As the result of the general in-  
crease in business and consequent  
belief that price of all commodities  
will harden and then advance, the  
railroads are already looking out for  
rails for 1905 delivery. Three big  
systems are in the market bidding.  
There orders annually exceed 500,  
000 tons.

Ira Irwin, 17 years old, of Watson-  
town, who is a nephew of Mrs. M.  
E. Reeder, and who will be remem-  
bered by many of the people of  
Laporte, having spent a summer  
here with Mr. and Mrs. Reeder, had  
his left foot crushed so badly in at-  
tempting to board a moving freight  
train on the Reading railroad, that  
the member had to be amputated  
above the ankle.

Mr. C. R. Funston has rented his  
cottage overlooking Lake Mokoma,  
for the months of August and Sep-  
tember to a party of Hughesville

be delighted with the same. Among  
the party are the following: Rev.  
John Barb, wife and two daughters,  
George Houghton, wife and daugh-  
ter, Miss M. Confer, Atty Otto Cupp  
and wife, and several others whose  
names have not been learned.

It should not be forgotten in the  
coming campaign that there is no  
longer an ignorant rural voter. The  
country has been consolidated since  
the last election. What with the  
trolley, the automobile, the rural de-  
livery, the telephone, the omnipres-  
ent daily paper, the vast volume  
of travel all over the country, and a  
thousand other agencies, everybody  
is in the political university and  
there are no "back" districts to be  
heard from. The farmer is alive to  
the issues of the day, and he will de-  
cide the contest in an honest and con-  
servative way.

The Annual Convention of the  
Sullivan County S. S. Association  
will be held at Lopez, Wednesday

State workers, Hugh Cork and Wm.  
Stahl will be there and other good  
speakers.

For some reason our Hillsgrove  
correspondent has failed to send in  
his usual budget of news this week,  
and we have just a faint suspicion as  
to the reason, but we hope that our  
friend may recover from the disap-  
pointment sufficiently by another  
week to be able to send us a newsy  
letter. Its too bad, but it cannot be  
helped that the Hillsgrove boys lost  
their laurels in a game of base ball  
with the Forks ville team played at  
Forks ville, on Saturday last, the  
score being 5 to 4 in favor of Forks-  
ville.

Those interested in the incorpora-  
tion of the Laporte Athletic Associa-  
tion will please meet at 7.30 P. M.

the project.

**Application for Charter Notice.**

Notice is hereby given that an applica-  
tion will be made to the Governor of  
Pennsylvania on August 29, 1904, by A.  
L. Dyer, James P. Mettee, Joseph H. Lep-  
sch and J. L. Christian, under the Act of  
Assembly entitled an Act to provide for  
the incorporation and regulation of cer-  
tain corporations, approved April 29, 1874,  
and the supplements thereto, for the char-  
ter of an intended corporation to be called  
Laporte Sandstone Cement Brick & Block  
Company. The character and object of  
which is to quarry stone, manufacture  
cement brick and cement block and for  
the purpose to have, possess and enjoy  
all the rights, benefits and privileges of

**Rural Delivery Notes**

Under the new law rural free deliv-  
ery carriers will not be permitted to  
act as agents for newspapers or any  
other class of business, and all papers  
destined for persons on routes must  
bear the name of the person to whom  
they are to be delivered, the carriers  
not being otherwise permitted to de-  
liver them. Favors for persons along  
the routes may be done to a limited  
extent and when not interfering with  
the work of the route, but the depart-  
ment will see that the law is rigidly  
enforced.

Every rural mail carrier in the coun-  
try who covers what is known as a full  
route will now receive \$60 a month, or  
\$720 a year. Carriers who cover short-  
er routes will not get the maximum  
salary.

Within five years the number of rural  
free delivery routes has increased from  
200 to about 25,000.

The rural service is maintained on  
two New Hampshire lakes, the carriers  
making the rounds on little steamers  
obtained for the purpose and calling at  
the houses and villages located here  
and there along the shore.

**Life Insurance**

A FEW OF THE MANY REASONS  
WHY YOU SHOULD HAVE  
A POLICY

**WITH THE NEW YORK LIFE**

BECAUSE—Incontestable from the  
date of issue. Because—absolutely  
without restrictions. Because—non  
forfeitable from date of issue. Be-  
cause—cash loans are provided after  
second year, on demand at 5 per cent  
interest without fee or other charge.  
Because—if death does not occur an  
accumulative policy is a highly profit-  
able investment for the policy-holder  
who lives.

Policies now maturing to living  
policy-holders prove this. In fact  
NEW YORK LIFE policies do not  
leak.

Health and Accident Insurance  
also written. A postal card will
