It is very evident that the people of Sullivan county will make a good choice in their selection for Sheriff. Constable Frank Buck is everywhere recognized as the right man for the office to which he was nominated by a conservative convention. There is, however, another reason why Mr. Buck should receive the hearty support of Sullivan county voters, and that is the undisputed fact well settled in the minds of his friends—he is deserving and worthy of the office.

A few days ago, when Judge Parker addressed the Democratic editors who called upon him at Rosemont, he said: "I shall not take up your time with any reference to the great issues upon which our party appeals to the people." This was certainly very wise and conservative on his part, since the public is gasping to know what the issues are and what Judge Parker thinks about them. As the case now stands it would puzzle a Philadelphia lawyer to state the issues. A bill of particulars would be very acceptable from the Judge, so that the jury can determine whether there is any issue save Parker vs. Roosevelt. But the American people will soon decide the case.

All men know exactly what the policy of the Government will be for the next four years if Mr. Roosevelt is elected. Certainty in regard to the future is a very potent factor, and will enable business men to make plans as well as contracts. Judge Parker can clear up the situation on his side of the house by being equally fearless, honest, and explicit. Let him state the issues as he sees them, so that the people can draw their own conclusions.

Mr. and Mrs. Alvin P. Miller of Muncy Valley, wish to extend thanks to the friends and neighbors for their kindness during the sickness and death of their child.

The chicken and waffle supper given by the ladies of the Baptist church, at the Keeler residence, Wednesday evening, was a financial success, and judging from the way that the good things vanished from the tables, it was very evident that those who prepared the supper were most successful in their endeavors. The line of articles for sale in connection with the supper, was composed of a large number of very pretty and useful things, from which the ladies realized a neat sum.

Judge and Mrs. E. M. Dunham have gone to Towanda where they will attend the wedding of Miss Eugenia Dodge and Mr. Howard Biddaulph, this (Thursday) evening. Miss Dodge is a niece of Mrs. Dunham, and spent part of last summer in Laporte.

Katherin, wife of M. C. Miller of Sayre, died at the home of her brother, Thomas P. Cadden, in Kane, Pa., Friday night after an illness of about two months with tuberculosis. Deceased was 36 years of age and is survived by a husband, two daughters, and two sons. The remains were brought to the home of her mother, Mrs. Thomas Cadden at Dushore Monday morning. Funeral services were held at St. Basil's church Tuesday.

It is claimed that silver ore has been found on the farm owned by James Adams at Weigh Scales near Shamokin, and New York capitalists have already leased the land to work the vein. Several other pieces of land in the vicinity have been leased also for the same purpose of investigating their mineral values.

Life Insurance
A FEW OF THE MANY REASONS WHY YOU SHOULD HAVE A POLICY

WITH THE NEW YORK LIFE
BECAUSE—Incontestable from the date of issue. Because—absolutely without restrictions. Because—non forfeitable from date of issue. Because—cash loans are provided after second year, on demand at 5 per cent interest without fee or other charge. Because—if death does not occur an accumulative policy is a highly profitable investment for the policy-holder who lives.
Policies now maturing to living policy-holders prove this. In fact NEW YORK LIFE policies do not leak.
Health and Accident Insurance also written. A postal card will bring an agent to you, or a personal interview can be had at the office Saturdays, regular office day.
