitants would only do their share as nature did in beautifying the town.

Laporte can feel justly proud in having the only vested choir in Sullivan County and the only vested boy and girl choir between Williamsport and Towanda. For weeks the ladies of St. John's Guild have been working faithfully at the vestments for the children and the fruits of their labor will be seen on Easter Sunday afternoon at 3 o'clock, in the Episcopal Church when the choir will make its first public appearance. The boys and girls will be gowned in black Cossacks and white cottas and in addition the girls will wear small black caps known as toques.

Mrs. E. M. Dunham has kindly rendered her service in polishing off the voices of the children. Special Easter Anthems have been prepared for Easter when a choir of ladies will assist in singing.

The choir will hereafter sing at the Sunday afternoon service the following boys and girls compose the choir Rex Eddy, Oliver Rose, Nelson Lawerson, Harry Rose, Leo Brieger, Karl Wrede, Effie Gansel, Eva Stakhouse, Edith Maben, Pearl Heim, Nora Casselbury, Marguerite Crossley.

The view was held last Saturday and the hearing continued at Laporte Monday. The road passes over the State Line & Sullivan R. R. Co.'s property now under lease to the Connel Anthracite Co., for about three-fourth of a mile and over lands of Mrs. Harriet Meylert, now under lease to Randall and Meylert nearly one-fourth of a mile. The viewers reported the road necessary and found damages as follows: to the S. L. and S. R. R. Co., \$300; to Mrs. Harriet Meylert, \$250; to Randall & Meylert, \$400. It is rumored that the S. L. & S. Co. will appeal from the award of the viewers.

Mrs. Merrit Shaffer, formerly of near Laporte, died at her home in Bedford county, Monday March 23, of pneumonia, leaving a five-days old child. Mrs. Shaffer was a sister of Atty. J. H. Thayer of Dushore.

Wants State to Aid in Flood Times.
Committee representing Wilkes-Bare and several towns up and down the valley which suffered greatly from the recent flood, met recently and took measures to prevent further floods.

The Legislature is to be petitioned to remove all islands which obstruct the channel and form ice gorges; to cut down abrupt curves in the river; to dense it of culm deposits, and to appoint a department to see that it remains unpolluted and unobstructed. The movement is to be vigorously pushed. This is move in the right direction and should be kept up. Within Columbia County there are several river island and the remains of many more.

The county map shows ten islands between Berwick and Danville—8 of them being in Columbia County.

The north bank of the Susquehanna is thickly settled, Berwick, Centerville, Espy, Bloomsburg, and Rupter and on the south, protected by the mountain, are Millville and Catawissa, where the mountain breaks down, exposing it to the trend to the water.

The subscribers and all persons who desire to take stock in the proposed Sullivan County Telephone Co. will meet in person or by proxy at Dushore on Saturday April 2 at 11 o'clock A. M. to organize said company.

By order of Committee,
Ulysses Bird,
Chairman.

WHY YOU SHOULD HAVE
A POLICY
WITH THE NEW YORK LIFE

BECAUSE—Incontestable from the date of issue. Because—absolutely without restrictions. Because—non forfeitable from date of issue. Because—cash loans are provided after second year, on demand at 5 per cent interest without fee or other charge. Because—if death does not occur an accumulative policy is a highly profitable investment for the policy-holder who lives.

Policies now maturing to living policy-holders prove this. In fact NEW YORK LIFE policies do not leak.

Health and Accident Insurance also written. A postal card will bring an agent to you, or a personal interview can be had at the office Saturdays, regular office day.

A tract of coal land near Bernice containing two hundred acres, has been leased by the O'Boyle-Foy Anthracite Mining Co. of Wilkes-Barre. The company desires to build a railroad about one and one-half miles in length from the Lehigh Valley tracks at Bernice to the site of its proposed breaker. They began proceedings under the law providing for short railroads from a near line to coal lands near by, and at a session of court held at Laporte about three weeks ago, Judge Wheaton of Luzerne county, specially presiding appointed six viewers to view the premises and assess the damages to the owner of the land over whose property the road passes and also report upon the necessity of the road. The viewers appointed were Reubin Thrasher, Ulysses Bird, Frank Tuschner, W. C. Mason, Daniel Osman and Joseph C. Pennington.
