

# Relief

From Headache and Neuralgia

In a Few Minutes After Taking

Dr. Miles Anti-Pain Pills. Chronic Case Cured.

"I cannot speak too highly of your remedies and I will always tell my friends how much they have done for my husband and myself for sudden attacks of headaches, neuralgia and rheumatic pains. There is nothing equal to Dr. Miles' Anti-Pain Pills. They are simply splendid and give relief in fifteen or twenty minutes. I used to be subject to attacks of headache, which had become chronic, and I took a course of Nervine and Nerve and Liver Pills in connection with the Anti-Pain Pills. The result is I now have very little trouble in that way. My husband has also taken these remedies and praises them very highly. We always have some of both kinds of pills in the house, and do not feel that we could get along without them.—MRS. KATE K. JOHNSON, McClellandville, Delaware.

There are many reasons why you should take Dr. Miles' Anti-Pain Pills, but the best reason is that they will give you almost instant relief from headache or other pain. In cases of chronic headache, when the sufferer knows an attack is coming on, a Pain Pill will usually prevent it entirely. In cases of extreme nervous exhaustion, when the brain is too tired and the body too nervous to rest, an Anti-Pain Pill will soothe the nerves so that sleep may come. They never fail, yet contain no opiates and are non-laxative.

All druggists sell and guarantee Dr. Miles' Anti-Pain Pills. They are non-laxative; contain no opiates, never sold in bulk, 25 doses, 25 cents. Dr. Miles Medical Co., Elkhart, Ind.

## A Progressive Grange.

Stockholm Depot (N. Y.) grange is doing good work. It has a well-organized literary programme for the year. It has a membership of 200, owns a building lot and has \$340 in the treasury. At a recent meeting it was unanimously voted to unite with other organizations of the county to form a county dairymen's association.

The Kansas state grange reports show that the balance in the treasury is greater than at any time during the last twenty-five years. At the last meeting, held at Arkansas City, Hon. E. W. Westgate was re-elected master of the grange.

## FOLEY'S HONEY AND TAR

stops the cough and heals lungs

### Short Talks on Advertising

By Charles Austin Bates.

When a contractor is in a hurry to drive a long plank down the side of a new sewer he sets two men at it. Each with a big maul hits it alternate blows as often and as hard as he can. The strokes come as evenly as a pendulum swings.

One man and one maul would drive the plank down, but it would take longer. The bigger the maul the quicker and easier he will do the work.

Two men, or a dozen, with tack-hammers would not get the plank driven in a hundred years. There's a parallel to this in advertising. If you're in a hurry to drive your business, use two papers and make the advertising maul—the space—as big as possible.

If you haven't money enough to buy two big mauls, only buy one, use only one paper—the best—and make the space big enough to be felt.

You'll do more good with one maul than with half a dozen tack-hammers. You'll get more benefit from a regular advertisement, of sufficient size, in the best paper in town, than you will from half a dozen smaller ads in a weaker paper.

If you have only one ad, have it right. You don't believe in cutting your store in two, do you? You don't establish a branch until you feel sure you are doing all you can in the main store.

Be sure you are doing enough in the best paper before you think of adding another.
