

Weak

Heart From Attack of LaGrippe. Palpitation, Smothering, Short Breath.

Dr. Miles' Heart Cure Cured Me.

The terrible after effects of LaGrippe are most dangerous when they attack the heart, the engine of life. Weak hearts are as common as weak stomachs and when an attack is made upon the weak heart, that organ soon becomes a diseased heart and the patient will unless promptly treated, suffer long and eventually die of heart disease, the dread of millions.

Some years ago I had an attack of the grip, and it left me with a very weak heart. Palpitation, shortness of breath and smothering spells that made me sit up in bed to breathe, robbing me of sleep, made me most miserable. I would become fatigued and exhausted from the least exertion and was in such a critical condition that I could not attend to my business. My physician seemed unable to control my case, and instead of getting better I was gradually growing weaker every day. Then I began taking Dr. Miles' Heart Cure and after I had used two bottles I was greatly improved.

A Progressive Grange. Stockholm Depot (N. Y.) grange is doing good work. It has a well organized literary programme for the year. It has a membership of 200, owns a building lot and has \$340 in the treasury. At a recent meeting it was unanimously voted to unite with other organizations of the county to form a county dairymen's association.

The Kansas state grange reports show that the balance in the treasury is greater than at any time during the last twenty-five years. At the last meeting, held at Arkansas City, Hon. E. W. Westgate was re-elected master of the grange.

A FEW OF THE MANY REASONS WHY YOU SHOULD HAVE A POLICY

WITH THE NEW YORK LIFE

BECAUSE—Incontestable from the date of issue. Because—absolutely without restrictions. Because—non forfeitable from date of issue. Because—cash loans are provided after second year, on demand at 5 per cent interest without fee or other charge. Because—if death does not occur an accumulative policy is a highly profitable investment for the policy-holder who lives.

Policies now maturing to living policy-holders prove this. In fact NEW YORK LIFE policies do not leak.

Health and Accident Insurance also written. A postal card will bring an agent to you, or a personal interview can be had at the office Saturdays, regular office day.

Short Talks on Advertising

By Charles Austin Bates

One man succeeds and another man fails and people wonder how it happens. It seems sometimes to people who don't think deeply that the weaker, duller man goes ahead, and that his more brilliant brother sticks in the rut at the bottom of the hill.

Slight differences in men seem to make all the wide differences between success and failure.

In games of chance (?) the "bank" has only a slight percentage, but the bank always wins.

Back of every result is a reason. Back of business success are earnestness, energy, persistence, concentration. Between these and achievement is advertising.

No man ever yet made a success of business without advertising of some sort. Maybe he didn't call it advertising, but it was advertising just the same.

Advertising primarily consists in letting a lot of people know you are in existence and what excuse you may have for it.

The nucleus of advertising is a sign over the door.

If nobody had ever put up a sign, one baking powder company would not now be paying out \$800,000 a year placing signs in all the newspapers of America.

When a man goes into business he has some cards printed, and when he meets an acquaintance thereafter he pokes out a card and says: "When you are down my way, drop in." That's advertising.

The trouble is that you can't repeat the operation often enough—personally. What you can do is to put the card and the remark, more or less elaborately expressed, into such a paper as the one you are reading now and have it handed to a great number of people all in one day.

The difference in men that makes one do this and another refuse is small. That is, it looks small at the start. It's like most all little things. When you stop to analyze it and figure it out to its ultimate result, you find that it grows into proportions of great magnitude.

An advertisement in the newspaper is a little thing, but it goes into thousands of homes and tells thousands of people just what you most wish them to hear.

If the ad. is an honest ad. it will always pay.

GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking **FOLEY'S KIDNEY CURE** as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

Chicago Business Man Cured
Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago, July 1, 1902.
