

DOCTOR

Tried but Could Not Relieve Me

Of Headache, Dizziness, Twitching.

Dr. Miles' Nervine Did Relieve and Cure.

"The doctor tried but couldn't relieve me" is a phrase commonly met with in the letters we receive from grateful patients. The reason is plain. The doctor tries to cure the symptom and neglects the disease. In all cases of chronic headache, nervousness, weakness, general debility, dizzy spells, loss of appetite, inability to sleep, lack of energy, loss of flesh, lack of interest, morbid tendencies, hysteria, the disease is a nervous disorder and some means must be taken to strengthen and restore the nervous system. Dr. Miles' Restorative Nervine is performing wonders every day and will cure you as it has thousands of others. Read how quickly it acted in the following case:

"A few years ago I was greatly troubled with nervousness and indigestion. While at work a dizzy spell would come over me and I would be forced to stop and rest. I suffered terribly from headaches and my nervousness was so marked as to cause almost constant twitching of the muscles. My doctor tried but could not relieve me. I finally began the use of Dr. Miles' Restorative Nervine and continued until I have used four bottles, although I have not had a dizzy spell since taking the first dose. I am very thankful for what your medicine has done for me and shall take pleasure in recommending it whenever I can."—FRANK P. BENTLEY, Middlebury, Vt.

A Progressive Grange.

Stockholm Depot (N. Y.) grange is doing good work. It has a well organized literary programme for the year. It has a membership of 200, owns a building lot and has \$340 in the treasury. At a recent meeting it was unanimously voted to unite with other organizations of the county to form a county dairymen's association.

The Kansas state grange reports show that the balance in the treasury is greater than at any time during the last twenty-five years. At the last meeting, held at Arkansas City, Hon. E. W. Westgate was re-elected master of the grange.

Life Insurance

A FEW OF THE MANY REASONS WHY YOU SHOULD HAVE A POLICY

WITH THE NEW YORK LIFE BECAUSE—Incontestable from the date of issue. Because—absolutely without restrictions. Because—non-forfeitable from date of issue. Because—cash loans are provided after second year, on demand at 5 per cent interest without fee or other charge. Because—if death does not occur an accumulative policy is a highly profitable investment for the policy-holder who lives.

Policies now maturing to living policy-holders prove this. In fact NEW YORK LIFE policies do not leak. Health and Accident Insurance also written. A postal card will bring an agent to you, or a personal interview can be had at the office Saturdays, regular office day.

Short Talks on Advertising

By Charles Austin Bates.

One man succeeds and another man fails and people wonder how it happens. It seems sometimes to people who don't think deeply that the weaker, duller man goes ahead, and that his more brilliant brother sticks in the rut at the bottom of the hill. Slight differences in men seem to make all the wide differences between success and failure. In games of chance (?) the "bank" has only a slight percentage, but the bank always wins. Back of every result is a reason. Back of business success are earnestness, energy, persistence, concentration. Between these and achievement is advertising. No man ever yet made a success of business without advertising of some sort. Maybe he didn't call it advertising, but it was advertising just the same. Advertising primarily consists in letting a lot of people know you are in existence and what excuse you may have for it. The nucleus of advertising is a sign over the door. If nobody had ever put up a sign, one baking powder company would not now be paying out \$300,000 a year placing signs in all the newspapers of America. When a man goes into business he has some cards printed, and when he meets an acquaintance thereafter he pokes out a card and says: "When you are down my way, drop in." That's advertising. The trouble is that you can't repeat the operation often enough—personally. What you can do is to put the card and the remark, more or less elaborately expressed, into such a paper as the one you are reading now and have it handed to a great number of people all in one day. The difference in men that makes one do this and another refuse is small. That is, it looks small at the start. It's like most all little things. When you stop to analyze it and figure it out to its ultimate result, you find that it grows into proportions of great magnitude. An advertisement in the newspaper is a little thing, but it goes into thousands of homes and tells thousands of people just what you most wish them to hear.

If the ad. is an honest ad. it will always pay.

"When you've done my way, drop in." Copyright, Charles Austin Bates, New York.
