

# Weak

Heart From Attack of LaGrippe.

Palpitation, Smothering, Short Breath.

Dr. Miles' Heart Cure Cured Me.

The terrible after effects of LaGrippe are most dangerous when they attack the heart, the engine of life. Weak hearts are as common as weak stomachs and when an attack is made upon the weak heart, that organ soon becomes a diseased heart and the patient will unless promptly treated, suffer long and eventually die of heart disease, the dread of millions. Dr. Miles' Heart Cure strengthens and regulates the heart's action, enriches the blood and improves the circulation.

"Some years ago I had an attack of the grip, and it left me with a very weak heart. Palpitation, shortness of breath and smothering spells that made me sit up in bed to breathe, robbing me of sleep, made me most miserable. I would become fatigued and exhausted from the least exertion and was in such a critical condition that I could not attend to my business. My physician seemed unable to control my case, and instead of getting better I was gradually growing weaker every day. Then I began taking Dr. Miles' Heart Cure and after I had used two bottles I was greatly improved. I continued with the remedy until I had taken in all six bottles when I was able to attend to business without inconvenience. I was completely and permanently cured of heart trouble by Dr. Miles' Heart Cure and cheerfully recommend it to all sufferers from that terrible affliction."—H. H. EHLLE, Gloversville, N. Y.

A Progressive Grange. Stockholm Depot (N. Y.) grange is doing good work. It has a well organized literary programme for the year. It has a membership of 200, owns a building lot and has \$340 in the treasury. At a recent meeting it was unanimously voted to unite with other organizations of the county to form a county dairymen's association.

The Kansas state grange reports show that the balance in the treasury is greater than at any time during the last twenty-five years. At the last meeting, held at Arkansas City, Hon. E. W. Westgate was re-elected master of the grange.

# Short Talks on Advertising

By Charles Austin Bates.

No. 8. One man succeeds and another man fails and people wonder how it happens. It seems sometimes to people who don't think deeply that the weaker, duller man goes ahead, and that his more brilliant brother sticks in the rut at the bottom of the hill.

Slight differences in men seem to make all the wide differences between success and failure. In games of chance (?) the "bank" has only a slight percentage, but the bank always wins. Back of every result is a reason. Back of business success are earnestness, energy, persistence, concentration. Between these and achievement is advertising. No man ever yet made a success of business without advertising of some sort. Maybe he didn't call it advertising, but it was advertising just the same. Advertising primarily consists in letting a lot of people know you are in existence and what excuse you may have for it.

The nucleus of advertising is a sign over the door. If nobody had ever put up a sign, one baking powder company would not now be paying out \$800,000 a year placing signs in all the newspapers of America. When a man goes into business he has some cards printed, and when he meets an acquaintance thereafter he pokes out a card and says: "When you are down my way, drop in." That's advertising. The trouble is that you can't repeat the operation often enough—personally. What you can do is to put the card and the remark, more or less elaborately expressed, into such a paper as the one you are reading now and have it handed to a great number of people all in one day. The difference in men that makes one do this and another refuse is small. That is, it looks small at the start. It's like most all little things. When you stop to analyze it and figure it out to its ultimate result, you find that it grows into proportions of great magnitude. An advertisement in the newspaper is a little thing, but it goes into thousands of homes and tells thousands of people just what you most wish them to hear. If the ad. is an honest ad. it will always pay.

"When you're down my way, drop in." Copyright, Charles Austin Bates, New York.

# YOUR KIDNEYS ARE THEY WELL?

## Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable Had Lumbago and Kidney Trouble

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
