Hon. Alex Billmeyer, of Washingtonville, is not alone a good politician and Congressman, but a good farmer as well. His yield this year on his own home farm he estimates at 4,500 bushels of wheat, 10,000 bushels of oats, 20,000 bushels of corn on the ear, 1000 tons of hay, 150 bushels of clover seed. He makes farming pay.—Bloomsburg Sentinel.

The present year should be one of the best that farmers have had for a long time past, if good crops combined with good prices cut any figure. It is seldom that the two go together. The hay crop was good, while the oats crop is one of the best that has been harvested in many years. The corn crop is very promising while potatoes will yield enormously.

A few weeks ago a dog at New Albany became affected with the rabies and bit other dogs and several cows. A cow belonging to Willis Howell went mad and had to be shot. The cow was bitten five weeks ago, but nothing was thought of it until the animal developed alarming symptoms, when she was tied with a large rope, but that being insufficient to hold the raving animal, a log chain was used to keep her from breaking away. She was finally shot to end her suffering. On Monday last another cow belonging to Ray Miller of the same place had to be shot for the same cause.

The work of cutting down the roadway and building a culvert at the Danville Hospital for the insane is being done exclusively by the patients at that place. It is said they enjoy the work and derive much benefit from the exercise.

And for this purpose to have, possess and enjoy all the rights, benefits and privileges of the said Act of Assembly and its supplements. The proposed charter is now on file in the Prothonotary's office.
E. J. MULLEN, Solicitor.
Laporte, Pa., August 29, 1904.

COURT PROCLAMATION.

WHEREAS, HON. E. M. DUNHAM, President Judge, Honorable John D. Reeser and Jacob Meyer, Associate Judges of the Courts of Oyer and Terminer and General Jail Delivery, Quarter Sessions of the Peace, Orphans' Court and Common Pleas for the County of Sullivan, have issued their precept, bearing date the 25 day of May 1904, to me directed, for holding the several courts in the Borough of Laporte, on Monday the 19 day Sept. of 1904, at 2 o'clock p. m.
Therefore, notice is hereby given to the Coroner Justices of the Peace and Constables within the county, that they be then and there in their proper person at 2 o'clock p. m. of said day, with their rolls, records, inquisitions examinations and other remembrances to those things to which their offices appertain to be done. And to those who are bound by their recognizance to prosecute against prisoners who are or shall be in the jail of the said county of Sullivan, are hereby notified to be then and there to prosecute against them as will be just.

J. G. COTT, Sheriff,
Sheriff's Office, Laporte, Pa., Aug. 5, 1904.

The Issue.
If it had the power, as it did under Cleveland, to enact any law it pleased, the Democracy would make a bad mess of it, just as it did then, and plunge the country into panic, closing shops and factories and throwing hundreds of thousands of men and women out of work. The issue, therefore, is between conservatism, as represented by the Republican party, and radicalism, as represented by the Democracy.—Recheater Post-Express.

They Come High.
Bad roads are expensive from any point of view. Each year they cost this country more money than would build a first class highway half across the continent, to say nothing of the annoyance and discomfort which must be experienced by the millions who are obliged to use them.

Life Insurance
A FEW OF THE MANY REASONS
WHY YOU SHOULD HAVE
A POLICY

WITH THE NEW YORK LIFE
BECAUSE—Incontestable from the date of issue. Because—absolutely without restrictions. Because—non forfeitable from date of issue. Because—cash loans are provided after second year, on demand at 5 per cent interest without fee or other charge. Because—if death does not occur an accumulative policy is a highly profitable investment for the policy-holder who lives.
Policies now maturing to living policy-holders prove this. In fact NEW YORK LIFE policies do not leak.

Health and Accident Insurance also written. A postal card will bring an agent to you, or a personal interview can be had at the office Saturdays, regular office day.
